S. Senger, Vice-Chancellor, IGKV, Shri Anand Mishra, Former MLA and board member of IGKV, Dr. Ravi R. Saxena, Associate Director Research, IGKV, Shri Abhijeet Kaushik Scientist-C and Officials from the IGKV & Agriculture Department.

Photo: Dignitaries during the inaugural function.

E Krishi Panchang 2022 mobile app has been developed in collaboration with Indira Gandhi Agricultural University and NIC Raipur in guidance and directives of Dr. A. K. Hota, DDG & State Informatics Officer, NIC CG and Shri YVS Rao, Senior Technical Director to make farming more accessible through digital revolution to the farmers on the occasion of New Year. This app is the first app of the country with its features, which sends daily advice to the farmers on crop-wise and season-wise agricultural works according to their tehsil.

Leaflet: Inauguration Leaflet of e Krishi Panchang Mobile APP

This app provides weather forecasts to the farmers, information about agricultural schemes of the National and state, information of agricultural equipment, major Agriculture tasks of the month, videos of various crops for advanced farming, farmers diary and all the information related to Hindi Panchang to the farmers at their home.

Leaflet: About App, Silent Features and how to use manual.
