## **1. INTRODUCTION**

No principle is more essential to a well-functioning democratic society than equal access to justice. While the law increasingly permeates every aspect of our lives, not all members of society yet enjoy full access to the institutions in which the law is administered, interpreted, applied and enforced. Haryana State Legal Services is working to enhance equal access to justice for the poor, disadvantaged or otherwise marginalized members of our society by implementing various Legal Aid Schemes and Legal Services Programmes in accordance with the objectives of the Legal Services Authorities Act, 1987; and the Regulations, Schemes and Instructions of National Legal Services Authority.

## **2. ACTIVITIES OF HARYANA STATE LEGAL SERVICES AUTHORITY**

Quintessentially, HALSA seeks to reach out to the people, especially the needy, with the hand of legal help. The need for HALSA arises from the ground level reality that there exists various barriers to access to justice. In a society governed by rule of law all must have reasonable access to justice.

‘ACCESS TO JUSTICE FOR ALL’ is the motto of Legal Services Authorities. In order to achieve this aim, HALSA performed the following activities during the year 2014-15.

#### 4. **Legal Awareness**

About sixty five per cent of the people in Haryana live in rural areas and many of them are illiterate. Most of the people are legally illiterate, as they are not aware of their rights conferred upon them by law. Even substantial number of literate people living in the cities and villages do not know what are their rights and entitlements under the various laws. It is this absence of legal awareness which is

responsible for the deception and exploitation of people at the hands of unscrupulous elements.

With a view to raise the legal awareness quotient of the people so that their sufferings are mitigated, HALSA has embarked on a mission to spread legal awareness in every nook and corner of the state under various programmes. Legal awareness camps aim at creating awareness among people about their rights under various laws and welfare Schemes pertaining to women, children, Scheduled Castes, underprivileged, poor and the needy people to help achieve development goals. People are also sensitized about their duties.

Following steps have been taken by Haryana State Legal Services Authority for Legal Awareness Campaign in the State of Haryana:-

- (a) Legal Literacy/Legal Awareness Camps/Seminars
- (b) Sensitization workshops for officials at grass root level
- (c) Implementation of Legal Literacy Missions
- (d) Publicity through print and electronic Media
- (e) Publication by Haryana State Legal Services Authority

➤ **Camps**

Under the direction and guidance of Haryana State Legal Services Authority, all the District Legal Services Authorities are organizing Legal Literacy/Legal Awareness Camps in the remote rural areas in the State of Haryana at least once a

week i.e. on Sunday/ holidays, on the topics concerning SC/ST, Women and children and general public, so that the people are made aware about their legal rights.

## **6. MEDIATION AND CONCILIATION**

In terms of the decision taken in the meeting held on 4.12.12 under the Chairmanship of Hon'ble Chief Justice of Punjab & Haryana High Court and also in terms of Resolution passed in Chief Justices' Conference held on 5<sup>th</sup> to 6<sup>th</sup> April, 2012, overall control and supervision of the District Mediation Centers have been given to the respective State Legal Services Authorities.

Mediation is yet another mode of alternative dispute resolution mechanism provided to the people to settle their pending disputes. Courts refer the suitable cases to Mediation Centre for settlement by mediation, where a mediator trained by Mediation & Conciliation Project Committee conducts the mediation, in an environment conducive for the purpose.

Such Mediation Centres have been opened in all the 21 Districts of Haryana and 14 Sub Divisions, so far.

In view of the observation of the Hon'ble Supreme Court in K. Srinivas Rao V/s D.A. Deepa 2013(2) R.C.R (Civil) 232, Pre-litigation Mediation desks have also been set up in all the Mediation Centres to deal with matrimonial disputes, before they reach the court.

In Haryana, we have 455 trained Mediators, who include Judges, retired judicial Officers and Advocates. To spare the time of judges, most of the cases are referred for mediation through Advocate Mediators.

About 2994 cases were been settled through mediation during the period 01.04.2014 to 31.03.2015.

Haryana State Legal Services Authority has been conducting workshops/programmes regarding mediation. Following mediation training programmes were conducted from April, 2014 to March, 2015.

- ✓ Awareness Referral Coaching and Mentoring [ARCM] Programme at District Court Complex, Gurgaon on 31<sup>st</sup> May and 1<sup>st</sup> June, 2014 was conducted.

## **9. INTERNSHIP PROGRAMME FOR LAW STUDENTS**

Haryana State Legal Services Authority introduced internship programmes to give law students an insight into the legal aid and services mechanism besides various legal literacy programmes and schemes framed for “Access to Justice for All”. Internship programme will be instrumental in bringing about directional changes in the implementation of various schemes and Legal

Services Programmes. The knowledge and experience of grass root realities gained at the initial stage of academic pursuit would be immensely valuable in their professional career.

The following intern programmes were held for the law students under the aegis of Haryana State Legal Services Authority (HALSA) in District Legal Services Authorities of Haryana:-
