

HAFED : FREQUENTLY ASKED QUESTIONS (FAQs)

PROCUREMENT AND WAREHOUSING DIVISION

Q.1 Which crops does HAFED procure?

Ans. HAFED procures food grains, coarse grains, oil seeds and pulses as per the instructions and guidelines issued by the State Government from time to time.

Q.2 At what price does HAFED procure the crops?

Ans. HAFED procures fair average quality (FAQ) crops at the Minimum Support Price declared by the Government of India or at any other price as decided by the State Government.

Q.3 How does HAFED support farmers?

Ans. HAFED provides marketing support to farmers by facilitating the purchase of their produce at assured prices. This helps prevent distress sales and ensures a fair return to farmers, thereby supporting their livelihood.

Q.4 What documents are required for selling crops to HAFED?

Ans. Farmers are generally not required to produce any document at the time of selling the crop. Their registration and verification details are fetched from the “Meri Fasal Mera Byora” portal at the time of issue of gate pass in mandi.

Q.5 How does HAFED release payment to the farmers?

Ans. HAFED releases payment directly into the bank accounts of farmers for procurement made under the Central Pool and State Pool, ensuring timely and transparent transactions.

Q.6 How does HAFED ensure safe preservation of food grains?

Ans. HAFED follows scientific storage and preservation practices to maintain the quality of food grains. Regular inspections are conducted, and both curative and prophylactic treatments are carried out to prevent damage, infestation, or loss of stocks.
