

**Ministry of Defence**  
**D(Lands)**

**Subject:      Modalities for considering infrastructure to be built under EVI. - reg**

Reference is made to the discussion held in the meeting dated 20.05.2025 held under the chairmanship of FA(DS).

2.      In this regard, it is intimated that following decisions were taken in the ibid meeting:-

(i)      Service HQrs must clearly indicate specific EVI and its rough cost estimate which they propose for construction while conveying their views on working permission proposals to MoD. They will also indicate the infrastructure deficiencies faced by them to enable MoD (Fin) to consider these aspects during concurrence.

(ii)      To assist LMAs in assessing the value of defence land for proposed EVI projects, DGDE shall direct the concerned DEOs/Cantt Boards to provide land valuation within 10 days of receiving proposals via the NoC portal.

(iii)      DGDE will also submit a quarterly report on the accounting and monitoring of EVI to MoD.

3.      In view of the above, it is requested to take necessary action to ensure compliance of above decisions.

4.      This issues with the approval of Defence Secretary.
