Asper thedirectives of Department of Expenditure, this tender document has been published on the Central Public Procurement Portal (URL: <http://eprocure.gov.in>).The

bidders are required to submit soft copies of their bids electronically on the EProcurement System of Haryana Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the EProcurement System of Haryana Portal, prepare their bids in accordance with the requirements and submitting their bids online on the EProcurement System of Haryana Portal. More information useful for submitting online bids on the e Procurement System of Haryana Portal may be obtained at: <http://etenders.hry.nic.in> and/or <http://www.hfdc.gov.in>

- 6.1 Bidders are required to enroll on the e-Procurement module of the EProcurement System of Haryana Portal (URL: <https://etenders.hry.nic.in>) by clicking on the link "Click here to Enroll". Enrolment on the EProcurement System of Haryana Portal is free of charge.
- 6.2 As part of the enrolment process, the bidders will be required to choose a unique user name and assign a password for their accounts.
- 6.3 Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the EProcurement System of Haryana Portal.
- 6.4 Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (DSC) (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify/TCS/ nCode/ eMudhra etc.), with their profile.
- 6.5 Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 6.6 Bidder then logs into the site through the secured log-in by entering their user ID/ password and the password of the DSC/ eToken.

7.0 Searching for Tender Documents

- 7.1 There are various search options built in the EProcurement System of Haryana Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the EProcurement System of Haryana Portal.
- 7.2 Once the bidders have selected the tenders they are interested in, they may download the required documents/ tender schedules. These tenders can be moved to the respective 'MyTenders' folder. This would enable the EProcurement System of Haryana Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- 7.3 The bidders should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

8.0 Preparation of Bids

- 8.1 Bidders should take into account any corrigendum published on the tender document before submitting their bids.
- 8.2 Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of

documents - including the names and content of each of the documents that need to be submitted. Any deviations from these may lead to rejection of the bid.

- 8.3 Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF formats. Bid documents may be scanned with 100dpi with black and white option.
- 8.4 To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "MySpace" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

9.0 Submission of Bids

- 9.1 Bidders should log-in to the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 9.2 The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 9.3 A standard BoQ format has been provided with the tender document to be filled by all the bidders. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.
- 9.4 The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 9.5 The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 9.6 Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 9.7 The bid summary has to be printed and kept as an acknowledgement of the submission of the bid.

Only upon the receipt of the required documents, a digital certificate can be issued. For more details please visit the website – <https://etenders.hry.nic.in>

2.3 The bidders may obtain Class-II or III digital signature certificate from any Certifying Authority or Sub-certifying Authority authorized by the Controller of Certifying Authorities or may obtain information and application format and documents required for the issue of digital certificate from.

2.4 The bidder must ensure that he/she comply by the online available important guidelines at the portal <https://etenders.hry.nic.in> for Digital Signature Certificate (DSC) including the e-Token carrying DSCs.

2.5 Bid for a particular tender must be submitted online using the digital certificate (Encryption & Signing), which is used to encrypt and sign the data during the stage of bid preparation. In case, during the process of a particular tender, the user loses his digital certificate (due to virus attack, hardware problem, operating system or any other problem) he will not be able to submit the bid online. Hence, the users are advised **to keep a backup of the certificate** and also keep the copies at safe place under proper security (for its use in case of emergencies).

2.6 In case of online tendering, if the digital certificate issued to the authorized user of a firm is used for signing and submitting a bid, it will be considered equivalent to a no-objection certificate /power of attorney/lawful authorization to that User. The firm has to authorize a specific individual through an authorization certificate signed by all partners to use the digital certificate as per Indian Information Technology Act 2000. Unless the certificates are revoked, it will be assumed to represent adequate authority of the user to bid on behalf of the firm in the department tenders as per Information Technology Act 2000. The digital signature of this authorized user will be binding on the firm.

2.7 In case of any change in the authorization, it shall be the responsibility of management/ partners of the firm to inform the certifying authority about the change and to obtain the digital signatures of the new person/user on behalf of the firm/company. The procedure for application of a digital certificate however will remain the same for the new user.

2.8 The same procedure holds true for the authorized users in a private/Public limited company. In this case, the authorization certificate will have to be signed by the directors of the company.
