Part A: Notice inviting tender and data sheet

The Food and Drug Administration (FDA), Government of Maharashtra, invites online bids from eligible agencies (empaneled by FSSAI) for empanelment to implement the Eat Right Campus (ERC) Programme and undertake printing and display of Information, Education, Behavioural Change and Communication (IEBCC) material, based on artwork supplied by FDA, in 1,000 campuses (indicative) in Maharashtra during the Financial Year 2026–27.

The tender shall follow a two-envelope process. Envelope 1 shall be evaluated to determine whether bidders meet the prescribed pre-qualification/eligibility criteria on a pass/fail basis. Bidders meeting the pre-qualification/eligibility criteria shall be invited to make a presentation on their proposed approach and methodology for implementation of the Eat Right Campus Programme and execution of the IEBCC component, including their deployment readiness, work plan, stakeholder coordination and quality assurance arrangements. Based on the evaluation of these presentations against the criteria specified in this tender, eligible bidders shall be shortlisted for opening of their financial bids.

The financial bids of shortlisted bidders alone shall be opened. The lowest evaluated financial bid shall determine the L1 rate, which shall be adopted as the empanelment rate. All shortlisted bidders whose financial bids are opened shall be empanelled at the L1 rate, subject to acceptance of the L1 rate and compliance with the terms and conditions of the tender.

All work allotted under this empanelment shall be completed by 28 February 2027.

Part B: Instructions to bidders

1. About FDA Maharashtra

The Food and Drug Administration, Maharashtra is the regulatory authority for food safety and quality in the State. It implements the Food Safety and Standards Act 2006, the Rules & Regulations made thereunder, and the directions of the Food Safety and Standards Authority of India (FSSAI) and the Government of Maharashtra. The Eat Right India initiatives in this tender are implemented under the FSSAI Work Plan 2026-27 agreed between FSSAI and the State.

2. Nature of this tender

2.1 This tender is for empanelment. Envelope 1 shall be evaluated to determine whether bidders meet the prescribed pre-qualification/eligibility criteria on a pass/fail basis. Bidders meeting the pre-qualification/eligibility criteria shall be invited to make a presentation on their proposed approach and methodology for implementation of the programme. Based on the evaluation of these presentations against the criteria specified in this tender, eligible bidders shall be shortlisted for opening of their financial bids.

2.2 The lowest total price per campus among eligible bidders (L1) is fixed as the rate for the work. All eligible bidders are empanelled at that rate, and campuses are allotted among them as set out in clause 10.

2.3 Empanelment does not assure any agency a particular number of campuses, and does not create a right to payment for the full quantity.

3. Eligibility criteria

A bidder must meet every criterion below on the last date of bid submission. Eligibility is decided only on the documents listed against each criterion.

#	Requirement	Criterion	Documents to be submitted

Consortium and sub-contracting. Joint ventures and consortia are not permitted. Sub-contracting is permitted only as set out in Part E clause 8 (declared printer for IEBCC material, declared FSSAI partners for training); the bidder remains solely responsible.

4. Technical Qualification Criteria

4.1 Purpose of Presentation

- Bidders who meet all the eligibility criteria specified in Part B, clause 3, shall be invited to make a presentation before the Tender Evaluation Committee constituted by FDA.
- The purpose of the presentation is to assess the bidder's understanding of the Eat Right Campus (ERC) Programme and the IEBCC component, including its proposed methodology for implementing the Eat Right Campus Programme, printing and displaying IEBCC material based on artwork supplied by FDA, deployment readiness, resource availability, stakeholder coordination arrangements, quality assurance measures and capacity to complete the assigned work within the stipulated timelines.
- The presentation shall be evaluated on the basis of the criteria and marks specified in this clause. No financial information or price quotation shall be disclosed during the presentation.

4.2 Evaluation Criteria

The presentation shall be evaluated out of 100 marks in accordance with the following criteria:

#	Evaluation Criteria	Maximum Marks
1	Relevant experience in Eat Right Campus, food safety, hygiene and IEBCC programmes	15
2	Implementation methodology for Eat Right Campus and IEBCC activities	20
3	Deployment readiness and availability of resources	15
4	Work schedule and capacity to meet prescribed timelines	10
5	Stakeholder coordination and mobilisation	10
6	Innovative interventions for food safety, hygiene, healthy food choices and behavioural change	15
7	Monitoring, quality assurance, documentation and reporting	10
8	Risk management and contingency preparedness	5
Total	**Overall Presentation Score**	**100**

A bidder shall secure a minimum score of 70 out of 100 marks in the presentation evaluation to qualify for opening of its financial bid. Bidders who do not meet the prescribed qualifying requirements shall not be considered for opening of their financial bids.

4.3 Presentation Requirements

The presentation shall cover, at a minimum, the following:

a. **Relevant Experience:** Relevant experience in implementation of the Eat Right Campus Programme, Eat Right initiatives, food safety and hygiene programmes, campus-level food safety interventions, IEBCC campaigns or similar assignments, including details of completed assignments, the scope of work undertaken and evidence of performance.

b. **Proposed Implementation Methodology:** A stage-wise methodology for implementing the Eat Right Campus Programme and the IEBCC component, covering campus profiling and assessment,

identification and engagement of relevant stakeholders, baseline assessment of food safety and hygiene practices, implementation of corrective measures, facilitation of audits and certification-related activities, and printing and display of IEBCC material based on artwork supplied by FDA.

c. **Deployment Readiness and Resource Availability:** Details of the proposed project team, field personnel, technical experts and other resources required for implementation of both programme components, including their roles, qualifications, relevant experience and availability for deployment. The bidder shall also explain its arrangements for engaging or coordinating with qualified auditors, FSSAI-recognised auditing agencies or other relevant service providers, as applicable.

d. **Work Schedule and Implementation Capacity:** A proposed campus-wise, district-wise or division-wise implementation schedule, including milestones, sequencing of activities, resource allocation and arrangements for undertaking Eat Right Campus interventions and printing and displaying IEBCC material within the prescribed timelines.

e. **Stakeholder Coordination and Mobilisation:** Proposed arrangements for coordination with FDA, campus management, institutional authorities, food vendors, food handlers, students, employees and other relevant stakeholders, as applicable, for effective implementation of the Eat Right Campus Programme and the IEBCC component.

f. **Outcome-oriented Interventions and Innovation:** Practical and innovative interventions for improving food safety, hygiene and sanitation practices, promoting healthy food choices, encouraging sustainable food practices and creating awareness and behavioural change among food vendors, food handlers, campus occupants and other relevant stakeholders.

g. **Monitoring, Quality Assurance and Documentation:** Proposed arrangements for monitoring implementation progress, ensuring quality of activities undertaken, documenting campus-level interventions, maintaining evidence of printing and display of IEBCC material, tracking corrective actions, and submitting periodic progress and completion reports to FDA in the prescribed format.

h. **Risk Management and Contingency Preparedness:** Identification of potential implementation risks, dependencies and operational challenges, including delays in campus mobilisation, non-cooperation from stakeholders, resource constraints, delays in printing or displaying IEBCC material and other implementation-related challenges, along with proposed mitigation measures and contingency arrangements to ensure timely completion of the assigned work.

4.4 Presentation Procedure

- The FDA shall separately notify all eligible bidders of any changes to the date, time, venue, or presentation instructions.
- The presentation shall be made by the bidder's authorised representative and/or proposed project lead. The duration of the presentation shall be for not more than 10 minutes and shall be uniform for all bidders.
- The Tender Evaluation Committee may seek clarification on the information presented. Such clarification shall not permit the bidder to materially alter its bid, introduce a new proposal or cure a deficiency in the documents submitted with the bid.
- The Committee shall evaluate each presentation against the published criteria and record the marks awarded under each criterion, together with brief reasons supporting the assessment.

4.5 Presentation Venue:

Address: Food and Drug Administration (Food), Survey No. 341, 1st Floor, Bandra Kurla Complex, Opposite Reserve Bank of India, Bandra East, Mumbai, Maharashtra 400051
Date: 24/Nov/2026-25/Nov/2026
Time: 11 AM

4.6 Shortlisting of bidders

- Only bidders who meet the minimum qualifying score under clause 4.2 shall be shortlisted for opening of their financial bids.
- The list of shortlisted bidders and the results of the technical presentation evaluation shall be recorded by FDA and communicated to the bidders through the MahaTenders portal.

5. Documents to be submitted

5.1 Envelope 1 must contain only: (a) proof of payment of the tender fee and EMD, or the exemption certificate; (b) the latest income tax return and GST return acknowledgements; (c) the documents listed against E1 to E8; (d) the forms in Part F, filled in and signed; and (e) the checklist in Annexure F-1; (f) Presentation on the proposed approach and methodology for implementing the proposed programme in Maharashtra.

5.2 Envelope 1 must not contain any technical proposal, methodology, work plan, approach note, presentation, sample design or any price. Such material is not read. If any price appears in Envelope 1 the bid is rejected. The work schedule is submitted by the empanelled agency after the work order (Part C, clause 1.6).

5.3 All documents must be in English and self-attested by the authorised signatory.

6. Submission of bids

6.1 Bids must be submitted only through the MahaTenders portal before the last date and time. Bidders must register on the portal and sign each document with a valid digital signature certificate. A bid submitted in any other way, or after the stipulated date and time, is liable for rejection.

6.2 Envelope 2 contains only the financial bid in the format in Annexure G, uploaded in the form that the portal requires. A bid that adds a condition or changes a term of this tender is non-responsive.

6.3 FDA may extend the last date for submission by a corrigendum. The extended date then applies to all rights and obligations of FDA and the bidders.

7. Tender fee, EMD and Performance Security Deposit

7.1 The tender fee of INR 15,000 plus GST and the EMD of INR 4,00,000 are paid online before the last date of submission.

7.2 The EMD of unsuccessful bidders is returned within 2 months of the empanelment order; the EMD of an empanelled agency is returned on receipt of its Performance Security Deposit.

7.3 The EMD is forfeited if a bidder withdraws or changes its bid after the last date, refuses to sign the agreement or to accept the L1 rate, or fails to furnish the Performance Security Deposit.

7.4 Every empanelled agency furnishes a Performance Security Deposit of INR 12 lakhs, within 15 days of the work order, valid 90 days beyond the completion date; otherwise, the work order may be cancelled and the EMD forfeited.

7.5 The Performance Security Deposit is refunded within 60 days of final acceptance and is liable to deduction for damages, penalties, replacement costs or dues.

7.6 **Exemptions.** (a) Micro and small enterprises registered under the MSMED Act, 2006 with a valid Udyam registration certificate whose NIC code covers the tendered work; (b) Government boards, corporations and undertakings; and (c) start-ups with a valid DPIIT recognition certificate, are exempt from the tender fee and the EMD. Such bidders shall also receive the Performance Security Deposit concession, if any, that is allowed by the Government of Maharashtra resolutions in force. The certificate must be submitted with Envelope 1. The exemption is subject to the applicable Government of Maharashtra resolutions.

8. Pre-bid queries and meeting

Queries in the format in Annexure F-9 by the date in Part A. A joint pre-bid meeting for all seven Eat Right tenders is held on 2 November 2026,physically at Food and Drug Administration (Food), Survey No. 341, 1st Floor,Bandra Kurla Complex, Opposite Reserve Bank of India,Bandra East, Mumbai, Maharashtra 400051, and also online. Minutes and replies are published on the MahaTenders portal and the FDA website. Changes to this tender are made only by corrigendum.

Meeting link - https://meet.google.com/ytp-vhix-xbq

9. Bid validity

90 days from the last date of submission.

10. Evaluation of eligibility (Envelope 1)

10.1 Envelope 1 is opened on the portal and evaluated by the Tender Evaluation Committee constituted by FDA.

10.2 Each criterion is assessed as met or not met on the documents submitted; no marks are given. A bidder that meets every criterion and has submitted every required document is declared eligible.

10.3 FDA may verify any document with the issuing authority or client, including the FSSAI recognition or empanelment from FSSAI, and may ask for an original, a legible copy or a missing signature, but no bidder may add a new document or change its bid after the last date.

10.4 A bid is rejected if the bidder is ineligible, the bid does not conform in a material respect, it contains false information, the bidder offers any inducement, or there is a conflict of interest.

10.5 The list of eligible bidders is published on the portal; only their financial bids are opened.

11. Financial bid, L1 rate, empanelment and allotment

11.1 **Quote.** The bidder quotes price per campus in Component A and the price for printing and dessiminating of IEBCC material per campus in Component B, each exclusive of GST and with GST shown separately, in the format in Annexure G; the total per campus inclusive of GST is the price on which bids are compared.

11.2 **Opening.** Financial bids of eligible bidders are opened on the portal by the Purchase Committee of FDA, on the date and time shown in Part A.

11.3 **L1.** The eligible bidder with the lowest total price per campus is L1; two or more bidders quoting equal lowest prices are each L1.

11.4 **Rate for the work.** The price of each component quoted by L1 becomes the Empanelment Rate per campus, payable to every empanelled agency. The price an agency itself quoted has no effect on its payment.

11.5 **Empanelment.** Every eligible bidder is empanelled at the Empanelment Rate and is sent an empanelment letter; each bidder has already agreed to this in Annexure F-7. Refusal leads to forfeiture of the EMD.

11.6 **Allotment.** The FDA allocates campuses among the empanelled agencies on a division-wise basis, as indicated in Annexure I, through work orders specifying the campuses assigned to each agency, based on administrative requirements and with a view to ensuring an equitable distribution of work. FDA reviews progress monthly and may re-allot campuses not started within 30 days of the work order, or where an agency defaults, to another empanelled agency at the Empanelment Rate.

11.7 **Bid Estimated Value:** The estimated bid value is INR 4.0 crores (inclusive of all taxes). The financial bid submitted by the bidder shall not exceed this amount. Any bid quoting a total price exceeding INR 4.0 crore, inclusive of GST, shall be liable for rejection as non-responsive.

11.8 **Negotiation.** No negotiation is held except with L1 alone where the rules permit, with reasons recorded.

11.9 **Contract Period.** Contract Period/The Work Order shall remain valid until 31 March 2027. Based on the performance of the empanelled agency and subject to the approval of FDA, the validity of the Work Order may be extended up to a certain period, on the same terms and conditions and at the existing rates, or at mutually agreed rates, as determined by FDA and the empanelled agency. Any such extension shall be communicated in writing by FDA

12. Number of bids

If fewer than three bids are received, FDA may extend the last date by one week, up to two times. With three or more eligible bids evaluation proceeds.

13. Conflict of interest, integrity and grievances

13.1 **Conflict of interest.** If two bidders have a common owner, director, partner or majority shareholder, both bids are rejected. Each bidder must also give the declaration in Annexure F-8.

13.2 **Integrity and ethics.** The bidder and its staff shall not offer any gift or inducement to any official of FDA, FSSAI or an institution, collude, misrepresent facts or use official information unfairly; breach leads to rejection, forfeiture of the EMD or Performance Security Deposit and action under the Government of Maharashtra procedure for suspension, banning or removal from the panel. The bidder shall also respect labour, safety, environmental and anti-corruption laws, and shall not use child labour.

13.3 **Grievances:** A bidder aggrieved by a decision under this tender may apply for review to the Commissioner of Food Safety within 10 days of the decision, or within the period stated in the decision. FDA decides it as soon as possible and normally within 30 days

13.4 **Rights reserved.** FDA may reject any or all bids, cancel the process or issue a fresh tender, without providing any reason. Cancellation is communicated to all bidders and unopened financial bids are returned. No bidder may claim compensation for cancellation. The conditions of this tender may be relaxed only as the applicable Government of Maharashtra resolutions allow, and only by a corrigendum sent to all bidders.

Part C: Scope of work

1. Programme and requirement

Objective of the Eat Right Campus: The objective of the Eat Right Campus initiative is to create an environment that promotes the availability of safe, hygienic and nutritious food and encourages healthy and mindful eating habits among residents, employees, students and visitors within workplaces, colleges, educational institutions and other campuses. The initiative aims to ensure compliance with prescribed food safety and hygiene standards, promote healthy dietary practices and sustainable food consumption, and continuously reinforce awareness about informed food choices and healthy eating habits in everyday campus environments.

1.1 **Programme.** The Eat Right Campus (ERC) Programme is an initiative of FSSAI under the Eat Right India movement. It aims to create a safe, healthy and sustainable food environment in campuses by strengthening food safety and hygiene, promoting healthier food choices and sustainable food practices, building the capacity of food handlers, and bringing about awareness and behavioural change among campus stakeholders. It is implemented in accordance with the FSSAI guidelines, checklists, training and certification requirements in force.

1.2 **Campuses.** The campuses covered are educational institutions (schools, colleges, universities and similar), workplaces, hospitals and healthcare institutions, and any other campus with defined premises and food handling that FDA includes. FDA identifies the campuses and lists them in each work order.

1.3 **Requirement.** The empanelled agency shall do two things at each campus allotted to it: **Component A**, implementation of the Eat Right Campus (ERC) Programme (clause 2); and **Component B**, printing, delivery, installation and evidence of the IEBCC material in Annexure H using artwork supplied by FDA (clause 3). The agency is solely responsible for both.

1.4 **How certification works.** As described by FSSAI, the campus first carries out a pre-audit (self-assessment) with the FSSAI checklist, which only identifies gaps and whose marks do not count towards the final score. Food safety supervisors of the campus and its food businesses are trained under FoSTaC. The post-audit (final audit) is done only by an FSSAI-empanelled Hygiene Rating or third-party auditing agency. A campus that scores more than 65% after the post-audit can be certified. FSSAI reviews and validates the documents, which takes at least 30 days after all documents are submitted, and 15 days more if they are incomplete or have errors. The certificate is valid for two years.

1.5 **Audit and training roles.** The audit required by the FSSAI framework is part of the scope and its cost is inside the Empanelment Rate; no separate audit fee is payable. The final audit or assessment is conducted only by an FSSAI recognised auditing agency. Where the agency itself holds that recognition, it may conduct the audit through an auditor who took no part in the handholding of that unit; otherwise it engages the recognised agency named in Annexure F-10, at its own cost. FoSTaC training is delivered only by an FSSAI empanelled training partner, which may be the agency if so empanelled. FDA may witness any audit, re-verifies at least 10 per cent of units per agency per division, and may order a fresh audit at the agency cost where the record is unreliable. Payment never depends on the score or rating obtained; it depends on the audit having been done and recorded. Improvements to campus infrastructure remain the responsibility of the campus.

1.6 **Work schedule and letters of support.** Within 10 working days of the work order the agency submits a campus-wise work schedule (Annexure F-11) naming its team, its declared partners and printer, and the dates for each stage. FDA issues with the work order letters of support

addressed to the institutions, trusts, Railway divisions, market committees or local bodies concerned, and the Designated Officer of each district introduces the agency.

2. Component A: Implementation of the Eat Right Campus Programme

A.1 Work planning and mobilisation

- Prepare and submit a campus-wise Eat Right Campus work schedule within 10 working days of the work order, or such other period as FDA directs.
- Prepare district-wise / division-wise activity and training plans and submit them to FDA Headquarters.
- Coordinate with FDA Headquarters, the concerned divisions and districts, and the campuses.
- Keep a campus-wise tracker covering identification, onboarding, baseline assessment, training, corrective actions, post-audit, certification status and documentation.

A.2 Identification, registration and campus profiling

- Confirm each campus against the list in the work order. Collect and verify the campus details: type, address, contact person, food-service facilities and the nodal person of the campus.
- Identify and list every food business in the campus (canteens, cafeterias, messes, catering units and other outlets), and record and verify its FSSAI licence or registration.
- Prepare the registration and onboarding data of each campus for the Eat Right Campus portal in the manner that FDA directs (the agency registers the unit on the FSSAI portal on its behalf, with FDA Maharashtra as the State authority), and submit campus-wise information to the concerned FDA authorities in the prescribed format.

A.3 Pre-audit (baseline and gap assessment)

Help the campus nodal representative to carry out the pre-audit with the FSSAI checklist, and visit the campus through the agency's team to identify gaps in the following, as applicable: food safety and hygiene practices and licensing; food-handler hygiene and Fostac training; food storage and temperature control; cleaning, sanitation and pest control; prevention of cross-contamination; availability and safety of drinking water; availability of healthy food choices and responsible use of salt, sugar and fats; food waste reduction and waste management; sustainable food practices; and awareness and IEBCC activities. Prepare a campus-wise Gap Assessment Report that lists the gaps, the supporting observations and the corrective actions recommended.

A.4 Training coordination and awareness

The Auditing Agency shall arrange and conduct the Basic FoSTaC Training for all food handlers engaged in school and college campuses, including canteens and kitchens, by outsourcing the training to an FSSAI-empanelled FoSTaC Training Partner at its own responsibility and cost. The training shall cover all five modules (Street food vending,catering,manufacturing,storage and transport,retail) of the Basic FoSTaC Training Programme, as prescribed by FSSAI. All expenses associated with arranging and conducting the training, including the fees payable to the FoSTaC Training Partner, shall be borne entirely by the Auditing Agency and shall be deemed to be included in the contract price, with no additional payment payable by the Department. The Auditing Agency

shall also ensure the collection and maintenance of attendance sheets, photographs and training certificates as documentary evidence of compliance.

A.5 Corrective action support

- Communicate the gaps to the campus and its food businesses and guide them on corrective measures: food safety and hygiene, licensing, healthier food choices, and food waste and waste management.
- Keep documentary and photographic evidence of corrective actions, and track each gap to closure, pending status or escalation.

A.6 Post-audit coordination

Coordinate the post-audit by the FSSAI-empanelled auditing agency with the campus and FDA, keep the audit schedule and the actual dates, and record the findings and follow-up status. The audit is conducted by an FSSAI recognised auditing agency as set out in Part C clause 1.5. Where the agency itself holds that recognition, it may conduct the audit through an auditor who took no part in the handholding of that unit; otherwise it engages a recognised agency named in its work schedule. FDA may witness any audit and re-verifies 10 per cent of units. The agency shall not represent itself as the certifying authority; certification is by FSSAI.

A.7 Certification facilitation

- Complete and submit, through FDA, the documents required by FSSAI for each campus: the FSSAI license or registration of the food businesses, the FoSTaC certificates, the pre-audit and post-audit scores, the drinking water test report from an NABL-accredited laboratory (or the water supply bills where the municipal body supplies the water), and the recommendation proforma signed by the Designated Officer or Food Safety Officer.
- Track the certification status of each campus, and follow up on deficiencies or additional information that FSSAI asks for.

A.8 Documentation and reporting

Maintain a campus-wise Eat Right Campus Documentation File and submit periodic and final reports to the concerned Designated Officers (DO) and to FDA Headquarters, Mumbai, as directed. The consolidated report shall cover: campuses identified and onboarded; campus-wise and division-wise progress; training details, attendance and certificates; gap assessment reports and audit schedules, dates and findings; corrective actions and their status; campuses certified and certificates obtained; and photographs and other evidence. Soft copies and, where required, physical copies shall be given.

3. Component B: Printing, delivery, installation and evidence of IEBCC material

3.1 **Purpose.** To make the behaviours of the Eat Right Campus (ERC) Programme visible at every campus, in the Eat Right Maharashtra identity used by FDA across the State, so that the setting-level material and the State campaign look like one movement.

3.2 **Artwork by FDA.** FDA supplies the approved artwork for every item in Annexure H as print-ready files within 10 days of the work order, in Marathi with Hindi and English versions, carrying the Eat Right India (FSSAI) and FDA Maharashtra identity and the FDA WhatsApp QR. The agency does not design or alter the creative; it may fill only the institution name, district and date fields. Any adaptation needed for a specific setting is requested from FDA and supplied within 5 working days.

3.3 **Printing.** The agency prints every item to the size, material and quantity in Annexure H. Before bulk printing it submits one printed sample of each item to the Designated Officer, who approves or rejects within 5 working days. Printing may be sub-contracted to the printer

declared in Annexure F-10 (one printer per bidder, or one per division), who has no contract with FDA; the agency remains solely responsible for quantity, specification, quality, timeliness, installation and evidence, and no separate payment is made for the printer.

3.4 **Delivery and installation.** The agency delivers the kit to each campus, installs each item at the place listed in Annexure H with the permission of the head of the institution or the trust (FDA letter of support), using non-damaging fixings, within 14 days of sample approval and in any case before the awareness event at that campus. It gives the soft copy set to the institution for its own channels.

3.5 **Replacement.** Items found damaged or missing at the audit visit or at the Designated Officer sample check are replaced once within 7 days at the agency cost.

3.6 **Evidence.** For each campus: a delivery note signed by the head of the institution or trust listing every item and quantity; geo-tagged, dated photographs of every display point; and the item count, uploaded on the FDA portal within 7 days of installation. This evidence is a condition of the Stage 2 payment.

3.7 **Quality check and deductions.** The Designated Officer checks at least 10 per cent of units per agency per division. A shortfall in quantity or specification is deducted at twice the value of the missing or deficient item (valued at the Component B rate apportioned by item) from the next bill; three failures in a division lead to re-allotment of the remaining units of that agency in the division.

3.8 **Content rules.** All material complies with the FSSAI logo guidelines and the directions of FDA; no claim that FDA has not approved; no brand name or commercial product; no photograph of an identifiable child or devotee without written consent of the parent, guardian or person; Marathi first.

3.9 **Ownership.** The artwork and all printed and digital material belong to FDA. The agency acquires no right in them and may not reuse them.

4. Roles of stakeholders

Stakeholder	Indicative role
Campus administration	Nominating a nodal person; self-assessment (pre-audit) with the checklist; allowing access, space for training and display of IEBCC material; making corrections within its control; sustaining the practices.
FSSAI	Programme framework and direction; empanelment of auditing and training partners; review and validation of the documents; certification.
FDA Maharashtra (State food safety department)	Overall implementation; identification of campuses; verification of the self-assessment and the audit report; recommendation for declaring an Eat Right Campus; allotment of campuses; approval of IEBCC material; verification of completion for acceptance and payment.
FoSTaC Training Partner (FSSAI empanelled)	Mobilising campuses and training food safety supervisors and food handlers under FoSTaC, and issuing certificates; engaged by the agency inside the rate, or the agency itself where it is so empanelled.
FSSAI-empanelled auditing agency	Post-audit of the campus and the audit report; hand-holding for improvement as FSSAI permits.

Stakeholder	Indicative role
Selected (empanelled) agency	Components A and B for the campuses allotted to it; coordination with the stakeholders; campus-wise records; reports; compliance with the written directions of FDA.

5. Deliverables and completion

Deliverables shall be in the formats that FDA approves. Dates may be refined in the work order. In all cases, the work shall be completed by 28 February 2027.

Deliverable (Component A)	Minimum contents	Timeline
Work schedule	Campus-wise work schedule, coordination arrangements, risks and dependencies	Within 10 working days of the work order, unless FDA directs otherwise
Campus profile and onboarding records	Campus details, food business inventory, license / registration status, onboarding evidence	As FDA directs
Gap Assessment Report	Findings, gaps, evidence and corrective-action recommendations for each campus	After the baseline visit at each campus
Training documentation	Training plan, attendance, photographs and certificates	After each training activity
Corrective-action tracker	Gaps, actions advised, evidence, verification status and pending items	Updated periodically and submitted with progress reports
Post-audit records	Schedule, actual dates, checklist scores, findings, follow-up status	After each post-audit
Certification status report	Campus-wise progress and copies of certificates, where available	As records become available
Final consolidated report	All campus-wise status, activities, audits, corrective actions, certificates and evidence	Before final acceptance and not later than 28 February 2027

Deliverable (Component B)	Minimum contents	Timeline
Printed samples	One printed sample of each Annexure H item	Within 10 days of receipt of artwork
IEBCC kit installed at each campus	All Annexure H items installed; delivery note; geo-tagged photographs; item count on the FDA portal	Within 14 days of sample approval and before the awareness event
Replacement record	Items replaced, dates, photographs	Within 7 days of the check

6. Reporting, review and coordination

- The agency shall coordinate with the Food Safety Commissioner, the Joint Commissioner (Food) at Headquarters, the Designated Officers and other authorised staff of FDA.
- It shall submit campus-wise and division-wise progress reports at the frequency and in the format that FDA directs, and keep its tracker up to date.
- It shall promptly report material constraints, delays or dependencies that need the intervention of FDA.
- All reports and records go to the concerned DO and FDA Headquarters, Mumbai, as directed.
- In addition, the agency enters unit-wise progress and evidence on the FSSAI portal (Annexure F-13 format) as each stage is completed; the portal record and cirtificate is the basis of acceptance and payment.

7. Regulatory and programme compliance

The agency shall comply, as applicable, with the Food Safety and Standards Act, 2006; the Food Safety and Standards Rules and Regulations made thereunder; the FSSAI Eat Right Campus guidelines, checklists, procedures and certification requirements; the directions and circulars of FSSAI; and the directions of the Government of Maharashtra and FDA. It shall follow any change in these during the contract period.

8. Awareness activities

At each campus the agency conducts two or three awareness events of 2 to 4 hours chosen from the menu in Annexure J with the head of the institution or the trust, for all personnel of the campus and its food handlers. Each event is evidenced by attendance, agenda, dated photographs, quiz or pledge results where applicable and a one-page report, uploaded on the FDA portal. The event banner and the FDA digital set are used; no new creative is produced by the agency.

Part D: Financial bid, price and payment

1. Financial bid

1.1 The bidder quotes in Annexure G the price per campus for Component A and for Component B, each exclusive of GST with GST shown separately, and the total per campus inclusive of GST.

1.2 The price includes all costs of the work: manpower, travel, coordination, documentation, training partner and audit agency charges, printing, transport, installation, replacement and evidence of IEBCC material, the cost of the declared printer, portal entries, and all taxes and duties other than GST. No additional payment is admissible for any activity or item within the scope.

1.3 A price must be quoted for each component; a bid that omits either is rejected. Prices are in Indian rupees; words prevail over figures; the sum of components prevails over a wrong total.

1.4 The estimated bid value is INR 4.0 crores (inclusive of all taxes). The financial bid submitted by the bidder shall not exceed this amount. Any bid quoting a total price exceeding INR 4.0 crore, inclusive of GST, shall be liable for rejection as non-responsive.

2. Payment

2.1 Payment is made at the Empanelment Rate, only for units actually allotted, completed in accordance with this tender and the work order, verified and accepted by FDA. A work order

creates no right to payment for the full quantity. Payment is subject to availability of funds under the FSSAI Work Plan and to the applicable Government rules and the instructions of FDA Headquarters.

2.2 No advance payment is made. No retention is held; deductions are only for damages, replacement costs, recoveries and tax deducted at source under the applicable law.

2.3 Batch-wise invoices : the empanelled agencies are encouraged to raise the invoices of the completed FBOs in batches along with the supporting documents

2.4 The agency shall submit with each invoice: the invoice with tax details; campus-wise completion records and a consolidated completion report; the gap assessment and post-audit reports and checklists; training records and certificates; the corrective-action tracker with evidence; the delivery notes, geo-tagged photographs and item counts of the IEBCC material; FSSAI certificates, where available; and any other document FDA needs. An invoice alone is not proof of completion.

2.5 Where a campus or unit on the FDA list is found ineligible under the FSSAI prerequisites and is reported within 7 days with evidence.

Part E: Terms and conditions of the empanelment contract

These terms form part of the agreement between FDA and each empanelled agency.

1. **Contract period and completion.** From the date of the work order to the completion and payment of the assigned work; all work complete by 28 February 2027; Contract Period/The Work Order shall remain valid until 31 March 2027. Based on the performance of the empanelled agency and subject to the approval of FDA, the validity of the Work Order may be extended upto a certain period on the same terms and conditions and at the existing rates, or at mutually agreed rates, as determined by FDA and the empanelled agency. Any such extension shall be communicated in writing by FDA.

2. **Work orders and allotment.** Each agency receives work orders listing its campuses by division and district. FDA may increase or reduce the number of campuses as the Government directs, re-allot campuses not started within 30 days,

3. **Performance Security Deposit.** As in Part B clause 6.

4. **Compliance with FDA instructions.** The agency follows the instructions, formats, timelines and portal procedures issued by FDA from time to time on training, documentation, reporting, certification and payment.

5. **Damages for delay.** If the work at a campus is not complete by 28 February 2027 or the earlier date in the work order, damages of 0.5 per cent of the Empanelment Rate of that campus for each week or part of a week of delay, up to 5 per cent where the work order value is INR 2 lakh or more and 10 per cent where it is below INR 2 lakh, are deducted from payments due. The damages do not limit the other remedies of FDA.

6. **Action for default.** For delay, poor quality, unapproved claims, false records, breach of the audit or training independence rule, or other breach, FDA may re-allot units at the Empanelment Rate, forfeit all or part of the Performance Security Deposit, terminate the contract, and suspend, ban or remove the agency from the panel, after a show-cause notice, a reasonable opportunity to reply and a hearing, with the right of appeal that the Government of Maharashtra prescribes.

7. **Audit and training independence.** As in Part C clause 1.5. The agency discloses at once any conflict of interest that arises.

8. **Sub-contracting and declared partners.** The agency may not assign the contract or sub-contract the implementation. It may engage, and must declare in Annexure F-10: (a) an FSSAI empanelled FoSTaC training partner; and (b) one printer (or one per division) for printing, transport and installation of IEBCC material. These parties have no contract with FDA; the agency remains solely and fully responsible and no separate payment is made.

9. **Personnel and conduct.** The agency deploys qualified staff, issues identity cards, and ensures courteous conduct in schools, campuses, places of worship, campuses, stations and food businesses. Staff found soliciting money or favours are removed and reported.

10. **Data and consent.** Personal data of students, staff, devotees, vendors and food handlers is collected only for the programme, kept on the FSSAI portal and the agency records, not shared, and deleted by the agency after final payment. Photographs of identifiable children or devotees require written consent. The Digital Personal Data Protection Act 2023 applies.

11. **Records and inspection.** The agency keeps unit-wise files for five years and allows inspection by FDA, FSSAI and Government auditors.

12. **Monthly review.** A monthly review by the Designated Officers on units allotted, started, trained, audited, certified, evidenced and paid; the agency attends and acts on the minutes.

13. **Force majeure.** Neither party is liable for delay caused by events beyond its control, notified within 7 days; the completion date is extended by the period of the event, subject to the funding year.

14. **Termination for convenience.** FDA may terminate a work order with 15 days notice, paying for units completed and Stage 1 work done.

15. **Ownership.** Records, data, photographs and all IEBCC material and artwork belong to FDA.

16. **Intellectual property.** All designs, text, images and other content supplied by FDA or produced under this contract belong to FDA from the time of creation. The agency acquires no right in them and shall not use them for any other purpose without FDA's written permission. It shall indemnify FDA against any claim that anything it adds to or prints on the material infringes the rights of a third party.

17. **Confidentiality.** The agency shall keep confidential all information it obtains about campuses, food businesses, audits and FDA, and use it only for this work. This obligation continues after the contract ends.

18. **Fall clause.** If during the contract period the agency provides the same service at a lower rate to any other Government department in Maharashtra, it shall reduce the Empanelment Rate for FDA to that rate from that date.

19. **Indemnity.** The agency shall indemnify FDA against any claim, loss or penalty arising from the agency's acts or omissions, including any injury or damage in a campus caused by its staff or its declared partners.

20. **Agreement.** Each empanelled agency shall sign an agreement on non-judicial stamp paper of the value required by law within 15 days of the work order. This tender, its corrigenda, the empanelment letter and the work order together form the contract.

21. **Taxes.** The agency is responsible for all taxes and statutory dues relating to its business and staff.

22. **Law.** Food Safety and Standards Act 2006 and Rules and Regulations; FSSAI guidelines for the programme; Maharashtra Government purchase rules; the terms of this tender and the work order, in that order of precedence.

23. Dispute Resolution and Jurisdiction: Any dispute or difference arising out of or in connection with this RFP or the resulting contract shall, in the first instance, be resolved amicably through mutual discussions between the parties. If the dispute remains unresolved, it shall be referred to the Commissioner of Food Safety, Maharashtra, for resolution. If the dispute remains unresolved thereafter, either party may seek recourse through the Government of Maharashtra, as applicable, and the dispute may be referred to arbitration in accordance with the provisions of the Arbitration and Conciliation Act, 1996, as amended from time to time. The seat and venue of arbitration shall be Mumbai, Maharashtra. Subject to the foregoing, the courts at Mumbai shall have jurisdiction over matters arising out of this RFP and the resulting contract.

Subject: Undertaking in respect of Tender No. FDA/ERI/2026-27/01 (Eat Right Campus Programme and IEBCC material).

We, [name of the bidder], submit this undertaking on our letterhead, signed by our authorised representative and bearing our seal, and declare as follows:

1. We are willing to share the campuses with other empanelled agencies, as FDA allots them.

2. We agree to implement the work at the L1 rate fixed through this tender (the Empanelment Rate), whatever price we have quoted ourselves.

3. We understand that this undertaking is essential for the effective coverage of the campuses in Maharashtra, and that if we refuse the Empanelment Rate our EMD may be forfeited.

4. FoSTaC training for our units will be done only by an FSSAI empanelled training partner (ourselves, if so empanelled). The final audit of each unit will be done only by an FSSAI recognised agency through an auditor who took no part in the handholding of that unit. Any printer or partner we engage is declared in Annexure F-10. We are solely responsible to FDA for the whole scope of work. We are not a consortium. We have no conflict of interest with any campus, food business or auditing agency concerned.

Yours faithfully,

[Authorised signatory]

Notes

- The bidder quotes one price per campus for each component. The same price applies to every campus allotted to the bidder, whatever its type or size.
- The total price per campus inclusive of GST is the price on which bids are compared.
- The L1 bidder's prices for components A and B become the Empanelment Rate for every empanelled agency (Part B, clause 10).
- The prices include all costs, taxes and duties other than GST, and no additional payment is admissible (Part D, clause 1).
- No condition may be attached to the prices.

Annexure H: IEBCC material, fixed package per campus

The agency prices this package in Component B. Quantities are the minimum per campus. Artwork for every item is supplied by FDA. Rates are not stated in this tender; the internal estimate of FDA for Component B is based on this package.

Rules for all items

- Artwork: FDA supplies print-ready files (PDF, CMYK, with bleed) for every item, in Marathi with Hindi and English versions, carrying the Eat Right India (FSSAI) and FDA Maharashtra identity. The agency may change only the name of the institution, the district and date fields. No other change to text, logos or colours.
- Sample approval: before bulk printing, the agency submits one printed sample of each item to the Designated Officer of the district, who approves or rejects it within 5 working days on size, material, print quality and language.

- Installation: items are fixed at the places listed, with the permission of the head of the institution or the trust, using non-damaging fixings; the agency removes old or torn material of the programme.
- Replacement: items found damaged or missing at the audit visit or at the Designated Officer sample check are replaced once within 7 days at the agency cost.
- Evidence: delivery note signed by the head of the institution or trust listing item and quantity; geo-tagged, dated photographs of every display point; item count uploaded on the FDA portal within 7 days of installation.
- Material rules: one message per item; type readable from 3 metres; positive wording; no brand names or commercial products; no photograph of an identifiable child or devotee without written consent; Unicode Devanagari fonts.
- Plastic rule: cloth banners are specified in place of PVC flex. Where a flex item is unavoidable the agency confirms compliance with the Maharashtra plastic notification in force.
- Quantities in the table are the minimum per unit. Bidders may offer better material at the quoted price but not less. FDA may change quantities only with a proportional change in the Component B rate.
