9. Bid Submission Process

9.1 Registration and Digital Signature

9.1.1 All bidders must register on the centralised e-Procurement Portal (https://etenders.hry.nic.in).

9.1.2 Bids must be encrypted and signed electronically with a Digital Certificate issued by an Approved Certifying Authority under the Controller of Certifying Authorities, Government of India. Bidders should obtain a Class-II or Class-III digital signature certificate and keep a secure backup, since a lost or corrupted certificate will prevent online bid submission.

9.1.3 Where a firm's authorised user signs and submits a bid using a digital certificate, this is treated as equivalent to a no-objection certificate/power of attorney/lawful authorisation under the Information Technology Act, 2000. Any change in authorisation must be promptly notified to the certifying authority.

9.2 Payment of Fees and EMD

9.2.1 Tender document fee and processing fee are payable online via Debit Card or Internet Banking. EMD is payable online via RTGS/NEFT or Over-the-Counter (OTC).

9.2.2 Bidders must remit funds at least one working day (T+1) in advance of the relevant deadline, against the online-generated challan.

9.2.3 Debit Card, Net Banking, RTGS/NEFT and OTC payment procedures follow the standard operative steps published on the e-Procurement portal, including generation of a payment challan, bank verification, and issue of a transaction receipt to be uploaded with the bid.

9.2.4 For OTC payments, cash is accepted only up to Rs. 49,999/-; larger amounts require a Demand Draft or SBI cheque.

9.3 Bid Preparation and Submission

9.3.1 Tender documents are downloaded free of cost from the e-Procurement portal and bids submitted online per the on-screen instructions.

9.3.2 Technical Bid documents must be scanned in PDF/JPEG/MS Word format, each file not exceeding 10 MB, and uploaded during online submission.

9.3.3 The Financial Bid must be submitted online under the Commercial Envelope; no manual financial bid is accepted.

9.3.4 A bidder that does not complete bid preparation and submission within the scheduled online window will be treated as not having submitted a bid. Bidders may rework their bid within the stipulated submission window, and must confirm their final bid status after completing all activities.

9.3.5 Where a bidder wishes to submit EMD for only some items rather than all, the exemption option on the portal must be used to specify the items and corresponding EMD amount.

9.4 Assistance to Bidders

9.4.1 Technical support is available by telephone, Monday to Friday, 9:00 a.m. to 5:30 p.m. Bidders should contact the e-Procurement helpdesk at least 4 hours before a submission deadline, and at least 2 days before the deadline for EMD payment queries.

9.4.2 Bidders should verify the validity of their Digital Signature Certificate before bidding, and may refer to the 'How to...?' help guide on the portal's home page.

10. Evaluation Methodology

10.1 Evaluation proceeds in a single stage, two-cover system: the Technical Envelope is examined first against the eligibility and qualification criteria in Chapters 6, 7 and 8.

10.2 The Commercial (Financial) Envelope is opened only for bidders whose Technical Bid is found responsive to the eligibility and qualification requirements.

10.3 Technical eligibility is assessed with reference also to the inspection report of the bidder's existing rice mill(s).

11. Award Criteria

11.1 Bidders are requested to be present at the opening of the Financial Bid for negotiations.

11.2 HAFED reserves the right to accept or reject any or all bids without assigning any reason (see also Chapter 2, Disclaimer).

12. Security Deposit

12.1 Earnest Money Deposit

12.1.1 The bidder must deposit an EMD of Rs. 2,00,000/- (Rupees Two Lakh only) with HAFED; no interest is payable on it. Bids without EMD will be rejected; manual submission of EMD is not accepted.

12.1.2 EMD of unsuccessful bidders is refunded after finalisation of the tender. The successful bidder's EMD is retained as Security and refunded only after successful completion of the lease period, after adjusting any loss caused to HAFED.

12.2 Security

12.2.1 The successful bidder must deposit a Security of Rs. 8 Lakh (by DD/RTGS/Bank Guarantee), in addition to the EMD — a total security of Rs. 10 Lakh — with the concerned Rice Mill/District office within 10 days of the allotment letter. The bidder must also furnish the guarantee of two owners of rice mills and submit 4 blank signed cheques.

12.2.2 Failure to deposit the security in time may result in forfeiture of the EMD. No interest is payable on the security or EMD.

12.2.3 Where the party fails to comply with the contract conditions during the assignment, HAFED will forfeit the security. The security deposit is otherwise released after successful completion of the assignment.

12.3 Forfeiture of EMD/Security

EMD/Security is liable to forfeiture, in full or in part, without notice and without prejudice to HAFED's other rights or remedies, in the following cases:

12.3.1 The bidder resiles from its offer, or modifies the terms and conditions of its bid, after submission.

12.3.2 The bidder fails to furnish the required security deposit by the due date after acceptance of its bid.

12.3.3 The successful bidder fails to abide by the terms of the contract.

12.3.4 Any loss is caused to HAFED due to an act of omission or commission by the successful bidder.

13. Lease Conditions

13.1 The lease period is 3 years, with lease rentals increasing by 7% every year. HAFED reserves the right to extend the contract after expiry, on mutually agreed terms, subject to satisfactory performance and Competent Authority approval.

13.2 The successful bidder must enter into an agreement with the General Manager, HAFED Rice Mill, Taraori, before starting milling. HAFED reserves the right to incorporate additional terms, or amend/delete existing terms, in the agreement in HAFED's overall interest.

13.3 The Lessee shall use the premises only for milling operations, and shall not misuse or sub-lease the Mill/premises.

13.4 Where the miller/party installs additional machines (e.g. Sortex, packing machine), the investment is borne by the party. Any other additions/improvements require HAFED's prior consent, with the cost borne by the successful bidder.

13.5 The General Manager (GM) will prepare an inventory of machinery and equipment, to be handed over to and accepted by the successful bidder. On expiry of the lease, the Mill is taken back per the inventory list, after physical inspection; any deficiency found is conveyed to the Lessee, who must repair/replace it at their own cost to the Committee's satisfaction.

13.6 Lease money is paid in advance, in four equal quarterly instalments per contract year.

13.7 If payment is delayed by more than 15 days from the start of the first month of the relevant quarter, and remains unpaid after 45 days of the quarter, the lease agreement stands cancelled on the 46th day and HAFED takes over the Mill. HAFED will charge interest at 12% per annum on the delayed period (ie. From 16th day to 45th day or upto the day when the payment is made).

13.8 The Lessee must vacate the Mill premises within 15 days of the agreement's completion; from the 16th day, an amount equal to twice the monthly lease money (based on the last-paid annual lease money) is charged as rent per day until vacation.

13.9 A breach of the contract agreement is governed by the relevant provisions of the Indian Contract Act, 1872. The decision of the Competent Authority, HAFED, is final and binding.

13.10 After completion of the lease tenure, the party must hand over the Rice Mill, Plant & Machinery, and all other HAFED assets to the concerned Rice Mill Manager in the same condition as taken.

13.11 The mill/firm to which the Mill is leased must operate it directly; sub-letting to a third party is not permitted.

14. Obligations of Lessee

14.1 Operate and maintain the Rice Mill during the lease period, using the premises only for milling operations.

14.2 Arrange its own technical staff, labour, and watch-and-ward staff; HAFED provides no manpower. All variable expenses — electricity, repair and maintenance of machinery, labour, etc. — are borne by the miller/party.

14.3 Be responsible for all statutory and regulatory compliance, and for obtaining any permits, licences, or other statutory documents required by Government/HAFED authorities in connection with the mill's operation.

14.4 Ensure all documents attached with the Technical Bid are self-attested and stamped by the authorised signatory.

14.5 Execute a formal agreement with HAFED per the terms of this tender; failure to execute the agreement does not affect the enforceability of this tender's terms, which remain final, binding, and operative on the bidder.

14.6 Keep HAFED indemnified at all times against any claims, liabilities, or proceedings from any third party arising out of or in connection with this e-tender or the resulting contract.

14.7 After completion of the lease tenure, hand over the Rice Mill, Plant & Machinery, and all other HAFED assets in the same condition as taken (see Chapter 13, Clause 13.10).

14.8 Make the Mill available to HAFED, on 7 days' notice, where HAFED itself needs to process paddy/rice for commercial sale, for no more than 30 consecutive days at a time (see Chapter 5, Clause 5.3).

15. Obligations of HAFED

15.1 Through the General Manager, prepare an inventory of machinery and equipment for handover, and accept the same inventory back at the end of the lease, subject to physical inspection (see Chapter 13).

15.2 HAFED retains the right to depute or post its own staff at the Mill to supervise activities.

15.3 HAFED will not incur any expense on repair, maintenance, or addition of machinery/equipment during the lease period — this responsibility rests with the Lessee (see Chapter 16).

15.4 Where HAFED itself uses the Mill to process paddy/rice for commercial sale, HAFED will not charge lease money for that period, on a pro-rata basis, and will not use the Mill for more than 30 consecutive days at a time (see Chapter 5, Clause 5.3).

15.5 HAFED reserves the right to extend the contract after the lease period on mutually agreed terms, where the Miller's performance is found satisfactory and the Competent Authority approves.

16. Maintenance

16.1 The Lessee is responsible for the proper maintenance of all machinery, equipment, and electrical fittings during the lease period, ensuring smooth running of machinery including cleaning, grinding, packing, and dispatch operations.

16.2 HAFED will not incur any expense on repair or maintenance. Where any part requires replacement during the lease period, the Lessee replaces it at its own cost, with an item of the same or equivalent make/brand and the same or similar specifications/capacity.

17. Utilities

17.1 All variable expenses connected with running the Mill — including electricity — are borne by the miller/party, as part of the Lessee's obligations at Chapter 14.

18. Insurance

The lessee will ensure that all types of machinery , assets and other utilities will be covered under an appropriate insurance plan , as per industrial laws.

19. Taxes

19.1 Any tax liability applicable to this contractual assignment, from time to time, is borne by the Bidder/Party (see also Chapter 8, Financial Qualification).

20. Force Majeure

20.1 Events such as natural calamities, war, riots, or Government restrictions constitute Force Majeure. The Lessee must notify HAFED within 7 days of such an event's occurrence.

21. Termination

21.1 Where the tender/statutory/local-law terms are violated, HAFED reserves the right to terminate the agreement by giving one month's notice.

21.2 Foreclosure: where the Lessee violates the tender/agreement terms, HAFED may foreclose the contract without assigning any reason; the Lessee shall have no objection and is not entitled to compensation, loss of profit, or incidental costs of any kind.

21.3 Revocation (Rescission) of Contract: the contract may be revoked on grounds of (a) mutual consent, (b) breach of contract by the Lessee, or (c) fraud, mistake, or misrepresentation by the Lessee.

21.4 Non-payment of lease money beyond the period at Chapter 13, Clause 13.7 results in automatic cancellation of the lease agreement on the 46th day, with HAFED taking over the Mill.

22. Risk & Cost

22.1 All risk of loss or damage to health, property, personal injury, or death, and any commercial risk arising during and in consequence of the performance of the contract, lies with the Lessee only.

23. Blacklisting

23.1 A bidder must not have been blacklisted by any Central/State Government Department/PSU in the last 3 years (Chapter 6, Eligibility).

23.2 A bidder or its partner(s)/director(s)/proprietor found blacklisted, individually or as part of the firm/company, by any Central/State Government Department or Statutory/Autonomous body/PSU in the last 3 years is disqualified (Chapter 6, Disqualification Conditions).

23.3 A notarised affidavit confirming non-blacklisting is a mandatory part of the Technical Bid (Chapter 7, Annexure C).

24.4 If there is any default or non-performance or any other valid reason observed by HAFED then HAFED reserves the right to terminate the contract and even black-list the firm for next 5 years.

24. Dispute Resolution

24.1 If any dispute arises between the parties in connection with this agreement, whether before or after termination or breach, the parties shall promptly and in good faith negotiate to reach an amicable resolution.

24.2 If no resolution is reached within 15 days of the dispute arising, it shall be referred to a mutually acceptable sole Arbitrator; failing agreement on an Arbitrator, either party may seek appointment of a sole Arbitrator from the competent court of jurisdiction. Arbitration proceedings follow the Arbitration and Conciliation Act and rules made under it, with fees and expenses shared equally.

24.3 The existence of a dispute, or the initiation or continuation of arbitration, does not postpone or delay either party's performance of its obligations under the agreement. The arbitration outcome is binding on all parties.

25. Jurisdiction

25.1 The contract is governed by the laws of the Republic of India and is subject to the jurisdiction of the Courts in Haryana.
