

**Office: Director, Uttarakhand Tea Development Board,
District Panchayat Campus, Dharanaula, Almora (Uttarakhand)- 263601**

Short-Term Quotation Notice

The Uttarakhand Tea Development Board, Almora, currently conducts inspection and certification of its organic tea gardens and tea factories through the Uttarakhand State Organic Certification Agency (USOCA), Dehradun. As per this arrangement, USOCA issues the NPOP certification. At present, the Board proposes to market the organic tea produced in its tea factories both domestically and internationally, considering the demand for orthodox tea. For this purpose, the Board requires NOP certification.

Therefore, quotations are invited from authorized firms and institutions, recognized by APEDA, for issuing NOP certificates. This certification is required for organic tea produced at the Board's tea factories located in Champawat, Ghorakhal (Nainital), and Bhatoli (Chamoli).

The rates should be inclusive of certification, all applicable taxes (G.S.T.), and related expenses such as travelling, fooding, local transport, etc.

Interested parties are requested to send their quotations to the Board's email: uttarakhandtea@rediffmail.com.

For more information, please contact: 05962-237746 or 05962-230606.
