NATIONAL LOK ADALAT

Lok Adalats have been playing a vital role over the years in bringing justice to those who hesitate in taking the matters to courts. Lok Adalats are meant for conciliated settlement of disputes outside court which is what most of our people like (if the matter allows for this kind of settlement). The

Yamuna Nagar

reality today is that the number of cases that require jurisdiction is increasing at an alarming rate. If more and more people could understand the significance of Lok Adalats and resort to them for amicable settlement, there would be a lesser number of pending cases in courts.

Lok Adalats are a decent supplement to the work of courts and contribute to justice in a good way only if awareness is increased and people are encouraged to opt for them. District Legal Services Authorities in the State of Haryana adopt different ways for widespread publicity of the National Lok Adalats through the ways of All India Radio, Electronic and Print Media, regular Munadi in the villages, special legal awareness camps etc. Moreover, Banners and hoardings are placed at various public prominent places such as Court Complexes, Bus Stands, Railway Stations, Hospitals etc. to spread awareness amongst the masses.

The National Lok Adalats for the quarter July 2018 to September, 2018 were held on 14th July, 2018 and 08th September, 2018. District Legal Services Authorities in the State of Haryana had put in their sincere efforts and worked hard to make the said National Lok Adalats a grand success. In these National Lok Adalat total 32,208 pre-litigation cases were taken up and 12,916 were disposed of. Total 52,991 pending cases were taken up out of which 18,471 cases were disposed of.

40 HOURS MEDIATION TRAINING PROGRAMME EXCLUSIVELY FOR LADY ADVOCATES IN THE STATE OF HARYANA

Mediators need to elicit trust and respect from participants and generally should be able to do so irrespective of the vagaries of background or personality.
