# **ANNUAL REPORT ON REGISTRATION OF BIRTHS AND DEATHS ACT, 1969 FOR YEAR 2020**

---

The enactment of the Registration of Births and Deaths Act, 1969 opened a new era in the history of vital registration system. It brought out uniformity in the antiquated existing systems of registration. It was enforced in the Haryana state with effect from 1<sup>st</sup> April 1970. Subsequently the Haryana Registration of Births and Deaths Rules 1972 were framed under this Act. These rules were repealed by the Haryana Registration of Births and Death rules 2002, which came into effect from 1<sup>st</sup> January 2002.

This report contains registration hierarchy, registration procedure coverage level, difficulties experienced, shortfalls and efforts made for the improvement of the registration system in the State.

## **3.0 Monitoring and Uses of CRS Data.**

### **3.1 Monitoring;**

Following three tier monitoring system was adopted in order to ensure proper implementation of the system and timely flow of returns.

**(i)** Monthly meeting of registration officials were organised at the district level, in the first week of every month. In this meeting monthly returns were collected.

**(ii)** District Registrar reviewed the performance and sorted out bottlenecks, if any, in the system, with the concerned Registrar in the monthly clinical meetings held on 7<sup>th</sup> of every month.

**(iii)** Meeting of Statistical Assistants were organised at state HQ on 11<sup>th</sup> of every month. In these meetings, besides collecting the monthly returns, participants were trained on day-to-day functioning of the system. Their problems were also sorted out in these monthly meetings.

This mechanism of monthly monitoring helped a lot in improving the quantity as well as quality of the system. Almost all the monthly returns were collected at the state HQ in time. Every month, last registration number in each registration centres was matched with the monthly cumulative sums of births and deaths registered for each and every registration centre in the state to check the correctness of the reporting.

### **3.2 Uses of CRS data.**

Data collected at State HQ was compiled using computers and analysed for various differentials. CRS in the state of Haryana has emerged as a good source of regular information in monitoring of sex ratio at birth, family welfare programme and institutionalised deliveries. Earlier there was no such regular source of information. Due to certain constraints partial data of registration could be compiled but efforts are being made to get the complete data compiled. Various organisations like Election Dept, Social Justice Dept., Woman and Child Development Dept., Citizen Resource Information Department etc are using the birth and death events in support of their respective programmes.

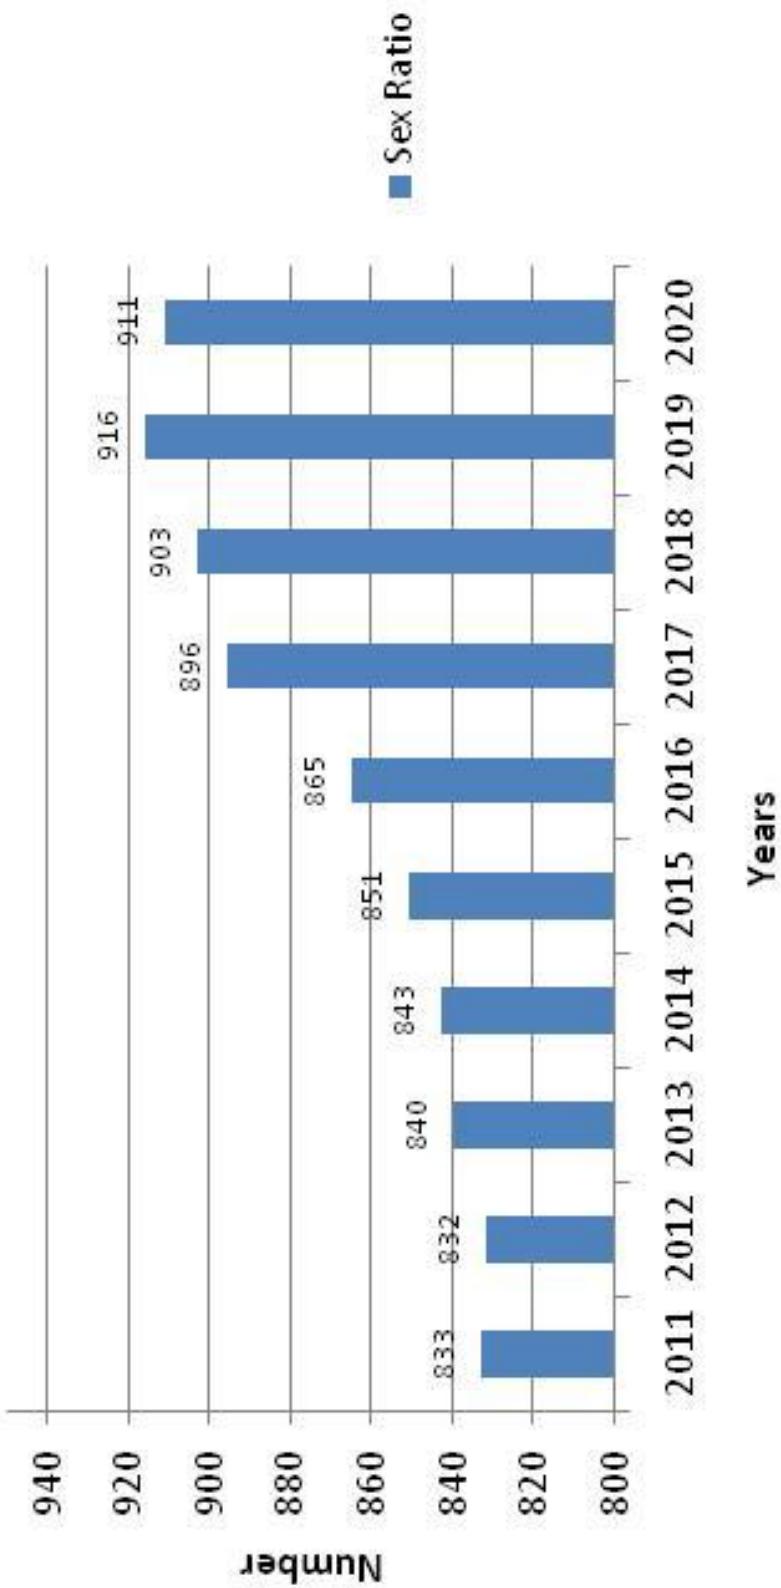

District wise sex ratio at birth and institutionalized deliveries are presented in the following tables: -

## **6.0 General Response Of Public Towards The Act**

The registration of births and deaths was not new for the public of Haryana State. Prior to enactment of Registration of Births and Deaths Act 1969, registration of vital events was governed under Medical Manual. Registration in the state is more than a century old. Registration record from year 1881 is available in some of the urban as well as rural registration centres. Positive response on the new system adopted in the state has been received by the general public.

Following are the salient feature of the system.

1. Registration at the door step of the public.
2. Supply of free extract at the time of registration.
3. Delayed registration of events in case of un-registered event.
4. Sensitization of mass regarding CRS and its importance.
5. Registration of the name of a new born child at a belated stage.

In order to ensure cent percent delivery of free copy of extract, the certificate under Section 12 has been made as a part of the reporting forms. In this way provision of this Section has been made practically possible. In almost all the cases free certificates were delivered to the concerned families. Still there are few registration centres where efforts are still required. Chief Registrar office is coordinating with the Local Self Govt. department in order to implement registration system in urban area particularly ensuring cent percent delivery of free copies of the extract. Chief Registrar office is also coordinating with state government and Directorate of Census Operation, Haryana and ORGI in making all efforts to achieve the target of cent percent registration.

## **7.0 Maintenance of Records**

Under provisions of section 16 of RBD Act 1969 , Registrars (Births and Deaths) are required to maintain the record of births, deaths and still births registered by him during the calendar year in three separate registers. After introduction of online registration of events in the GOI portal, maintaining physical registers have been discontinued. But on the first day of January 2020 new registration were started for births, deaths and still births by all Registrars in the State. Registrars were directed to get the birth, death and still birth registers downloaded from crsorgi portal at the end of the year

and certify the events registered by them putting their signature and office seal.

In order to preserve the old Birth and Death record available with District Registrars , registers from year 1966 to 2004 were got scanned from HARTRON and their pdf files were made available to the district offices. The payment of Rs 9.32 lacks was made to the HARTRON during Financial Year 2020-21.

## **8.0 Delayed Registration**

Section 13 of RBD Act, 1969 laid down the procedure for registration of vital events reported after the expiry of stipulated normal reporting period i.e. 21 days. Provision of delayed fee has been prescribed in the State rules (Notified on dated 1<sup>st</sup> May 2015). Department has introduced penalty in registering the event at belated stage. A detail of fees charged is given in the following table.

<b>S.No</b>	<b>Time limit for delayed registration</b>	<b>Provision for registration</b>	<b>Late fee</b>
1	After expiry of normal reporting period but within 30 days of occurrence	Permission of the registrar.	Rs. 10/- (Ten)

In year 2015 Chief Registrar Haryana has vide letter No. dated 6.10.2015, in order to check the misuse of provision of delayed registration of births and deaths and to ensure genuineness of documents provided in support of the event with the prior approval of Hon'ble Chief Minister directed the District Magistrates to consider the applications of delayed birth and death registration which could not be get registered within one year of its occurrence. Copy of letter dated 06.10.2015 is appended at Annexure 1.

After introduction of online delivery of services in the State through SARAL Portal, the service of delayed birth and death registration is also being provided online. In order to facilitate the General public a list of documents, required for availing this service, is uploaded on the KMS Portal. Formats of these documents are also available on the KMS site at <https://kms.saralharyana.nic.in>.

#### **9.0 Inspection Arrangement**

Inspection of registration centres and registration records is important in ensuring both qualitative and quantitative improvement in registration work. The District Registrars and Additional District Registrars were directed to conduct inspection of registration centres in rural as well as urban areas of their district.

#### **10.0 Meetings**

As it has already been mentioned somewhere else that monthly meetings have been adopted as an instrument for monitoring of the

programme. In this connection following monthly meetings of Statistical Assistant were organised at state H.Q. during 2020.

Hence manual collection of returns from registration centres and their compilation was discontinued from 1<sup>st</sup> January, 2020 and tables on birth and death registration generated downloaded from above site were used in tabulation of various tables appended with the reports.

### **13.1 Coverage Area of MCCD**

Till March, 2006 this scheme was limited only to the urban area of the state. But from 7<sup>Th</sup> April, 2006 this scheme has been extended in the rural area also. Subject: Amendment in Haryana Registration of Births & Deaths Rules, 2002

Reference subject cited above.

This is to bring to your kind notice that Government of Haryana has amended some of the provisions of Haryana Registration of Births & Deaths Rules, 2002 vide notification No 3/154/2011 – 3HB – III dated 01.05.2015, including rule 9. The rule 9 relates to authorities and procedure for registration of births and deaths.

In order to check misuse of delayed birth and death registration and correctness of document in support of such delayed events, a new proviso was added to sub rule (3) of rule 9, i.e., *that an application for any birth or death which has not been registered within 15 years of its occurrence, shall be forwarded to the Chief Registrar by the District Registrar for his order before forwarding it to the concerned Sub Divisional Magistrate for enquiry and order.*

This amendment has not only increased the workload manifolds at Headquarter but creating harassment to the public also, as a number of people from different districts of the State are visiting this office to enquire their cases. Keeping in view of this, matter has been discussed with the Hon'ble Chief Minister at Government level. The Government has decided that the work of Registration of Births and Deaths, which is being done at the level of Director General Health Services should be given to the respective District Magistrate in the district.

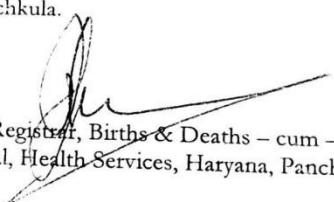

You are, therefore, requested to consider all applications of delayed Births & Deaths registration of your district, which had not been registered within One year of its occurrence. A detailed enquiry regarding correctness of date and place of such events and verification of documents is desirable as per prescribed section 13(3) of the Registration of Births & Deaths Act, 1969 before issuing orders under rule 9(3) of the Haryana Registration of Births & Deaths Rules, 2002 to avoid incorrect and dual registration. A photocopy of relevant sections and rules is enclosed herewith.
