Message

Dear Reader,

It is with great enthusiasm that we present the newly relaunched Haryana Legal Services Authority Newsletter. This publication stands as a testament to the unwavering dedication of the Legal Services Authorities in the State of Haryana to ensuring access to justice for all.

In today's world, access to justice to all is a cornerstone of a just society. The Legal Services Authorities in the State of Haryana have been at the forefront of this mission, implementing numerous initiatives to make justice accessible to everyone.

This newsletter delineates a variety of activities undertaken by the Legal Services Authorities in Haryana. These include organizing legal awareness camps, conducting outreach to marginalized communities, and providing court-based legal services. It highlights the success of Lok Adalats in resolving disputes amicably and the implementation of victim compensation schemes to support those affected by crime. It covers the work of Legal Aid Defence Counsel Offices in enhancing the quality of legal representation in courts, as well as our regular jail visits to address the legal needs of inmates.

Reflecting on the accomplishments of the past quarter (January to March 2024), I extend my heartfelt appreciation to all the functionaries including Panel Lawyers, and Para-Legal Volunteers (PLVs) of the Legal Services Institutions in the State of Haryana. I also express my gratitude to the various government departments that collaborated with us on numerous initiatives. Their assistance has been instrumental in advancing our goals and reaching out to the marginalized sections of the community.

While we are proud of the progress we have made, we are acutely aware that our journey is ongoing. There remains much to be done to achieve our vision of access to justice for all. We are committed to continue this work with vigour and determination, ensuring that no one is left behind in our pursuit of justice.

We are grateful for your support and look forward to sharing more of our work in subsequent editions of this newsletter
