

The '**Tentative Seat Vacancy Matrix**' published is indicative. Additional vacancies will be created as and when the candidates who already got the seats during JoSAA rounds in the NIT+ System move to their better choices during the CSAB Special Round Counselling (if they register for CSAB Special Round counselling).

All the registered candidates are **STRONGLY ADVISED TO FILL THE CHOICES OF THEIR INTEREST** irrespective of the vacancies indicated for a specific program at an institute published in the '**Tentative Seat Vacancy Matrix**'.
