FOREWORD

Cantonments came to be established mostly during British period for quartering of troops and only six Cantonments were established post-independence. With the passage of time, civil population was also given lands on lease/grants and thus civil population came to reside in Cantonments. The first Cantonment was established in Barrackpore (35 Kms. from Kolkata) in the year 1765 and the second at Danapur (Patna) in the same year. The Central Government has declared that the Cantonment of Khas Yol, the limits of which were defined in notification number S.R.O. 200 dated 31st January, 1942, shall cease to be a Cantonment with effect from 27.04.2023. At present, there are 61 Cantonments in India.

2. Cantonments Boards are urban local bodies, incorporated under the Cantonments Act, 2006 (earlier the Cantonments Act, 1924). These Boards are 'body corporates' responsible for providing municipal services to the residents of these Cantonments. Under the provisions of sub-section (2) of section 10 of the Cantonments Act, 2006 (the Act), the Cantonment Boards are deemed municipalities under clause (e) of Article 243P of the Constitution of India for the purposes of receiving grants and allocations and implementing Central Government schemes relating to development of infrastructure and social welfare.

4. As on date, the constitution of 60 Cantonment Boards is varied as elections to the said Boards could not be held. The present term of Cantonment Board Pachmarhi is going to expire on 29.11.2023.

5. The Central Government provides financial assistance to Cantonment Boards in the form of ordinary Grant-in-Aid to balance their budgets. During the year 2022-23, 53 Cantonment Boards out of 62 received Grant-in-Aid amounting to Rs. 579.4250 crores from the Central Government. Further, Grants for creation of capital assets to the tune of Rs. 53.50 crore were given to 03 Cantonment Boards for ongoing infrastructure projects and Rs. 3.0 Crore was given to 08 Cantonment Boards for Swachata Action Plan (SAP).

At present, there are 30 "Centres for differently-abled children", 182 schools (ranging from Primary to Higher Secondary levels), 28 Skill Development Centres, 39 hospitals and 33 dispensaries in various Cantonments.

8. Under the Swachh Bharat Mission launched by Govt. of India, all 61 Cantonments have already been certified by the Ministry of Housing and Urban Affairs as ODF (Open Defecation Free) or ODF+ areas and the ODF /ODF+ status is also being sustained in all Cantonments. All Cantonment Boards participated in National level Swachh Survekshan 2022 conducted by MoHUA. 09 Cantonment Boards were awarded in various categories in Swachh Survekshan, 2022.
