

NIC Chhattisgarh shared Covid experience in eGovernance Summit

Express Computer in partnership with Oracle and Electronics & IT department, Chhattisgarh has organized eGovernance Summit on 26th November 2021 at Hotel Hyaat, Raipur.

Inaugurating the summit, the Chief Guest Shri Subrat Sahoo, IAS, Addl. Chief Secretary to Hon'ble CM and Electronics & IT department, shared his experience in managing Covid situations both in first and second waves. He pointed out that by the time foolproof IT solution could be made ready the 1st wave was over and the 2nd wave came with

altogether new challenges. To handle such situations effectively he called for more proactive and timely support from IT communities.

Shri Sameer Vishnoi, IAS, Commissioner, Commercial Taxes, and Joint Secretary, Electronics & IT department –cum– CEO, CHiPS addressing on the occasion shared the vision of the government towards eGovernance implementation.

Dr. A. K. Hota, DDG & SIO, NIC Chhattisgarh joining as Guest of Honour, highlighted the contribution of NIC during Covid pandemic and thereafter. He cited different case studies and informed how innovative ideas supported by Governance process reengineering delivered a number of services at door steps of citizen making services faceless. Taking the initiatives ahead he called for use of latest technologies, integration of applications running in silos and to follow data driven insights for policy making.

Participants from various domains including GST, Treasury, Police, Chhattisgarh Medical Corporations etc. shared their experiences.

HoDs of NIC Chhattisgarh actively participated in the interaction session.
