## 1. INTRODUCTION

National Testing Agency (NTA) and Central Seat Allocation Board (CSAB) are two different and independent boards. NTA conducts Joint Entrance Examination [JEE (Main)] and publishes the Common Rank List (CRL). CSAB-2024 uses the CRL prepared and published by NTA for seat allocation purposes. The same CRL will be used by CSAB NEUT for admission to Engineering/Architecture courses. CSAB-2024 or CSAB NEUT-2024 will use the candidate's data and CRL of JEE (Main)-2024 as provided by NTA without any modification. Centrally Funded Institutions of India admit students through JEE Paper 2 for five-year Bachelor of Architecture (B. Arch) course. However, qualifying in National Aptitude Test in Architecture (NATA) is mandatory for entry in some of the admitting institutes other than Centrally Funded Institutions. Candidates are advised to visit the website of the respective institution to ensure that they fulfill all the eligibility criteria as stipulated by the admitting institution.

Government of India has an ongoing scheme of reservation of seats in Engineering / Technology / Architecture / Pharmacy courses conducted at degree level Technical Institutions across the country, for students belonging to 08 North East States (Arunachal Pradesh, Assam, Meghalaya, Mizoram, Manipur, Nagaland, Sikkim and Tripura) and 05 Union Territories (Dadra & Nagar Haveli, Daman & Diu, Andaman & Nicobar Islands, Lakshadweep and Ladakh) which do not have engineering colleges/polytechnics or have lack of facilities for education in specific field of technical education and for certain categories including foreign students. In order to have maximum possible participation of eligible students with utmost transparency, the Ministry of Education (erstwhile Ministry of Human Resource Development, MHRD) has taken a decision of conducting seat allotment on such seats through a Centralized Seat Allotment Board for North Eastern States and Union Territories (CSAB NEUT-2021). Since 2021, North Eastern Regional Institute of Science and Technology (NERIST), Itanagar, Arunachal Pradesh has joined as Participating Institute for admitting students in different courses from the various north eastern states of the country. CSAB NEUT-2024 will make allotment of seats to candidates on the basis of their CRL in JEE (Main)-2024 to the first year of Engineering/Technology and Architecture courses. Allotment for pharmacy will be on the basis of aggregate percentage of marks obtained in class XII. It is important to note that, CSAB NEUT-2024 will make allotment of seats (Engineering, Architecture and Pharmacy) to only those candidates who belong to the above-mentioned northeastern states and union territories.

Candidates are advised to read information brochure carefully and visit CSAB Portal (<https://csab.nic.in>) regularly for updates and for details regarding the entire online admission process as no postal communication will be used.

**The entire admission process will consist of two rounds, to be conducted by CSAB NEUT-2024. A spot round will be conducted by the respective DTEs of North Eastern States/UTs and NERIST Itanagar, based on the requirement after the completion of the initial two rounds.**

All the registered candidates, after successful document verification, are required to fill their choices of branches and institutes in order of their preference. The detailed procedure is outlined below:

- i. Candidates must ensure that the pop-ups are enabled on their internet browser before online choice filling.
- ii. All choices (available seat information) relating to Institutes, disciplines (Engineering/Technology and Architecture), branches (e.g., Electronics Engineering, Computer Science, etc.) will be displayed. Candidates should check from the websites of the respective Institutes if there are any special restrictions or special criteria, and should fill only those choices for which they are eligible:

*For example, in some institutes female/ PwD candidates may not be eligible for Mining branch. Even if these seats are visible in the choice matrix, female / PwD candidates should not fill them as their choice. Additionally, some colleges are exclusively for Girls. In case these seats are filled by male candidates, and allotment is made to them, CSAB NEUT-2024 shall not be responsible in any manner for any consequences including denial of admission by the college despite issuance of allotment letter. Some Institutes may offer five-year programs. B. Arch. Program is of five-year duration.*

### 3.2 Saving and Locking of choices

- i. Candidates, after filling up their choices must SAVE their choices.
- ii. **'SAVING'** a choice is NOT the same as **'LOCKING'** a choice. A choice that is only saved but not locked, can be retrieved later and modified. The modified choice has to be saved again and the previously filled choices will be lost once the new choices are saved. But a choice that is locked cannot be modified again.
- iii. Candidates are permitted, if they so desire, to change or re-order their choices, delete or edit earlier choices and add new choices any number of times until they lock their final choices. Choices once locked **cannot be edited/altered**. Choices should be positively locked before the scheduled date and time.
- iv. Once the choices are finalized, the candidates MUST lock their choices before the deadline. **The locking of choices involves a few steps after the LOCK button is clicked. This includes entering the password, confirming the locking, etc. Candidates should follow all the steps carefully to complete the locking procedure.**
- v. If a candidate wishes to edit their choices after locking but before the choice filling deadline, they can do so by first submitting a request to unlock in the online CSAB portal. An OTP will be sent to the registered mobile and email, which can be used to validate the unlock request. Once validated, the candidate's choices will be unlocked for editing.
- vi. A printable version of the choices along with the terms and conditions agreed by the candidate at the time of registration will be displayed once the choices are locked.
- vii. Candidates must download the PDF of the locked choices, (which also contains terms and conditions), sign it, and keep it for their own records.
- viii. If a candidate fails to explicitly lock his/her choices before the deadline, his/her **last saved choices will be automatically locked**. Candidates are therefore strongly advised to lock their choices themselves and secure a printout of these locked choices. Registered candidates who do not fill any choices or fail to save them even once will not be considered for admission and seat allotment.
