1. INTRODUCTION

National Testing Agency (NTA) and Central Seat Allocation Board (CSAB) are two different and independent boards. NTA conducts JEE (Main) examination and publishes the Common Rank List (CRL). CSAB-2025 uses the CRL prepared and published by NTA for seat allocation purposes. The same CRL will be used by CSAB-NEUT for admission to Engineering/Architecture courses. CSAB-2025 or CSAB NEUT 2025 will use the candidate's data and CRL of JEE (Main) -2025 as provided by NTA without any modification. **Qualifying in National Aptitude Test in Architecture (NATA) is mandatory for entry in the five-year Bachelor of Architecture (B. Arch) course. However, Centrally Funded Institutions of India that admit students through JEE paper 2 are exempted from NATA in 2025. Candidates are advised to visit the website of the respective institution to ensure that they fulfill all the eligibility criteria as stipulated by the admitting institution.**

Government of India has an ongoing scheme of reservation of few seats in Engineering/Technology/Architecture/Pharmacy courses conducted at degree level Technical Institutions across the country, for students belonging to 08 North East States (Arunachal Pradesh, Assam, Meghalaya, Mizoram, Manipur, Nagaland, Sikkim and Tripura) and 05 Union Territories (Dadra & Nagar Haveli, Daman & Diu, Andaman & Nicobar Islands, Lakshadweep and Ladakh) which do not have engineering colleges/polytechnics or have lack of facilities for education in specific field of technical education and for certain categories including foreign students. In order to have maximum possible participation of eligible students with utmost transparency, the Ministry of Education (erstwhile Ministry of Human Resource Development, MHRD) has taken a decision of conducting seat allotment on such seats through a Centralized Seat Allotment Board for North Eastern States and Union Territories (CSAB NEUT-2021). Since 2021, North Eastern Regional Institute of Science and Technology (NERIST), Itanagar, Arunachal Pradesh has joined as participating Institute for admitting students in different courses from the different north eastern states of the country. CSAB NEUT-2025 will make allotment of seats to candidates on the basis of their CRL in JEE (Main)-2025 to the first year of Engineering/Technology, Architecture courses. **Allotment for pharmacy will be on the basis of percentage of marks obtained in class XII.** It is important to note that these seats are **other than those offered** through CSAB-2025, which is for NITs, IIITs & GFTIs.

Candidates are advised to read information brochure carefully and visit CSAB Portal (<https://csab.nic.in>) regularly for updates and for details regarding the entire online admission process as no postal communication will be used.

The entire admission process will consist of two rounds, to be conducted by CSAB NEUT-2025. It may be followed by a spot round, which will be conducted by the respective DTEs of North Eastern States/UTs and NERIST Itanagar.

3. FILLING UP OF CHOICES, SAVING AND LOCKING

3.1 Filling up of Choices

All the registered candidates, after successful document verification are required to fill their choices of branches and institutes in order of their preference. The detailed procedure is outlined below:

- i. Candidate must ensure that the pop-ups are enabled on their internet browser before online choice filling.
- ii. All choices (available seat information) relating to institutes, disciplines (Engineering/Technology and Architecture), branches (e.g., Electronics Engineering, Computer Science, etc.) will be displayed. Candidates should check from the websites of the respective Institutes if there are any special restrictions or special criteria, and should fill only those choices for which they are eligible:

For example, in some institutes seats for Mining may not be for female and PwD candidates. Even if these seats are visible in the choice matrix, female and PwD candidates should not fill them as their choice. Additionally, some colleges are exclusively Girls' College. In case these seats are filled by male candidates and allotment to them is made on those seats, CSAB NEUT-2025 shall not be responsible in any manner for any consequences including denial of admission by the college despite issuance of allotment letter. Some Institutes may offer five-year programs. B. Arch. Program is of five-year duration.

- iii. Candidates can, and should, fill in maximum numbers of choices in the order of their preference from the list of available seat choices.
- iv. For **Pharmacy**, separate choice filling has to be done by logging into the portal specific for Pharmacy candidates as mentioned in Section 2.1.

3.2 Saving and locking of choices

- i. Candidates, after filling up their choices must SAVE their choices.
- ii. 'SAVING' a choice is NOT the same as 'LOCKING' a choice. A choice that is only saved but not locked, can be retrieved later on and modified. The modified choice has to be saved again and the previously filled choices will be lost, once the new choices are saved. But a choice that is locked cannot be modified again.
- iii. Candidates are permitted, if they so desire, to change or re-order their choices, delete or edit earlier choices and add new choices any number of times until they lock their final choices. **CHOICES ONCE LOCKED CANNOT BE EDITED/ALTERED**. Choices should be positively locked before the scheduled date and time.
- iv. Candidates MUST lock their choices only after they have finalized them but, within the scheduled date and time. **The locking of choices involves a few steps after the LOCK button is clicked. This includes entering the password,**

confirming the locking, etc. Candidate should follow all the steps carefully to complete the locking procedure.

- v. A printable version of the choices along with the terms and conditions agreed by the candidate at the time of registration will be displayed once the choices are locked.
- vi. Candidates must download the PDF of the locked choices, (which also contains terms and conditions), sign it, and keep it for their own records.
- vii. If a candidate fails to explicitly lock his/her choices before scheduled date and time, his/her **last saved choices will be automatically locked** after the deadline. Candidates are therefore strongly advised to lock their choices themselves and secure a print out of these locked choices. Registered candidates who do not fill any choices or fail to save them even once will not be considered for admission and seat allotment. Candidates can login again after locking the choices; **the locked choices will be displayed but cannot be modified or altered.**

4. ONLINE SEAT ALLOTMENT

As per the allotment policy, seat allotment will be done in two rounds.

4.1 First Round of Seat Allotment and Online Reporting

The seat allotment result will be displayed on CSAB Portal. Individual allotment letters will not be sent to the candidates. Therefore, candidates are advised to visit the CSAB Portal for seat allotment. A general message *via* email or SMS will be sent to the candidates who are allotted a seat. ***No individual allotment letters will be sent to candidates who get a seat allotted.***
- After the declaration of **First Round** of seat allotment, all the candidates who have been allotted a seat, will require to do the following activities ***failing which their seat allotment shall stand cancelled. Also, they will not be considered for second round of seat allotment.***
- Online payment of seat allotment/acceptance fee (SAF) of an amount of **Rs 5,000/-** (Rupees five thousand only) in favour of **CSAB-2025 using Net Banking/** Debit card / Credit card or State Bank of India e-challan.
- Candidates are required to exercise **one of the following three options** to indicate their willingness:
 - i. **Option-I (Float)**, if they wish to be considered in the next round for all of their higher preference choices (i.e., across institutes).
 - ii. **Option-II (Slide)**, if they wish to be considered in the next round for their higher preference choices only within the institute allotted to them.
 - iii. **Option-III (Freeze)**, if they are satisfied with the currently allotted seat;

therefore, their higher preference choices will not be considered in the subsequent round i.e. Second Round.

- If a candidate opted for **Option-III (Freeze)** then, his/her allotment will be automatically communicated to the respective DTEs of States/UTs/NERIST for their approval. The respective DTEs of States/UTs/NERIST, after online verification of candidate's eligibility of admission to the allotted Institute, State of Domicile, PwD status (if any), PRC (if applicable) will approve the allotted seat to the candidates in the scheduled duration. After approval of the respective DTEs of States/UTs/NERIST, candidates will be able to download and print **Provisional Admission Letter (PAL)**. Candidate should **report to the allotted Institute for admission** as per schedule along with the **PAL** and other **necessary documents in original**.
- Candidates should be aware of the fee structure of the institutes where they are interested to take admission. The fee structure of different participating institute may be different. For details about the infrastructure, hostel facility, fees, placement record etc., candidates are advised to contact the respective institute or to visit their website. CSAB NEUT-2025 is confined only to allotment of the seats in the participating institute and will not be responsible for any claim made by any particular institute.
- Moreover, if a student reports and joins at the allotted Institute and makes the payment of fees etc. but subsequently quits the college, the fee etc. deposited at the Institute may or may not be refunded by the Institute. CSAB NEUT-2025 will not be responsible for this in anyway.
- If candidates opted Option-I (Float) or Option-II (Slide) then, he/she has to **wait for 2nd and final round** of seat allotment.

4.2 Second Round of Seat Allotment and Online Reporting

- Second round of seat allotment will be processed as per business rules and result will be displayed on the CSAB portal. A general message will be sent to the candidates who are allotted a seat via email/SMS.

- Second round of seat allotment will be made against vacant seats available after the first round of allotment and online reporting *i.e.*, number of candidates not reported after first round OR not paid seat acceptance fee and not submitted willingness.
- Seats thus falling vacant (**vacant seats**) will be considered for allotment in the second round of allotment, which involves sliding of allotted seats to higher choices (if opted by the candidates) and allotting seats to other candidates on the seats becoming vacant due to sliding, as per their choices, merit and as per the business rules of the respective States/UTs/NERIST. However, only those

candidates are considered in second round who are already registered before the first round (*i.e.*, no fresh registrations are allowed in the second round).

The respective DTEs of States/UTs/NERIST, after online verification of candidate's eligibility of admission to the allotted Institute, State of Domicile, PwD status (if any), PRC (if applicable) will approve the allotted seat to the candidates in the scheduled duration. After approval of the respective DTEs of States/UTs/NERIST, candidates will be able to download and print **Provisional Admission Letter (PAL)**. 5. SEAT WITHDRAWAL

Those candidates, who have a seat allotted to them either from the first round or from the second round, can withdraw their seat in the stipulated time frame after the second round if they want so, through the CSAB Portal. Such candidates will be re-funded Rs.4000/- out of Rs. 5000/-. **This refund will be made by CSAB-2025 after the counselling process is over.** Such candidates will forfeit their claim on the allotted seat. They may still participate in the spot round (if any) conducted by the respective DTE/NERIST.
