Subject: **Grant of NABL Accreditation as per ISO/IEC 17025: 2017**

Dear Sir,

NABL is pleased to inform you grant of accreditation to your laboratory in accordance with ISO/IEC 17025:2017 in the discipline of Electrical testing as per the scope recommended by the assessment team.

All personnel proposed by the laboratory to report, review and authorize the results are accepted.

Continuation of accreditation is subject to satisfactory annual surveillance. NABL applies an assessment programme of 2 years which consists of annual surveillance and renewal assessment after grant of accreditation. The on-site surveillance of the laboratory will be conducted in November 2023.

Accreditation Certificate No. TC-12854 for Electrical testing with Issue date: 09.01.2024 valid till: 08.01.2026 is in the process of preparation and will be issued to you shortly on Portal. Your lab may use NABL symbol on test reports w.e.f 09.01.2024.

Please note that as per NABL policy, no hard copy of the accreditation certificate will be provided.

The laboratory is required to upload the PT/ILC participation plan on Portal as required by NABL 163 which will be reviewed and approved as detailed in NABL 163.

Being an accredited laboratory of NABL, you must fulfill all the Terms and Conditions laid down in our document NABL-131 (current issue) at all times during the accreditation period. It is also required to strictly adhere to the NABL 133 requirements for use of NABL symbol. In case you wish to use the "NABL Accredited CAB Combined ILAC MRA Mark" in your reports, please submit request for permission through the portal.

The accredited laboratory shall mention the ULR No. on all the test reports. The details for implementation of ULR No. is given in the below link, you are requested to go through the same.
