Package Billing Policy

- 1 Packages have been designed for the convenience of patient billing at a discounted rate and hence certain limits have been defined for the Investigations, room rent / ICUs and pharmacy consumption included in each package.
- 2 Pharmacy Consumption and Investigation beyond the limits, shall be charged extra on actual.
- 3 A fixed length of stay is defined for each package, including exact no. of days in ICU bed.
- 4 If a Patient stays longer in ICU bed than defined in package, room differential shall be charged wrt opted ward category.
- 5 If a Patient stays longer than total length of package stay, then full room rent occupied will be charged for each advance stay.
- 6 Doctor Consultation, Other than Primary Admitting Doctor or other than defined in package will be charged extra.
- 7 Implants/Device/Valve/Stent will be charged extra on actual MRP unless specified in package definition.
- 8 If more than 1 package charge in same sitting both will be charge 100% as per policy in tariff.
- 9 All services shall be charged extra on actual basis if stay of patient exceeds total length of stay defined in package.
- 10 Any additional Procedure or Surgery, if not defined in package definition, will be charged extra on actual.
- 11 The Management has the right to discontinue a package and to change terms and conditions, without giving any prior information or notice.

Cardiac Surgery - ADULT

Package includes Professional Fees Cardiac Surgeon, Anaesthesia Fees and OT Charges

Package days as mentioned against each Package

Investigations during package days as per mention limit.

Drugs & consumables during package days as per mention limit.

PACKAGE EXCLUSIONS :

Room rent / ICU rent charge on actual basis beyond package days

Medicine & consumables/ investigations beyond package days & package limit will be charged on actual

Implant / Device / Valve shall be charged extra on actual.

IABP , if required , will be charged .

Any additional procedure will be charged extra

PACKAGE INCLUSIONS:

- # Package includes Professional Fees of Cardiology Doctor, Anaesthesia Fees and OT / Cath Lab Charges
- # Package days are mentioned against each Package
- # Investigations during package days as per mention limit.
- # Drugs & consumables during package days as per mention limit.

PACKAGE EXCLUSIONS :

- # Room / ICU rent beyond package days
- # Medicine & consumables/ investigations beyond package days & package limit will be charged on actual
- # Stents/Pacemakers/ Combo device/ ICD or any other implant will be charged on actual.
- # Any additional procedure will be charged extra

41	CTVP000044	Image guided Injection Sclerotherapy with foaming technique	8,500	10,000	12,500	17,500	22,500	25,000

Billing Policy for Open / Non - Package

- a) OT Charges, Anaesthesia Charges and Doctor Professional fee shall be charged separately
- b) Investigations, Blood Bank, Pharmacy and Consumables shall be charged separately
- c) Physiotherapy and any additional procedure shall be charged separately
- d) Cost of Implants will be charged extra
- e) Room Rent, Nursing, Dietician and Patient Diet charges shall be charged as applicable and Separately

Billing Policy for IR Procedure

- a) 50% Charges as applicable as defined of the IR procedure will be charged as DSA Lab charges.
- b) If Procedure done under General / Spinal Anaesthesia than 35% charges applicable for Anesthesia
