

Exposure Visit of new recruits of NIC Chhattisgarh to Dhamtari District

A one-day exposure visit of newly joined NICians was planned on 28th August 2021 to Dhamtari District, Chhattisgarh.

Shri Upendra S. Chandel, DIO, Dhamtari welcomed the new NICians with Rose buds

DIO NIC took them on a round of the NIC District Centre and explained the role of DIO in the implementation of e-governance initiatives.

They witnessed the eGovernance review meeting where in a detailed presentation on e-Governance applications rolled out in Dhamtari District was given by DIO NIC in presence of the Collector, Shri P.S. Alma, IAS, Dr. A. K Hota, DDG & SIO, Shri A. K. Somashekhar, Scientist-F & ASIO (Dist.), Shri Satyesh Kumar Sharma, Technical Director & DGM NICS I and all senior officers of the district.

Group photo of Newly joined NICians with the Collector and other Dignitaries

Collector interacted with newly joined NICians and gave valuable suggestions for their future assignments. He hosted the lunch for the visiting team.

The Collector facilitated the team to visit the Gangrel Dam, a popular tourist spot of Dhamtari District. Gangrel Dam, also known as Ravishankar Dam, built across the Mahanadi River is the biggest and the longest dam in the province of Chhattisgarh. The reservoir also features a Gangrel Hydel Power Project which generates power for nearby regions.

Few Snaps of visit to the Dam and nearby places
