2. One of the decisions taken under Minute No.16 is to institute an award at National level to be given to a Cantonment General Hospital each year for showing best performance during the year by making optimum utilization of resources. The President/Vice-President, members, staff of Cantonment Boards, officers of IDES, organizations or individuals may nominate a hospital to the PDDE/DGDE giving justification for award. Nominations can also be made through email. These will be forwarded to DGDE. A Committee consisting of all Principal Directors, chaired by the senior most Principal Director will consider all the nominations and select one of the hospitals which has performed best in that particular year. The Committee will collect relevant performance statistics and based on these statistics criteria for selecting the hospital for the award would be worked out by this Committee. The award would be received by the RMO of the hospital in a duly organized ceremony. It was also decided the first such award could be given on 8th May, 2011 during the National Conference of CEOs at New Delhi. The nominations for the current year can be sent by 1st May, 2011. It was also decided that as a motivation DGDE will release additional service charges to that Cantonment Board whose Hospital has won for that year with the directions that the extra money be utilized for the development of the hospital.

3. You are requested to immediately inform the PCBs, Vice-Presidents and CEOs of Cantonment Boards under your jurisdiction about the above mentioned decision so that the information can be disseminated to all concerned. The nomination of the Cantonment General Hospital for showing good performance during 2010-11 may be sent to the PDDE/DGDE giving justification for the proposed award by email by 01st May, 2011.
