Digital India Program of Government of India implemented in 37 Central Government Organisations and 14 State Government Organisations of Puducherry UT. Officials can mark the attendance based on online Biometric authentication using UIDAI. Hosted at Cloud. Separate instance for Puducherry UT is available.

Website: **https://central.attendance.gov.in** & **https://ut.attendance.gov.in**   **Sector :** G2G

Services

Biometric attendance marking system using UIDAI for

Central Govt. offices @ Puducherry UT — **37**

State Govt. offices @ Puducherry UT — **14**

Skill Development organisations @ Puducherry UT — **12**

Department Role - The website is operational led by the departments to monitor the attendance of their employees.

Road Ahead : Face Recognition feature for marking attendance is to be implemented.
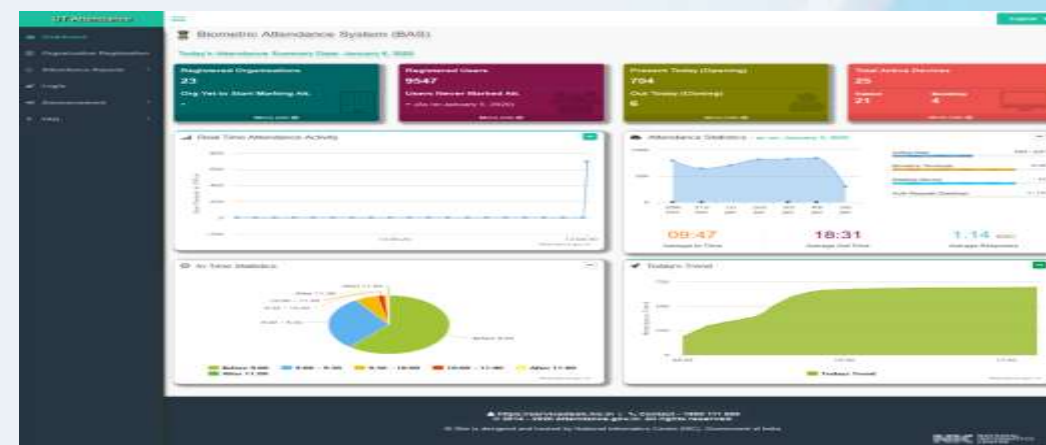

- Complete gamut of activities of Ration cards to all the residents of Puducherry.
- Service window operations by physical forms are migrated to Online services electronic forms.
- e-sign gateway , Payment gateway , SMS gateways are enabled
- People can download new Ration card, Certificates related to all services related to ration cards.

1. Online Ration Card Services

- Important component of End-to-End Computerization of TPDS
- Public can apply online for New cards and alterations on existing cards
- **To be extended to Outlying regions and providing additional delivery points Common service centres**

3.BPL Card services to Welfare Schemes

- Social Welfare department, Women and Child , Fisheries, Labour, Revenue, Health are using the BPL /NFSA data for their welfare schemes.
- Only few are running with API services whereas others are running manual. **UDH for Welfare schemes will be an ideal solution.**

5.UMANG

- M-Governance is achieved by providing G-C services
- Given in all the 4 languages.
- View payment status, application status, card details
- Changing the mobile number is made easier
- **UMANG provide support for front end design, it requires backing mechanism of database, API , adopting LG Directory**
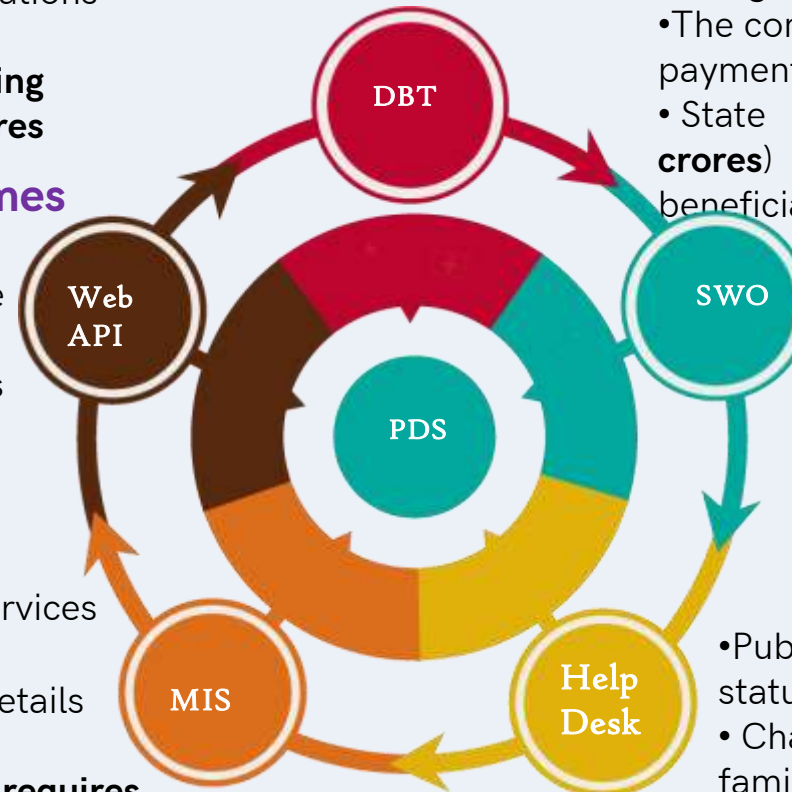

2. DBT State & Central

- 99 % of beneficiaries are paid through APB. Nearly, 1.76 lakhs families are getting cash through DBT in-lieu of rice through NFSA DBT. **Rs.12 crores** disbursed every month.
- The complete workflow for preparing the calculation sheet and payment files for NFSA beneficiaries
- State DBT like festival benefits, Monsoon Relief(**Rs.154 crores**) and assistance for Covid-19 are extended to all beneficiaries.

4.AB - PMJAY

- Ayushman Bharat – Flagship programme of Govt of India uses BPL verification through API services provided by State PDS server.
- The AB-PMJAY application is connected real time to check the details of BPL cards.
- ONORC, IPDS, NFSA portal are other portal using API services. **Perpetual Support for such API services.**

6. Help Desk

- Public can utilize this facility to view the DBT payment status
- Change of Beneficiary I, Change of Bank account in a family, Mobile Number , View the application status can be done using this facility.
- **Operation and Maintenance Support.**

Tourism is the one of the revenue earning source for the Government. NIC had designed and developed the applications for the Department of Tourism covering their main functionalities **under Swadeshi Darshan Scheme (SDS).** The applications are security audited, hosted and ready for launching. Hosted at NDC Cloud.

Website: https://pondytourism.py.gov.in   **Sector : G2G , G2C**

Services

- **Centralized Booking System for Guest Houses** with Online payment facility – People can book in Govt. accommodation from anywhere.

- **Boat Ride App for tourists** – Online booking and payment facility – For hassle free booking of boats in backwaters and lakes. Cashless booking possible with Debit/Credit/Netbanking/UPI.

- **Event management system** for International Yoga Festival to handle the participant details and issue of certificates.

- **Online Tourist Information System** for updation by Hotels to open up the profile of Data analytics on tourist profiles,

- **Integrated Mobile Application** for providing tourism details through Mobile App.

 Department Role - The department has to roll out these applications and extend the services to tourists.

 Road Ahead: The applications are to be launched and to be accessible to the Tourists and Citizens of Puducherry UT.

Home

RTPMS

- Mobile App to capture polling station preparation and Polled votes details
- Dashboard to show UT, Region, Constituency wise polling percentage
- Alert facility for Poll interruption
- Control Room facility

Training

- RTPMS trained to all Presiding officers, Asst. Presiding officers.
- Training videos are given in You tube and links through SMS.
- Participants of training are monitored through Dashboard given to all Ros.

Counting Personnel Randomization

- Counting Halls, Table matrix are updated in the system
- ARO wise randomization reports are generated in front of observers.
- Appointment orders are generated through the system.

SMS Service

- SMS integrated with RTPMS, Polling personnel management, Force Deployment, Training modules.
- SMS played a vital role for sending quick messages for poll prepared ness, alert on EVM faults, Training details.

Force Deployment

- Police personnel details are collected.
- Polling booths and the location details are mapped with the team composition.
- Randomization performed in front of observers
- Districts/Region wise reports are generated and SMS are sent to individual personnel with the location details.

Polling Personnel Randomization

- All employees are collected centrally through a DEO portal
- Exemption and exclusion are updated by all Ros/DEOs.
- Randomization criteria applied and generated in front of observers.
- Appointment orders are generated through the system.

Local Administration Department, Govt. Of Puducherry is owner of this centralized IT system catering all the local bodies. ***This site serves as a common platform for all receipts of various rents/fees/License fees/taxes by all local bodies via CASHLESS mode.*** Along with online payment, SMS, e-mail. Counter payments in the mode of cash, Cheque, DD and POS is there. Already completed the Bharat Bill Pay System and C-DAC's e-Sign integration is in process. Designed and Developed by NIC PY, Hosted at NDC Cloud VM.

Website: **https://lgrams.py.gov.in**   **Sector:G2C**

Services

- **Property Tax**
- **User Charges**
- **Trade Licence**

Payment Mode: Online, Counter, BBPS

Department Role - The system has been handed over to the department as the development and roll out are completed. Necessary implementation team have to be identified in-house to institutionalize the system.

Road Ahead: Trade licence software is getting upgraded with more facilities for traders with auto reminders, self registration, upload of documents, e-signed downloadable trade licence certificate. BBPS will enable citizen to avail the services and pay tax any time any where. Setting up of PMU is essentially required to monitor the services.

Financial Yr. 2021-22	Property tax (Rs.)	User Charges (Rs.)	Trade Licence (Rs.)
All Payment Mode	**31,26,55,051**	**3,73,72,962**	**10,34,67,713**
Online only	**5,90,71,584 + 11,47,690 (BBPS)**	**36,26,280**	**1,16,50,315**

DIRECTORATE OF SURVEY AND LAND RECORDS

நிலமகள் | NILAMAGAL

About US

"The Directorate of Survey, Settlement and Land Records, Puducherry feasilitates the general public to access the Settlement and Chitta register through online web application called 'Nilamagal', "

The Directorate of Revenue and Land Survey is a government department under Government of Puducherry that manages all government owned and ryotwari lands and decides land use policy in the UT of Puducherry. The department is also a government agency, deriving various taxes on land, as well as lease amounts from various government lands, which are principal sources of income for the Government. In addition, the department manages land-use policy, survey of land areas, and effective management and implementation of land reforms.

✓ **Implemented to digitize the textual land records viz., settlement and patta registers of all 130 villages**
✓ **Presence in all 08 Taluk offices**

DIRECTORATE OF SURVEY & LAND RECORDS

ONLINE SERVICES

| Settlement Copy | Patta Copy | FMB Copy | View GLR |

SeedCert- Seed Certification Management System is a web based application developed to automate the entire spectrum of seed certification process from producer registration to the tagging of the seed.

The System provides a seamless interface among all the stakeholders in the certification process viz the seed producers, the Seed Certification Agency, Seed Processing Unit and the Seed Testing Laboratory.

The certified seed lot data may be extended to distribute Subsidy to Seed sales dealer based on purchase of Seed by Growers.

Launched on 14/09/2017 by Hon'ble Minister of Agriculture. Hosted in SDC, Puducherry.

Department Support

Project was completed in 2017 and in operation by department and Seed Producer

Power To Empower

GIS- This GIS website is designed and developed to initiate the GIS platform in Govt. of Puducherry UT. This website creates location maps and theme maps for public and departments.

At present the spatial data and non-spatial data of Schools in Puducherry UT are captured. The school maps are published for Directorate of School Education, Govt. of Puducherry.

As this is a model application, it can be modified for all other departments to publish point layer, like Hospital, Libraries, Govt. Buildings etc.

Now-a-days, Public can get maps from Google maps. But a Map from Govt. department can provide more authenticated and complete information to public/dept.
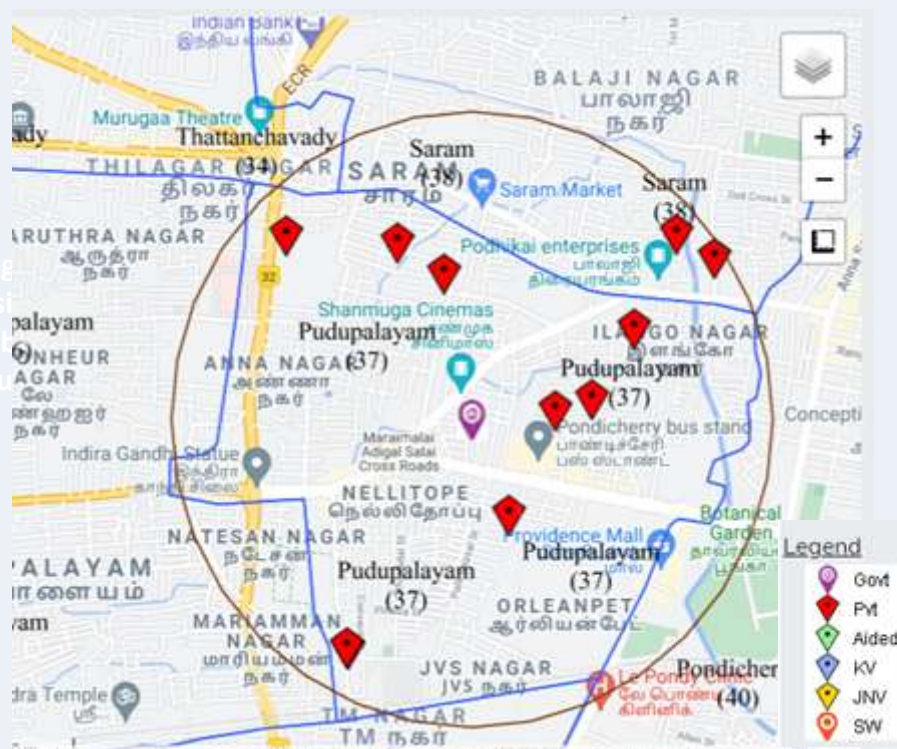

NIC Support

SchoolGIS was done as a model application with no budget in 2021. URL is linked in Edn, dept website https://schooledn.py.gov.in

School GIS for Dept of School Education getting Web Map Service(WMS) from https://gis.py.nic.in/geoserver

Neighborhood Map - shows all the private schools within one km from a Govt. Schools. (blue line–village boundary

Built on Open-Source

Geo-Server – WMS Postgresql – Database Apache-PHP/JS/HTML for script

Spatial data (Lat & Long) upload from Excel sheet

Maps published: Geo-Location map, Thematic map, Nearby School within 1/2/5 km, Neighbourhood maps, Buffer Area map

MGGAC Website

Full fledged Website for Mahatma Gandhi Arts & Science College, Mahe. This website flourished with following features

➤ All genera Information

➤ On-line Library Information System

➤ MGGAC Blog (Thulika)

➤ Ask Our Experts

➤ Discussion Forum

➤ Faculty Editor

➤ Announcements and Notices

➤ MGGAC Calander

➤ Study Material Store

MGGAC On-line admission

A complete automation solution for the admission Under Graduate courses of Mahatma Gandhi Arts & Science College, Mahe. The Admission modules covered through it are:-

➤ On-Line Application

➤ Allotments – based on merit, Vertical reservation and Horizontal Reservation

➤ Allotment and Admission List

➤ Mop-Up Admission

MGGAC App store

A collection of Mobile apps for Mahatma Gandhi Arts & Science College, Mahe.. The store contains following Apps

➤ SAMS – Attendance Monitoring System

➤ e-Calendar – College calendar

➤ Study material Store – An automated store of Study materials

B. IMPLEMENTATIONS

➢ Covid -19 Statistics Daily updation on Official Website of Mahe

➢ Covid-19 Informative Web page

➢ Covid-19 Bed availability application

➢ e-PASS implementation during the lockdown

➢ District Official Website – updation

➢ GEPLA 2021 - RTPMS, Encore ,ETPBS and Randomisation

➢ District disaster management portal

C. On-Going Support

➢ Transport

➢ E-Pathiram (Registration Department)

➢ Land records

➢ BEAMS

➢ e-SALARY

➢ PVAT- Commercial Tax Department

➢ Civil Supplies – Smart Ration Cards, One India One Ration Card

➢ Covid19 CC – RTPCR and RAT Mobile App Support to Sample Collectors

➢ ORS

D. Other Activities

➤ Video conferencing

➤ NIC-NET Service

➤ Disaster Management IT solutions

➤ Workshops & seminars

➤ Covid protocol implementation at Office

➤ Trainings

➤ District e-GOV Society Member
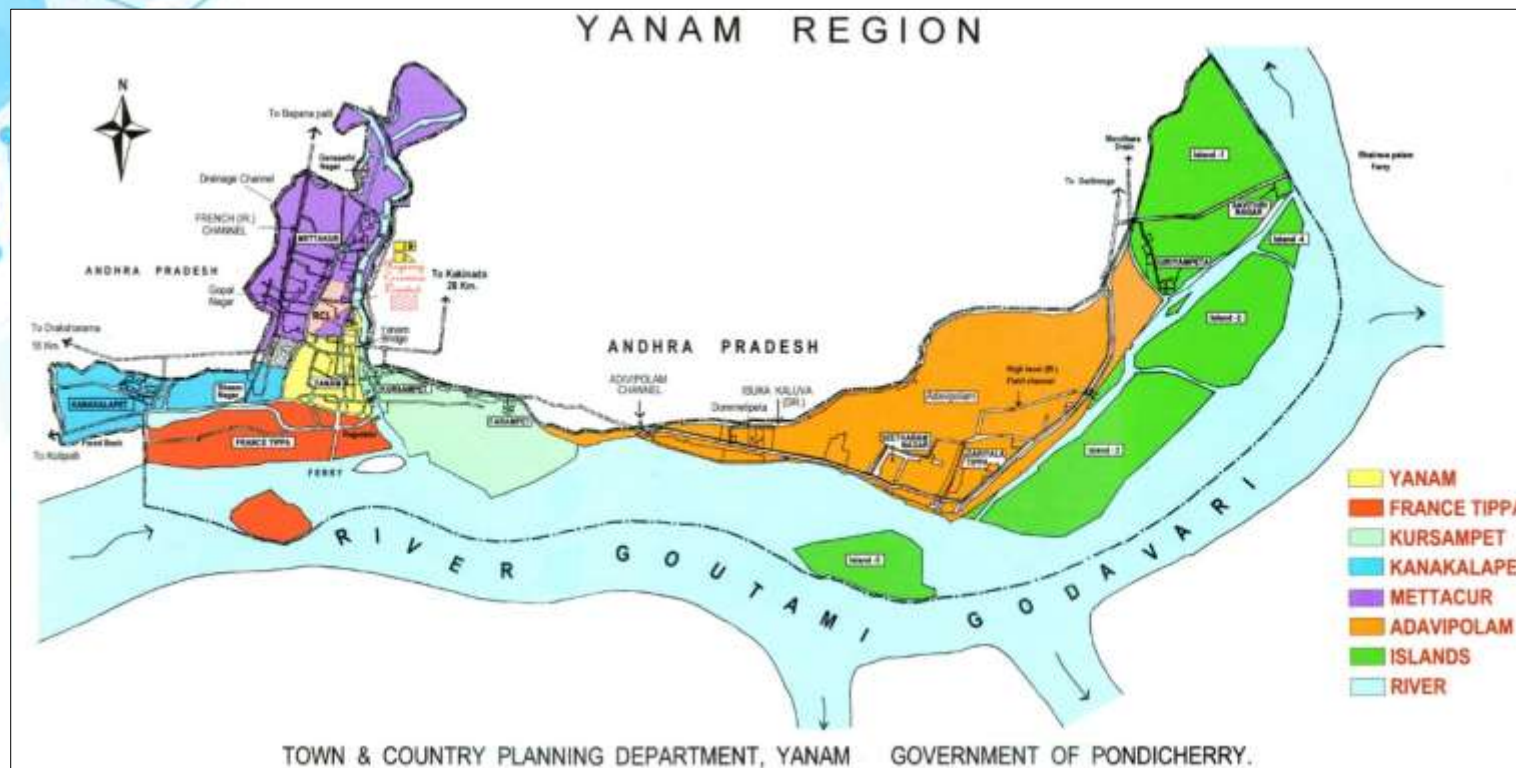

➤ IT Nodal Officer for GEPLA 2021

D. Trainings

- Training to Health Workers on RTPCR and RAT Mobile App

- R T P M S to Polling officials , Sector officers during GEPLA 2021

- Training on C Vigil App during GEPLA 2021

- Attended various Trainings by ECI during GEPLA 2021

D. Suggestions

➢ District Centre Web Server / Server Space by DIO or ADIO

➢ Licensed Developing Software Provided to District Centre

➢ Restructuring of NIC District Centres – Separate Video Conferencing Room and Training Room

➢ MTS Staff Support from District Administration
