5. Process Flow

Following is the process of the seat allocation activities which need to be completed within the specified schedule.

All PwD candidates who have registered for CSAB-2023 Supernumerary Round are required to visit one of the verification centers (NIT Calicut, NIT Durgapur, SVNIT Surat) of their choice for physical verification along with a copy of the PwD certificate(s). The verification can be done in one of the following two intervals:

Interval 1: During the choice filling period 22 – 23 Aug, 2023.

Interval 2: During the document verification period 24 – 25 Aug, 2023.

Before candidates come for physical verification, they are required to book a verification slot from their CSAB portal. It is the candidate's responsibility to plan their travel accordingly.

5.1. Online Registration

- All the eligible candidates are required to register online through CSAB portal at <https://csab.nic.in> as per the schedule. Earlier registration at JoSAA/CSAB Special Round, if any, is NOT valid for CSAB 2023 Supernumerary Round.
- Online Registration by all eligible candidates will be allowed only once.
- Eligible candidates should log-in using JEE (Main) 2023 Application Number and Password of JEE (Main) 2023 or Password updated during JEE Advanced or JoSAA2023 or CSAB-Special Round (whichever is the latest).
- Candidates other than those whose documents have been verified at NIT+ System during JoSAA/CSAB Special Rounds, can update their State of Eligibility (XII Passing Place), Nationality and Gender during online registration in the following ways:
 - Updating Nationality from any to any is permitted. Note that Only Indian Nationals are eligible for CSAB-Supernumerary Round.
 - Updating Gender from any to any is permitted.
 - Updating State of Eligibility (Passing Place of Class XII or equivalent): Any to any change is allowed.

5.2. Online Choice Filling and Locking

All successfully registered candidates must fill in fresh choices of academic programmes.

- The previously filled choices during JoSAA/CSAB Special rounds (if any) stands NULL and VOID. The fresh choices are required to be FILLED CAREFULLY and should be saved frequently during the registration schedule.
- Candidates are advised to LOCK their choices after finalizing the choice list otherwise it will be Auto-Locked after choice locking schedule and same will be considered for seat allocation.
- Only after locking of choices, either by candidate or system locked, candidate can take print copy of locked choices.

5.3. Online Publication of Seat Allocation Result

- The choices finally submitted and locked by the candidates or system locked, will be processed with the approved Seat Allocation Algorithm in order of Rank and candidates' preferences of academic programmes.
- Seat allocation will be done as per merit according to JEE (Main) 2023 CRL rank for the available seats.
- Candidates are permitted to fill choices for all the branches as available in the published seat matrix. Allocation will be made only for balance number of seats (after deducting seats filled in normal course of allotment in Home State quota from the total supernumerary seats for that UT).

For example, there are 47 seats for the candidates of the UT of Andaman & Nicobar Islands, and during JoSAA and CSAB Special Rounds, these seats are supposed to be occupied in NIT Puducherry under Home State quota. Let us assume that at the end of all rounds of JoSAA and CSAB Special Rounds, only 13 candidates of Andaman & Nicobar Islands are eligible

for physical reporting at NIT Puducherry under Home State quota. In such scenario, the remaining $47 - 13 = 34$ seats will be made available for allocation as Supernumerary seats at NIT Durgapur for the candidates of Andaman & Nicobar.

5.4.Document Uploading and SAF Payment

The SAF amount is ₹ 40,000/- for GEN/GEN-EWS/OBC-NCL candidates and ₹ 20,000/- for SC/ST/PwD candidates.
- The SAF includes ₹ 4,000/- CSAB Supernumerary processing charge.
- The SAF, excluding the CSAB Supernumerary processing charge, will be adjusted against the admission fee.
- Any fee paid during JoSAA and/or CSAB-2023 Special Rounds shall be adjusted towards CSAB-2023 Supernumerary admission fee after deducting applicable charges of JoSAA and CSAB-Special rounds.

5.5.Document verification
