CHAPTER - 1

CONCEPT OF TRAINING IN NCC

Introduction

1. During First World War, Britisher’s created the University Corps with an aim for second line of defence and also to have a large pool of trained youth available for employment into the Armed Forces. NCC in India was conceptualized and raised before independence, mainly with an aim to groom the youth, boys and girls both, nurture them and channelize their energy towards nation building by making them responsible citizens.

2. After independence, the present day NCC came into existence on 16 Apr 1948, through XXXI Act of Parliament. NCC was formally inaugurated on 15 Jul 1948. CHAPTER - 2

ORGANISATION OF THE NCC

1. The NCC is a voluntary organization which is administered through the Ministry of Defence. The Defence Secretary is overall in charge, who is responsible to the Govt of India for efficient functioning of the NCC and other matters. At the Headquarters level, this organization is headed by an officer of the rank of Lieutenant General who is responsible for the functioning of the NCC in the country. There are 17 Directorates located in the state capitals headed by an officer of the rank of a Major General / Brigadier or equivalent from the three Services. Depending upon the size of the state and growth of NCC in the states, Directorates have up to 14 Group Headquarters under them through which they exercise their command and control of the organization in the state. Each group is headed by an officer of the rank of Brig / Colonel or equivalent known as Group Commander.

2. Each NCC Group Headquarters controls 5-7 NCC units/battalions, commanded by Colonel / Lieutenant Colonel or equivalent. Each battalion consists of companies which are commanded by the Associate NCC Officers (ANO) of the rank of Lieutenant, Captain or Major. In all, there are 95 Group Headquarters in the country who exercise control over a network of 777 Army Wing Units (including technical and girls unit), 61 Naval Wing Units and 61 Air Squadrons.

3. There are two training establishments namely Officers Training School, Kamptee and Officers Training Academy, Gwalior for where professors and teachers from colleges and schools are specially trained to impart training to the cadets as Associate NCC Officers (ANOs).

4. Outline Organization and structure of NCC is as under: -
**NCC Staff**

5. NCC is staffed by the following:-
   (a) Regular officers drawn from the three services.
   (b) Whole Time Lady Officers (WTLO), who are from NCC.
   (c) Associate NCC officers (ANO), who are professors and teachers.
   (d) Girl Cadet Instructors (GCI), who are from NCC.
   (e) Permanent Instructional (PI) Staff from army, navy and air force.
   (f) Civilian Gliding Instructors.
   (g) Civilian Staff.

6. **Spread of NCC.** The NCC covers 15,722 No of Institutes (3600 Pvt + 12,102 Govt) schools and 5377 colleges spread over 670 districts in the country.

7. For a str of 13.5 lakhs cadets, the NCC has 17 Dtes headed by Maj Gens or equivalents, 95 Group Headquarters headed by Brigadiers or equivalents, 777 Army Wing units including Technical and 115 Girls units, 61 Air Wing units and 61 Naval Wing units.

8. The NCC is staffed by 1770 Armed Forces Officers, 10910 Junior and Non-Commissioned Officers of the Defence Forces, 115 whole time lady officers, 635 girl cadet instructors or GCI and 15,954 Associate NCC Officers who are college professors and school teachers.

9. **Peace Est (PE) NCC Girls Bn (2-7 Coys) – As per 1979 PE is att as Appx A**

**NCC Motto & NCC Flag**

10. The need for having motto for the Corps was discussed in the 11th Central Advisory Committee (CAC) meeting held on 11 Aug 1978. The mottos suggested were "Duty and Discipline"; "Duty, Unity and Discipline"; "Duty and Unity"; "Unity and Discipline". The final decision for selection of "Unity and Discipline" as motto for the NCC was taken in the 12th CAC meeting held on 12 Oct 1980.

11. The NCC flag for various units of the NCC was first introduced in 1951. The flag was of same pattern, color and size as was used by various regiments of the Army. The only difference was that it had the NCC badge and unit designation placed in the centre. Later on it was felt that the flag should be in keeping with the inter-service character of the Corps. In 1954 the existing tricolor flag was introduced. The three colors in the flag depict the three services of the Corps, red for the Army, deep blue for the Navy and light blue for the Air Force. The letters NCC and the NCC crest in gold in
the middle of the flag encircled by a wreath of lotus, give the flag a colorful look and a distinct identity.

**NCC SONG**

12. The official song of the NCC – “Kadam Mila Ke Chal” was adopted in 1963. However, in 1974, a change was felt to catch the imagination of the youths and portray the true feelings of NCC. As a result, the song was replaced by “Hum Sab Hindi Hain” which kept on playing in RDCs till the word ‘Hindi’ was replaced by ‘Bhartiya’ in 1980. The NCC song depicts the feelings of unity in diversity and exhorts everyone to march towards the single goal – all being INDIANS.

*Hum Sab Bharatiya Hain, Hum Sab Bharatiya Hain*
*Apni Manzil Ek Hai,*
*Ha, Ha, Ha, Ek Hai,*
*Ho, Ho, Ho, Ek Hai,*
*Hum Sab Bharatiya Hain*
*Kashmir Ki Dharti Rani Hai,*

CHAPTER - 3

ASSOCIATE NCC OFFICERS

General

1. Due to the introduction of compulsory NCC Training in 1963 and non-availability of JC0s & NCOs from the regular army, there was a large deficiency of PI Staff. To make up this deficiency, ex NCC Girl cadets were employed as Under Officer Instructors / Sergeant Major Instructors (UOI / SMI), in lieu of JC0s/NCOs, on whole time basis under terms and condition of service laid down. The U0Is are treated equivalent to JC0s and the SMIs equivalent to NCOS. Their consolidated pay was initially fixed in 1963 keeping in view the pay and allowances admissible to JCOS/ NCOs at that time, which has since been revised. There are about 235 posts of GCIs existing in NCC.

2. **In the case of Boys Divisions.** It was found possible to dispense with the services of the cadet instructors after sometime. However, in the case of Girls Division, on account of the peculiar nature of duties and continued shortage of PI Staff, it has been found necessary to continue the services of these personnel and also to recruit fresh hands. Further improvement in the terms and conditions of these Girl Cadet Instructors was made in Jan 1981.

3. ANOs form the second tier of training staff. At the college level and school levels, volunteer professors and teachers are appointed as part time NCC Officers and are called Associate NCC Officers (ANOs). The credit for successful functioning of the NCC as an organization to a large extent, depends on these motivated ANOs. In fact they form the most vital link between the educational institutions and the NCC.

DO’S & DON’T’S : ANOs

Introduction

1. Associate NCC Officer is a multifaceted personality, who has to discharge his duties at Home, Unit and School/College. Discharging duties singlehandedly is easier than done. What they require is motivation in right direction. ANO has to interact with various people who include cadets, PI Staff, Officers and Principal. Conduct of ANO differs from person to person. Conduct is divided into two parts formal and informal.

2. Conduct of an ANO with different people is illustrated below in a tabular form:-

CHAPTER – 6

IMPORTANT ASPECTS OF SECURITY

Introduction

1. Safety and Security of Personnel, Equipment and Stores is of paramount importance and it is the responsibility of entire staff present in any kind of training activity to ensure the same. However a few incidents in the recent past indicate that due attention is not being paid towards this sensitive and very important issue. Any negligence on part of any staff member results in loss of life and damage to property. Thus there is a need to adopt a zero tolerance attitude towards incidents leading to injuries, loss of life or damage to property. Certain broad guidelines related to safety of the cadets during conduct of these camps are as follows:-

(a) No Camps or trek routes will be planned near rivers/water bodies or in close proximity of railway lines / highways.

Whenever any activities are undertaken in proximity to such location rigid measures are ensured so that NO REPEAT NO cadet enters the water. All personnel involved including Officers/ WTLOs/ JCOs/NCOs or ANOs/ GCI must be specifically tasked by name to ensure safety measures. All barrages, dams, rivers, ponds, lakes, canals and the sea will be out of bounds for all cadets, expect during organized training activity (sailing, yatching, Kayaking etc. under trained manpower under trained manpower for which the Group Cdr shall be responsible.

Safety And Security While On Move

3. Security of personnel, weapons and equipment will be ensured while moving to and from camp. All precautions will be ensured while travelling in trains, buses or any government transport. As a rule, cadets will travel in a Group under the supervision of an ANO/ GCI / NCO, with proper reservation All Cadets and Staff will move together. SD and SW cadets will be accommodated separately Onward and return
journey rail reservation will be ensured well in advance. The following directions will be strictly observed by the coordinating/conducting unit:-

(a) All movements to be in groups under an In-charge.

(b) An ANO/JCO will be overall in-charge of the party with a senior NCO responsible for SD/JD cadets and a GCI for SW/JW cadets.

(c) Cadets will not stand next to open doors or lean outside while travelling in buses and trains.

(d) No acts of indiscipline will be tolerated. In case a cadet does not obey the orders of the staff, the JCO in-charge will report the matter to the Camp Commandant on arrival and the cadets will be returned.

(e) No tea/eatable or water will be consumed from unauthorized sources.

(f) All contingent will dismount, fall in and carry out proper head count. Head count before and after every move is a must&should be made part of the Camp routine.

(g) Move of all cadets especially JD cadets, girls cadets and cadets hailing from remote areas to Camping Ground and back should be accompanied by respective ANOs/CTs/GCI/PI Staff.

(h) ANOs will not conduct any Firing Activities.

INSTITUTIONAL TRAINING

Introduction

1. Institutional Training being conducted in the Colleges and Schools is the principal means of training in the NCC. The aim of the training is to nurture core values, enhance awareness and give exposure to basic military skills and knowledge. Emphasis will be on practical training. Case studies, wherever possible will be used to facilitate active participation and better assimilation. Examples from India’s freedom struggle and wars fought by India, post-independence, should supplement relevant subjects to generate secular and patriotic fervor. The instructors and the cadets must grasp the importance of this training and participate actively.

2. Principles of Training. In keeping with the changing environment, the principles of NCC Training are:-

(a) Junior Division (JD)/ Junior Wing (JW) to be for two years while Senior Division (SD)/ Senior Wing (SW) will be for three years.

(b) Separate syllabi for JD/JW and SD/SW.

(c) Modified syllabus for professional educational institutes of repute to encourage enrolment of cadets.

(d) Revised curriculum for training in a military environment with greater emphasis on soft skill development, awareness of social responsibilities and adventure and sports.

(e) Uniformity in syllabus for boys and girls.

(f) Common Syllabus for all three wings to be approximately 60 to 70% and Specialized Service Syllabus training will be 30 to 40%.

(g) Emphasis on practical training.

(h) Conduct of periodic composite training ensuring continuity for better learning assimilation and its application.

3. Common subjects will comprise about 70% of the periods and Specialized Service Subjects will be 30%. The breakdowns of periods are as under : -

NCC AS ADDITIONAL & ELECTIVE IN CBSE SCHOOLS

References : -

(a) NCC institutional Training Syllabus 2013 4145/Syl/DG NCC/Trg A dated January 2013.
(b) CBSE Secondary Curriculum 2015 Main Subjects Volume I.
(f) CBSE Senior School Curriculum Volume I, 2015.
(g) Wef from Jan 2015

General

1. Consequent to adoption of CBSE as an Additional Subject in Classes IX and X and Elective Subject in Classes XI and XII, there is a need to carry out assessments/examinations as per CBSE policies. While FA tests will be conducted solely in schools, there is a need to lay down guidelines for conduct of Final Internal Examinations for class IX and Class XI.

Aim

2. The Aim of the Guidelines is to lay down procedures for conduct of Examinations for Classes IX and XI of Schools which have implemented NCC as Additional Subject in Class IX and X and Elective Subject in Classes XI and XII.

Scope

3. The Guidelines will cover the following :
   (a) Part I. General Provisions.
   (b) Part II. Conduct of Examinations.

PART- I: GENERAL PROVISIONS

4. Rationale for conduct of Examination. NCC conducts its Certificate A and B Test on completion of two years training curriculum in both Junior Division for A Certificate and Senior Division for B Certificate. NCC having been introduced as an additional subject in Class IX & X and elective in class XI & XII by CBSE, with marks / grades to be reflected in students Board Certificates, it has become imperative that the NCC cadets are adequately prepared to undertake and excel in their NCC Certificate exams. To ensure that the prescribed syllabus is properly covered during the academic year, there is a requirement to carry out assimilation exercises in the course of the academic session by respective schools as is done for other subjects.

5. Pre-requisite for School. It will be a pre-requisite condition of the CBSE that any school which is approved to offer NCC as an additional/ elective subject will have a dedicated teacher (ANO) for taking NCC classes and not one of the other subject teacher being nominated as ANO as was the practice when NCC was only one of the extracurricular activity.
6. **Periodicity of Examination.** Since the number of periods per year allotted to NCC as a subject are akin to other additional/ elective subjects available to students, the examination schedule for internal examinations will be at par with other subjects.

   (a) **Theory.** Internal examination such as class test, half yearly and Final examination to be conducted as per the school schedule and similar weightage for each examination be given towards final grades.

   (b) **Practical.** Practice for practical’s to be conducted as per NCC training schedule worked out by the ANO in consultation with Commanding Officer of the NCC Unit. Practical test to be conducted only once a year just before the final examination. These tests to be conducted by ANO assisted by NCC Instructor.

7. **Weightage.** The weightage for theory will be 70 percent and practical 30 percent of total marks.

**PART II : CONDUCT OF FINAL EXAM**

8. **Methodology for Conduct.** ANO will be the subject teachers for conduct of theory classes to the cadets. NCC will be included in the school/ respective class weekly/ daily subject schedule. Special to Arm subjects will be covered by NCC instructors and its program will be worked out by ANOs in consultation with affiliated NCC unit.

9. **Preparation of Question Paper.** The question paper will be prepared by a Board of Officers ordered by the Group Commander. There will be a separate Board ordered for Class XI and a separate one for Class XII. The composition of the Board will be as follows:-

   (a) Presiding Officer : Regular Officer.

   (b) Members Two ANOs (JD/JW ANOs for IX an SD/SW ANOs for Class XI).

   (c) Member One PI Staff.

10. **Conduct of Exam.** The question paper in sealed envelope will be handed over to the school principal well before the exam dates, so as to enable the school to print the papers as per their school pattern/ design. The School Principal and the ANO will be responsible for printing, conduct and invigilation of the exam.

11. **Correction and Award of Marks.** The Answer Key for all schools under a unit will be handed over to the Unit OC in separate sealed envelopes. The ANO of the school will be responsible for collection of the Answer Keys from the Unit after conduct of the exam. He will then correct the papers and submit the results to the Unit OC. After perusal by the Unit OC, the results will be handed over to the School Principal for inclusion in the Mark List.

**Practical Test**

12. The ANO will inform the Unit OC on the dates for conduct of Practical Test for the School. The Unit OC will nominate a PI staff for assisting the ANO for conduct of the Practical Test. The ANO of the school will be responsible for all arrangements, compilation of marks and submission of results for the perusal of the Unit OC. After perusal of the Unit OC, the results will be handed over to the school Principal for inclusion.
**Conclusion**

13. The success of the implementation of NCC as an elective subject hinges on proper implementation of its assessment methodology. There is a need to carry out the internal examinations in the transparent and correct manner so as to ensure that cadets are awarded marks correctly.

CHAPTER - 14

PLANNING AND CONDUCT OF NCC ATC/CATC

1. The aim of Annual Training Camps is to impart collective training to cadets with special emphasis on the development of qualities of leadership. Camps are planned in consultation with the Director of Public Instruction and Director of School Education well before the commencement of the Academic year (for location and dates). All concerned are intimated about the dates and location of Camps.

2. The Annual Training Camps (ATC) is held for a duration for 10 days.

3. Camp Siting Considerations:
   (a) Camp site should be accessible by Road and Rail.
   (b) Camp site is bereft of snakes, scorpion, flies and mosquitoes.
   (c) Camp area should be on a level ground and it should not require too much labour to make it fit for camping.
   (d) It should have an adequate slope to drain out water from the camp area.
   (e) The site should not be in the proximity of lakes, rivers and canals.
   (f) The Civil Govt should not have objection in establishing a camp in that area.
   (g) Reasonable amount of shade should be available for rest hours.
   (h) Water supply for both drinking and washing purposes.
   (i) The area should not be under cultivation during the camp duration.
   (j) There should be no disease prevailing in the area especially of epidemic nature.
   (l) Enough area for parade ground, range facility, and built up accommodation for stores should be available for girls' camp.
   (m) ASC depot preferably located closely for obtaining ration.
