Report on Observance of Vigilance Awareness Week – 2026

The National Informatics Centre (NIC), Andhra Pradesh, observed Vigilance Awareness Week - 2026 from **26th October to 1st November 2026**, in line with the guidelines and instructions communicated by NIC Headquarters. The programme was conducted at the NIC Andhra Pradesh State Centre, Vijayawada, as well as across all NIC District Centres in the State.

As part of the observance, an Integrity Pledge programme was conducted virtually, connecting officials and staff members from the State Centre and various District Centres. The programme facilitated the collective participation of NIC personnel across Andhra Pradesh in reaffirming their commitment to ethical values and integrity in their professional responsibilities.

The virtual pledge ceremony was presided over by **Shri Priyank Bharti, IAS, Director General, NIC**, who administered the Integrity Pledge to officers and employees across the country. Subsequently, **Shri S.V. Ch. Subbarao, DDG & State Informatics Officer, Andhra Pradesh**, addressed the officers and employees of NIC Andhra Pradesh, emphasizing the importance of honesty, impartiality, accountability, and ethical values in public service. He urged all personnel to uphold the highest standards of professional conduct and remain committed to maintaining integrity in their day-to-day official activities.

The week-long observance underscored the importance of ethical practices, transparency, and accountability in public administration. It also encouraged collective responsibility among employees to prevent corruption and strengthen an organizational culture built on integrity, trust, and commitment to public service.
