Sub : Examination of Land Proposals by the Directorate General : Consultation between Directorates DE and Command HQrs regarding.

This Directorate General receives a number of proposals from Service HQrs/other users regarding land issues. Usually, the same are based on BP's convened by LMA's which involve a representative of the concerned DEO's. Consequently the views of DEO's are normally available in the BP's. However, the recommendations of the Directorates are not readily available as the Command HQrs perhaps do not consult the Directorates while examining such proposals. This Directorate General, therefore, has to refer such proposals to the Directorates to elicit their views which involves considerable in time in disposal of cases.

2. It is, therefore, necessary that Directorates must invariably be consulted by Command HQrs so that their views are also brought on record when proposals are examined. The necessity of our making a reference to the Directorates in such cases would then mostly be obviated resulting in quicker disposal of cases at our end. It is, therefore, requested that you may advise the Command HQrs to consult your Directorates in all land matters before referring the same to Army HQrs. It is also requested that the DEO's/your Directorates may also render their opinion to the Board of Officers/Command HQrs in writing rather than merely signing the BP's so that not only their views are clearly recorded but also their file references become available for easy reference in future.

3. Please acknowledge the receipt of this letter.
