SHORT TERM PROJECT TRAINING PROGRAMME FOR MANAGEMENT UNDERGRADUATES

National Informatics Centre (NIC), is a premier ICT organization under Ministry of Electronics & Information Technology (MeiTY), Government of India. NIC spearheaded “Informatics-Led-Development” by implementing ICT applications in sectors including Finance, Health, Agriculture, Food supplies, Education, Industry, Labour, Revenue, Excise etc. and facilitates the electronic delivery of services to the government (G2G), business (G2B), citizen (G2C) and government employee (G2E).

Under each sector, NIC is having a large set of business process mappings and datasets which are certainly a treasure for study and analysis by students pursuing Management courses in your esteemed organization. Students can have a rare opportunity for interacting with senior officials dealing with specific sector and proper understanding of the domain.

Applications are invited from enthusiastic students pursuing MBA who are keen to learn on the how-to of various information channel strategies between government to public and government to government subsidiary channels across various core e-governance sectors and the data flow implemented by various IT systems to study, analyse and develop the AS-IS document including Infographics and Data analytics etc. as a part of their training.

Eligibility: Final year MBA/PGDM students of recognized MBA institutes. List of institutes is attached with this notice.

Intake: Maximum intake fixed is 30 students in total with a capping of 2 students nominated from each college. However, the state centre administration reserves the right to increase/decrease the maximum intake as per capacity at later stages.

Start date: Expected start of the short term project training date is 1st April, 2021

Duration: A standard project study time of 10-15 days (extendable to a reasonable sub period for report completion) has been stipulated by the office.

Remuneration: There is no provision of stipend/internship. However, NIC would provide the Certificate of Appreciation on behalf of Ministry of Electronics & Information Technology (MeiTY), Government of India for the project analysis and documentation submitted by the candidates.

Location: Study ground station will be at NIC State Centre, Mantralaya (Mahandi Bhawan), Nava Raipur Atal Nagar, with short study visits to various government departments stationed at Raipur as well as Naya Raipur.

Field: Shortlisted candidates will have the option to opt for various core e-governance sectors like Health, Revenue, Labour, Land Record, Agriculture, Food and PDS, Education etc.

Interested students may apply for selection to Head, Training Division, NIC State Centre, Chhattisgarh in the form attached.

Last date: For sending nominations by college/institute heads is 15 days after publication of this notice.

Nominations are to be sent by e-mail or post, with address as follows:
