

Launch of Jeevandan-AP

Cadaver Transplantation Monitoring Web Application

The **Jeevandan Andhra Pradesh** is the official online web application for facilitating, regulating and coordinating deceased donor organ donations (cadaver transplantation) across Andhra Pradesh. Managed under the **Department of Health, Medical & Family Welfare, Government of Andhra Pradesh**, the platform serves as a centralized mechanism to support ethical, transparent and streamlined organ allocation.

Jeevandan Cadaver Transplantation Monitoring Web Application of the **Appropriate Authority for Cadaver Transplantation (AACT)**, available at <https://jeevandan.ap.gov.in/>, has been designed and developed by the **National Informatics Centre (NIC), Andhra Pradesh State Centre**.

The Jeevandan web application was formally **inaugurated on 24 September 2026** by **Dr. A. Vishnu Vardhan, Chairman, Jeevandan-AP and Director of Medical Education, Andhra Pradesh**, at his chamber.

During the inauguration, Dr. A. Vishnu Vardhan appreciated the innovative features incorporated into the Jeevandan web application, particularly its **bilingual support, accessibility features and Content Management System (CMS)**. These features enhance the portal's inclusiveness, accessibility and user-friendliness, thereby facilitating efficient digital delivery of services related to cadaver transplantation in Andhra Pradesh.

Figure 1 Shri Dr.A.Vishnu Vardhan, Chairman Jeevandan-AP & Director of Medical Education, Andhra Pradesh inaugurating the Jeevandan-AP web application.

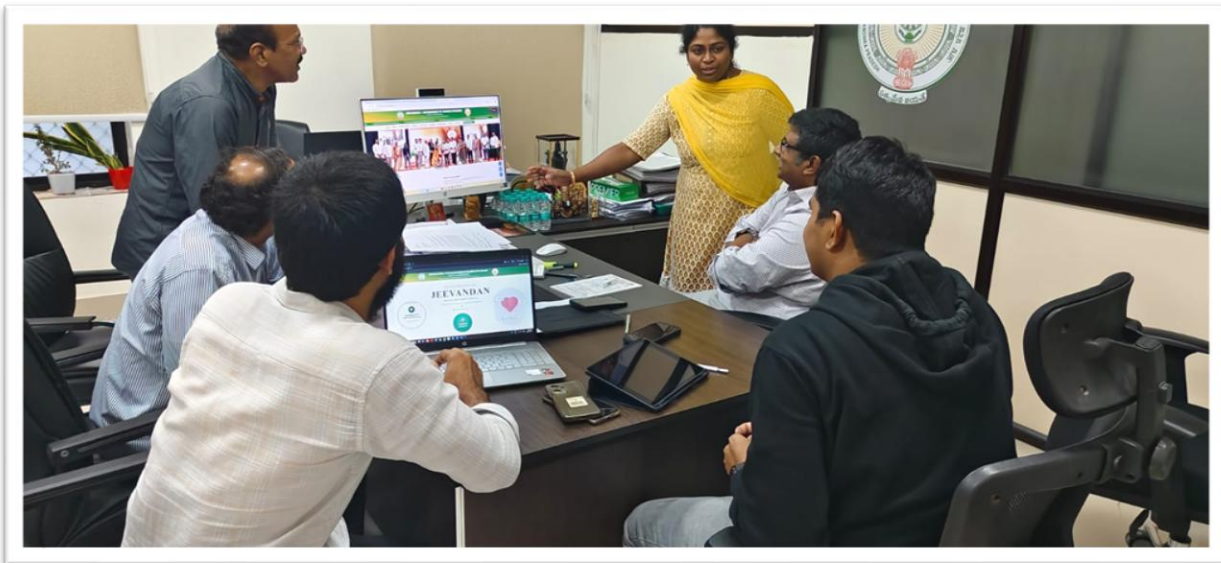

Figure 2 Smt. Revathi Vanga, Scientist-D, NIC AP, explaining the new features of the web application to Chairman & DME Shri Dr. A. Vishnu Vardhan and Jeevandan staff.

Shri Ch.V.B.S. Subba Rao, Director (IT), NIC Andhra Pradesh, provided continuous guidance and support for the development and implementation of the Jeevandan web application.

Shri S. Madhusudana Rao, Deputy Director General, Additional State Informatics Officer and HoD, NIC Andhra Pradesh, coordinated with all stakeholders and extended continuous support to the project team for the successful implementation of the application.

Shri S.V. Ch. Subbarao, State Informatics Officer, NIC Andhra Pradesh, appreciated the entire project team for their dedicated efforts and contribution towards the successful development and launch of the Jeevandan-AP web application.

The successful launch of Jeevandan-AP marks another significant initiative of **NIC Andhra Pradesh** towards leveraging digital technology to strengthen transparency, coordination and citizen-centric service delivery in the healthcare sector.
