FOREWORD

Cantonments came to be established mostly during British period for quartering of troops and only six Cantonments were established post-independence. With the passage of time, civil population was also given lands on lease/grants and thus civil population came to reside in Cantonments. The first Cantonment was established in Barrackpore (35 Kms. from Kolkata) in the year 1765 and the second at Danapur (Patna) in the same year. At present, there are 62 Cantonments in India.

2. Cantonments Boards are urban local bodies, incorporated under the Cantonments Act, 2006 (earlier the Cantonments Act, 1924). These Boards are 'body corporates' responsible for providing municipal services to residents of these cantonments. Under the provisions of sub-section (2) of section 10 of Cantonments Act, 2006 (the Act), the Cantonment Boards are deemed municipalities under clause (e) of Article 243P of the Constitution, for the purposes of receiving grants and allocations; and implementing Central Government schemes relating to development of infrastructure and social welfare.

3. Annual administration reports for 2020-21 of these Boards are furnished under section 50 of the Act. These are compiled and published by the Directorate General of Defence Estates.

4. Cantonment Boards are constituted in accordance with the provisions of section 12 of the Act. The term of five years of 56 Cantonment Boards had expired on 10.02.2020, which was extended by the Ministry of Defence for a period of six months twice w.e.f 11.02.2020 and 11.08.2020. On completion of the extended term of 56 Cantonment Boards on 10.02.2021, elections of the members to the Boards were not held and the constitution of these 56 Cantonment Boards was varied by the Ministry of Defence in accordance with provisions of section 13 of the Act for a period of one year or till such time the said Boards are constituted under section 12 of the Act. The term of 03 Cantonment Boards namely Badamibagh, Jammu and Ramgarh, had expired on 02.06.2020, which was extended by the Ministry of Defence for a period of six months twice upto 02.06.2021 and the term of Meerut Cantonment Board was also extended twice upto 12.07.2021. The constitution of Khasyol Cantonment Board has been varied by the Ministry of Defence since the year 2014 in view of the ongoing process of excision of civil area from the Cantonment. The present term of Pachmarhi Cantonment Board is going to expire on 29.11.2023.

5. The Central Government provides financial assistance to Cantonment Boards in the form of ordinary Grant-in-Aid to balance their budgets. During the year 2020-21, 53 Cantonment Boards out of 62 received Grant-in-Aid amounting to Rs. 304.60 crores from the Central Government. Further, grants for creation of capital assets to the tune of Rs. 10 crore were given to 03 Cantonment Boards for ongoing infrastructure projects like Sewage Treatment Plants and Drinking Water Project.

6. The XV Central Finance Commission, in its report submitted in Nov 2019, for the year 2020-21, for the first time recommended that the States should make allotment of grants on

population basis for the Cantonment Boards within their territories. Accordingly, the Cantonment Boards received a total of Rs.142.60 crore as share of Finance Commission grant from the State Governments during the year 2020-21.

There are also 36 Skill Development Centres in various Cantonments.

Under the Swachh Bharat Mission launched by Govt. of India, all 62 Cantonments have already been certified by the MoHUA (Ministry of Housing and Urban Affairs) as ODF (Open Defecation Free) or ODF+ areas and the ODF /ODF+ status is also being sustained in all Cantonments. All Cantonment Boards participated in National level Swachhata Survekshan 2018, 2019 and 2020 conducted by MoHUA.

9. Cantonment Boards have taken multiple steps to achieve the goal of "Digital India" and improve the quality of service delivery.
