Public Notice for Solar Water Pumping System

The applications for 3 HP to 10 HP Solar Water Pumping System were invited on SARAL portal of Haryana Government on first come first serve basis on 23.08.2021. In response, on 09.09.2022 Department has placed work orders for 20,111 nos. solar water pumps which include farmers from earlier waiting and MICADA applicants. Thereafter, few firms have surrendered their allocated quantity of 12,683 nos. pumps on the pretext that the rates discovered by MNRE, GoI through EESL has been expired on 31.05.2022 and the project is not viable for them due to steep rise in cost of raw materials. Further, 1,395 nos. farmers from MICADA/Error lists were in waiting list.

Accordingly, this office has cancelled these work orders and requested MNRE, GOI to guide this office about the penal action that can be taken against a firm for declining new allocation. Thereafter the MNRE has issued instructions that consents may be sought from all 41 nos. technically qualified bidders in all clusters from centralized tender of MNRE for working on old rates in Haryana.

Accordingly, based on the consents received, the following work orders were issued as per details given below which includes farmers from earlier waiting, MICADA applicants and a public notice issued to the remaining farmers for the removal of discrepancies in their documents/payments:-

Sr. No.	**Work order (in nos.)**	**Date of Work order**
1.	4,338	30.09.2022
2.	1,018	14.10.2022
3.	1,086	29.11.2022
Total	**6,442**	

Now, the consents were again sought on 17.03.2022 & based on that, this office has placed the work orders for 5,825 nos. solar water pumps (Annexure-I) to the 8 nos. firms. Balance 1,813 nos. (Annexure-II) applicants (Mostly 5 HP AC submersible & 5 HP DC submersible) are kept in waiting list due to non-availability of interested firms in these categories

So, the applicant farmers of these 5,825 nos. solar water pumps have the following options:-

a. Farmer may accept the revised work order with a new firm.
b. Farmer may choose for refund of beneficiary share.
c. Farmer may wait till finalization of fresh tender with condition that they accept to submit additional beneficiary share in case new rates discovered by MNRE in fresh tender are higher.

Further, there are still 185 nos. applications (Annexure-III) that have shortcoming/discrepancies. Accordingly, all these applicants who have deposited less payment/duplicate virtual account ids/wrong virtual account are requested to submit balance payment to respective ADC office / submit proof of payment done at ADC-cum-CPO-NRE of your district within 15 days so that the same may be considered later on.

Director General,
DNRE Haryana & HAREDA,
Panchkula

Annexure-I

Work Order List-5825
