

RAJ BHAVAN, TAMIL NADU- PRESS RELEASE

On the occasion of the World Environment Day 2025, Hon'ble Governor of Tamil Nadu is honoured to institute the award '**Nammazhvar Best Post Graduate Research in Organic Farming.**'

The award is instituted to carry forward the enduring legacy of the great agriculture scientist and environmentalist late Dr. G. Nammazhvar and his pioneer work in the field of organic farming and environmental conservation. This award aims to inspire researchers to advance organic farming, supporting India's progress in sustainable agriculture and its growing presence in the global organic sector.

The award will be conferred annually by the Tamil Nadu Agricultural University, Coimbatore to the student who has done the best significant and noteworthy research in Organic Farming. It will be awarded during the annual convocation of the University. The award will carry a cash award of ₹50,000/- (Rupees Fifty Thousand only), a gold medal and a citation.
