**FREQUENTLY ASKED QUESTIONS**  
**(B.PHARM. 1<sup>ST</sup> & B.PHARM. 2<sup>ND</sup> YEAR (LATERAL ENTRY))**

- 1. I qualified in CUET (UG)-2025, and I am interested in taking admission in the B.Pharm. program at MMMUT Gorakhpur. Do I need to register on the counselling portal?**

**Answer:** YES. It is mandatory for candidates to register through the official MMMUT 2025 online counselling portal (<https://mmmut.admissions.nic.in/>) to be eligible for seat allocation through the centralized seat allocation process of online counselling. (For details, refer to Sections 4.6 and 5.6 of the Undergraduate Admission Brochure 2025-26).

- 2. I locked my choices but now I would like to make further changes to my choice list. Is it allowed? If yes, how can I exercise the option?**

**Answer:** If you wish to edit your choices after locking but before the first seat allotment, you can do so by first submitting a request to unlock the choices through the online counselling portal.

- 3. The choice filling deadline is already over. Am I allowed to make any changes in my choice list at this point?**

**Answer:** NO. You will not be allowed to edit your choice list after the deadline for choice filling, i.e., you cannot change the order of your choices, add any course, or delete any course from the choice list after the deadline. For more details, refer to Sections 4.6 and 5.6 of the Undergraduate Admission Brochure 2025-26.

- 4. I saved my last filled choice list but forgot to lock them. Now the choice filling deadline is over, and I cannot make any further changes. Will this affect the list of choices that will be considered for allocating a seat to me during the counselling of MMMUT Gorakhpur?**

**Answer:** If you do not lock your choices, the last saved choices will be locked automatically upon reaching the deadline for choice filling. The automatically locked choice list will be considered final for allocating a seat during seat allotment.

5. **I got allocated a seat in a certain round of counselling for the first time, but I am not interested in this seat. I would like to wait for further rounds of counselling to possibly get a better seat in my preference order. Do I need to do anything in the current round?**

**Answer:** If you are allocated a seat in a certain round of counselling, you need to follow the steps for online counselling procedure that includes **(i) willingness to FREEZE or FLOAT, (ii) deposition of seat acceptance fee.** You need to accept the seat and choose an option of **FREEZE or FLOAT.** If you wish to be considered for a seat of higher preference in the subsequent rounds (other than the last round), you should choose the option of **FLOAT.** If you fail to complete the above steps, your allocated seat will be **CANCELLED**, and you will no longer be able to participate in the seat allocation process. For more details, refer to Sections 4.6 and 5.6 of the Undergraduate Admission Brochure 2025-26.

6. **I was allocated a seat in one of the previous rounds and now I have been allocated another seat of higher preference in my choice list. Can I go back to the seat allotted to me in the previous round?**

**Answer:** NO. Once you are allocated a seat of higher preference based on your FREEZE or FLOAT option, your accepted seat from the earlier round will be automatically cancelled, and you cannot revert to the previously allotted seat.

7. **I got allocated a seat of my preference in my choice list in a certain round, and I am satisfied with the allotted program. I do not want to participate in further rounds of seat allocation. What should I do to keep the allocated seat?**

**Answer:** If you are satisfied with the allotted seat and do not wish to participate in further rounds of seat allocation, you need to choose the “**FREEZE**” option while accepting the seat and complete all the steps of the online counselling procedure.

8. **I was allocated a seat in one of the previous rounds and I had chosen the option of FREEZE for the choice of academic program for subsequent rounds. Can I change my option to FLOAT in a subsequent round?**

**Answer:** NO. You cannot change the option to FLOAT if you chose the FREEZE option while accepting the allocated seat. Further, you will not be considered for seat allocation in subsequent rounds (if any) of counselling while your accepted seat remains allocated to you.

9. **Will there be any spot round of seat allocation after the completion of all the rounds of seat allocation?**

**Answer:** There will be a physical spot round if any vacant seats are available after all the regular rounds of seat allocation.

10. **Can a student change the branch in B.Pharm. before the start of the second year?**

**Answer:** B.Pharm. is a single-branch program at MMMUT, so branch change is not applicable. However, students may explore lateral entry options for the second year if they meet the eligibility criteria outlined in Section 5.2 of the Undergraduate Admission Brochure 2025-26.

11. **What is the counselling procedure for B.Pharm. First Year and Second Year (Lateral Entry)?**
