ANNUAL REPORT ON REGISTRATION OF BIRTHS AND DEATHS ACT, 1969 FOR YEAR 2023

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

The enactment of the Registration of Births and Deaths Act, 1969 opened a new era in the history of vital registration system. Subsequently the Haryana Registration of Births and Deaths Rules 1972 were framed under this Act. These rules were repealed by the Haryana Registration of Births and Death rules 2002, which came into effect from 1st January 2002.

This report contains registration hierarchy, registration procedure coverage level, difficulties experienced, shortfalls and efforts made for the improvement of the registration system in the State.

6.0 General Response Of Public Towards The Act

The registration of births and deaths was not new for the public of Haryana State. Prior to enactment of Registration of Births and Deaths Act 1969, registration of vital events was governed under Medical Manual. Registration in the state is more than a century old. Registration record from year 1881 is available in some of

the urban as well as rural registration centres. Positive response on the new system adopted in the state has been received by the general public.

Following are the salient feature of the system.

1, Registration at the door step of the public.

2. Supply of free extract at the time of registration.

3. Delayed registration of events in case of un-registered event.

4. Sensitization of mass regarding CRS and its importance.

5. Registration of the name of a new born child at a belated stage.

In order to ensure cent percent delivery of free copy of extract, the certificate under Section 12 has been made as a part of the reporting forms. In this way provision of this Section has been made practically possible. In almost all the cases free certificates were delivered to the concerned families. Still there are few registration centres where efforts are still required. Chief Registrar office is coordinating with the Local Self Govt. department in order to implement registration system in urban area particularly ensuring cent percent delivery of free copies of the extract. Chief Registrar office is also coordinating with state government and Directorate of Census Operation, Haryana and ORGI in making all efforts to achieve the target of cent percent registration.

7.0 Maintenance of Records

Under the Act, Registrar is required to maintain the record of all births, deaths and still births in separate registers. On the first day of January 2023 new registration were started by the Registrars. Registrars verified this record and at the end of the year download the record from crsorgi portal.

To preserve the old Birth and Death registers, during year 2018-19, the birth and death record of districts was get scanned and digitalized. The scanning and digitalization of the record was get done through HARTRON (Nodal Agency).

8.0 Delayed Registration

Section 13 of RBD Act, 1969 laid down the procedure for registration of vital events reported after the expiry of stipulated normal reporting period i.e. 21 days. Provision of delayed fee has been prescribed in the state rules (Notified on dated 1st May 2015).

9.0 Printing of Forms & Registers

Chief Registrar ensured timely supply of forms and registers in sufficient quantity to all the rural registration centres as well as general hospitals in the state. Registrars of urban registration centres got printed these forms and registers themselves. No shortage of either forms or registers was reported by any registration centre or general public in the State.

10.0 Tabulation of Data

From year 2020, it has been decided to use MIS of crsorgi portal in generating monthly and annual report. So manual collection of returns from registration centres was discontinued and tables on birth & death registration generated through online registration was used in tabulation of various tables appended with the reports.

11.0 Medical Certification of Cause of Death

11.1 Coverage Area of MCCD

Medical Certification of Cause of Death scheme has been implemented under Section 10(3) of Registration of Births and Deaths Act, 1969. Till March, 2006 this scheme was limited only to the urban area of the state. But from dated 7ThApril, 2006 this scheme has been extended in the rural area also. State Government issued a Notification to amend the rule 7 of the state rules making all the medical institutions whether Govt. or Private mandatory to provide cause of death certification form to the concerned registrars along with the death reporting forms. Private Medical Practitioners practicing only in the urban areas have also been covered under MCCD scheme.

11.2 Coverage and Steps Taken For Improvement of MCCD

Almost all of the medical institutions in the state have been covered under this Scheme. Cause of death certificates were received in the office of Chief Registrar from all medical institutions and private practitioners practicing in the State.

12.0 Activities under NHM funding

Following contractual manpower have been deployed at districts & State Head quarter with the financial assistance under NHM to further strengthen the CRS in the State.

2	Investigator	2
3	Civil Registration Assistant	21

13.0 Computerization of Civil Registration System: -

In Haryana State online registration of births & deaths was introduced in March 2016 but manual registration was kept continued which was discontinued from 1st January 2020 and now, only online registration is being done in the registration centres.

The Aadhaar linkage of new born to the birth registration was also started in the State. This event was inaugurated by the Hon'ble CM, Haryana on dated 02.05.2015. For online registration and Aadhaar linkage about 481 Laptop and 540 Tablets were provided to the registration centres. Haryana was the first State to start the ALBR. Efforts have been made to link the birth and death registration to ensure its regular updation.

Following four services related to birth & death registration are being delivered in online mode through Antyodaya Saral Portal developed and maintained by Chief Minister Good Governance Programme (CMGGA).
