2. The firm vide email dated 10.09.2025 and subsequent communication dated 24.09.2025, expressed its inability to execute the contract order and requested cancellation of the same.

In view of the critical and time-bound requirement of jute bags for wheat seed processing, the Corporation repeatedly directed the firm to comply with its contractual obligations and supply the material. Such directions were issued vide letter No. HSDC/PUR/F-JB/2025/5643 dated 16.09.2025, letter No. 5693-94 dated 19.09.2025, letter No. 5908 dated 03.10.2025 and letter No. 6035 dated 09.10.2025.
4. Despite the aforesaid directions, the firm failed to supply even a single bag against the Contract Order. The said failure constitutes a material and fundamental breach of the terms and conditions of the GeM Contract and the applicable contractual conditions.
5. Due to the complete non-performance of the firm, the Corporation was constrained to procure 70,000 Nos. of Jute Bags (40 Kg size) through re-tendering from M/s Essem Jute Industries, West Bengal, at the higher rate of Rs. 64.83 per bag, vide P.O. 7. The submissions made by the representatives of the firm during the aforesaid hearings have been duly considered. However, the firm failed to furnish any sufficient, cogent or legally sustainable justification for its complete failure to perform the contractual obligations. No material was produced to establish any force majeure circumstance or any other contractual or legal ground which could justify or excuse the firm's non-performance.
8. The entire matter has been carefully considered, including the terms and conditions of the GeM Contract, the firm's complete failure to supply the contracted material despite repeated directions, seed processing & allied work suffered followed by the consequential procurement made by the Corporation at a higher rate, the resultant financial burden of Rs. 13, 95,100/-, and the submissions made by the firm during the personal hearings.
9. The conduct of the firm has resulted in a serious breach of its contractual obligations and has caused seed processing & allied work suffered followed by unavoidable financial prejudice to the Corporation.
