Subject:- Regarding Creation of Equal Value Infrastructure in campus of Vicker Public School, New Cantonment Allahabad and gate at crossing of Akbar Road and Ponnappa Road in New Cantonment, Allahabad.

Reference DGDE Note on page 7/N on F.No. PC to MF9/64/Allahabad/EVI/C/DE/2024-25 Vol-I dated 20.3.2025 on the subject matter.

2. The matter has been examined in consultation with MOD(Fin.). Although, there is no specific definition of a PWO in GFRs, the examples given therein give clear indication of PWOs. Accordingly, Cantonment Boards cannot be treated as a Public Works Organization. Further, the PWO constructing the EVI and the accepting authority cannot be same.
3. In light of this, DGDE is requested to either get the EVI executed by any PWO or proposal may be sent for conversion of EVI into Cash Compensation to be deposited in CFI.
4. All similar proposals may be dealt as above.
