3 PROCESS FLOW

Following is the process of the counselling activities which need to be completed within the specified schedule.

3.1 Registration Process

- All the eligible candidates are required to register online through CSAB portal <https://csab.nic.in> as per the schedule. Earlier registration done on JoSAA/CSAB portal is NOT valid and it will now be NULL AND VOID.
- Online Registration by all eligible candidates will be allowed only once.
- Eligible candidates should log-in using JEE (Main) Application Number and Password of JEE(Main)/Password updated during Advanced registration/JoSAA/CSAB (whichever is latest).
- During Registration, candidates can update their State of Eligibility (XII Passing Place), Nationality, Gender in the following ways:
 - o Updation of gender from any to any is permitted.
 - o Updation of State-of-Eligibility from any to any is permitted.
 - o Updation of Nationality from any to any is permitted

3.2 Choice Filling

- All the successfully registered candidates must fill the fresh choices.
- The previously filled Choices during JoSAA/CSAB rounds (if any) stands NULL AND VOID. The fresh choices are required to be FILLED CAREFULLY and save them frequently during the registration schedule.
- Candidates are advised to LOCK their choices after finalizing the choices list otherwise it will be Auto-Locked after choice locking schedule and will be considered for seat allotment.
- Only after locking of choices, either by candidate or system locked, candidate can take print out of locked choices.

3.3 Seat Allotment

- The choices finally submitted and locked by the candidates or system locked, will be processed in order of Rank and candidate's preferences as per approved Seat Allotment Algorithm.
- Seat allotment will be carried out according to JEE (Main) ranks (CRL) for the vacant seats.
 - Candidates are permitted to fill choices for all the branches as available in the published seat matrix. Allotment will be made only for balance number of seats (after deducting seats filled in normal course of allotment in Home State quota from the total supernumerary seats for that UT).

For example: There are 33 Supernumerary seats for Lakshadweep. Say, till special vacant seat filling round, 10 candidates from Lakshadweep have got admission in NIT Goa in Home State quota. Out of these 10 students, say, 4 candidates decide to withdraw from NIT Goa seat, resulting only 6 students from Lakshadweep retaining their seats in NIT Goa. Hence 27 (33 - 6) seats will be allocated in NIT Calicut for students of Lakshadweep according to their CRL Rank.

3.4 Seat Acceptance Fee

- Rs. 15,000 for candidates with the category tag SC, ST, GEN-PwD, GEN-EWS-PwD, OBC-NCL-PwD, SC-PwD or ST-PwD and Rs.35,000 for all other candidates (the fee includes Rs. 2000 JoSAA processing charges).
- The seat acceptance fee excluding CSAB Supernumerary processing charges will be adjusted against the admission fee.
- After allotment of seat, candidate has to pay seat acceptance fee (which includes CSAB Processing charges of Rs 2000/-) and required to upload their documents on the CSAB- 2021 portal to carry out the document verification online.

- Candidates who have already paid the seat acceptance fee/participation fee during JoSAA/CSAB rounds and withdrawn or seat was cancelled are not required to pay the seat acceptance fee. The amount will be carry forwarded to supernumerary round after deducting processing charges of JOSAA and CSAB rounds as applicable. (For such candidates the supernumerary round processing charges of Rs 2000/- will be deducted from the amount carry forwarded from JOSAA and CSAB rounds.)

3.5 Document upload

Candidates who have been allotted a seat have to upload their documents excluding the candidates whose document has already been verified during JoSAA/CSAB rounds.

3.6 Document verification

Candidates (whose documents were not verified during the JoSAA/CSAB rounds) have to go through the online document verification process as per the schedule. During document verification process there may be **query(ies) raised** by Verifying Officers. These **queries(ies) have(ve) to be resolved** by the candidate by **responding to the query(ies)** through their account on CSAB-2021 portal within the given scheduled deadline.

3.7 Online / Offline Institute Reporting

All the candidates whose seat has been confirmed, will have to report in online / offline mode as per the instructions published on the Allotted Institute website as per schedule and complete all the admission modalities and pay the balance Institute Fee (as applicable).
