Sub: Multilevel car parking schemes in Cantonments

The Expert committee on working of Cantonment Boards, in its report submitted to the Government has recommended that the Cantonment Boards should identify suitable sites for multi-level car parking construction in order to avoid on-street parking.

2. The MoD vide their ID No. 2(2)/2018-D(Q&C) dated 05.11.2019 have accordingly instructed that all Cantonment Boards shall explore the land and other requirements of Multilevel car parking in their areas and place the proposal before the Cantonment Board in time bound manner. Parameters like land availability, location of Cantonment, population to be catered, financial position of the Board, suitability/requirement of Multilevel car parking scheme to the Board, proposed location of car parking, if any, and others should be taken into consideration by the Boards before initiating any action.

2.1 It has further been advised that the multi-level car parking project under implementation by Cantonment Board Pune may be considered as a model by the Boards for purpose of guidance.

3. The CBs may also consider non mechanized Ramp Based model for the scheme. CEO, Delhi may be contacted for further inputs, if required.

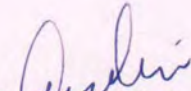

4. Accordingly, all Cantonment Boards under jurisdiction of your Command may be directed to take necessary action for framing multi-level car parking scheme after examining the necessity and identifying the model as suitable to location and prepare comprehensive proposals as necessary and place the matter for the consideration of the Board within December, 2019.

5. The relevant documents regarding the multi-level car parking project of Cantonment Board Pune are enclosed.

6. Action be taken on priority.

7. DGDE has approved.
