

Chhattisgarh Legislative Assembly:
Online Answer Submission
3 days Training on e-Prashna & e-Uttar application portal
for Monsoon Session 2022

“Chhattisgarh Legislative Assembly took another step towards less paper”

<https://www.vidhansabha.cg.nic.in/euttar/>

The training was intended to familiarize the Nodal officers of all departments of Government of Chhattisgarh to submit answers online to be asked during question hour of the upcoming Monsoon Session, 2022 and the new features added in the process i.e **Prithak, Puanareekshit, Shanshodhan and Apoorna**

Uttar. Towards this, training sessions for the Nodal Officers of all departments with their Technical Assistants were organized with technical support from NIC CG Raipur from **dated 15.07.2022 to dated 17.07.2022** in the committee room of Mantralaya, Capital Complex. In this training session, the department nodal officers were described on theoretical and practical subjects relating to online submission of answers. Officers and Technical Assistants who were unable to physically attend the programme, joined the training session online through BharatVC. E-Uttar Portal, an innovative web application for online submission of answers has been prepared under the guidance of Shri T.N.Singh, SIO, NIC Chhattisgarh with able support from NIC Madhya Pradesh state unit officers. The team members of NIC involved in this training session were Shri Satyesh Sharma, Technical

Director, Shri Saurabh Dubey, Scientist C, Smt. Jyoti Sharma, Scientist B and other NICSI programmers. This application was recently rewarded renowned national level **IMC Digital Technology Awards** .
