1.0 Qualification of Bidder

Qualification of bidder will be based on meeting the minimum pass/fail criteria specified below regarding the Bidder’s Technical Experience as demonstrated by the Bidder’s responses in the corresponding Bid Schedules. The bid can be submitted by:-

- (i) Bidder shall be a Qualified Manufacturer meeting the specified requirements given under para 1.1 & 1.2,
Or
- (ii) Qualified Licensee of a Qualified Manufacturer (Requirements specific to Licensor-Licensee route are given under Para 1.1 (c) & 1.3 below),
Or
- (iii) A Joint Venture of two firms (Requirements specific to Joint Ventures are as per Standard bidding document & para given under 1.1(c)).
Or

(iv) Bidder as an EPC shall be qualified under Manufacturing Authorization (MAF) from Indian Manufacturers (OEM) or a legally enforceable undertaking (jointly with the proposed HTLS Manufacturer) (as per enclosed format) of bidding document to guarantee quality, timely supply, performance and warranty obligations as specified for the equipment(s) is submitted along with the bid. Bidder shall meet the specified requirement given under Para 1.2 and Manufacturer (OEM) shall meet the specified requirements given under para 1.1 (a) & 1.1 (B).

Or

(v) In case the bidder does not meet technical experience specified at 1.1 (a) OR 1.1 (b) and 1.2 at its own, the bidder should associate with firm(s) to form a joint ventures and the Joint Ventures shall meet the requirement as per 1.1 (a) OR 1.1 (b) and below as per standard JV clause f PTCUL.

1.1 Technical Experience:

1.1(a) The Qualified Manufacturer shall be an Indian manufacturer of HTLS conductor for the last five years.

The Qualified Manufacturer should have manufactured, type tested and supplied at least **200 KM** Composite Carbon Core High Temperature Low Sag (HTLS) conductor having minimum thirty Three (33) number of strands or 150 sq. mm. aluminum cross section area having at least same or more number of strands as that of the conductor being offered in last ten(10) years as on originally scheduled date of bid opening, and the same should have been in satisfactory operations* for a period of at least two (2) years as on the scheduled date of bid opening mentioned above in India.

OR

1.1(b) An indigenous manufacturer not meeting the requirement stipulated in clause 1.1(a) above can also participate provided he meets the following requirements as on schedule date of bid opening mentioned above:

The indigenous conductor manufacturer must be a manufacturer of conductor for the last five years.

The indigenous conductor manufacturer must have manufactured, tested, supplied at least **100 KM** Composite Carbon Core High temperature low sag (HTLS) conductor having minimum thirty three (33) number of strands or 150 sq. mm. aluminum cross section area having at least same or more number of strands as that of the conductor being offered in last ten (10) years as on originally scheduled date of bid opening as mentioned above and the same should have been in satisfactory operations* for a period of at least one (1) year as on the scheduled date of bid opening mentioned above in India.

Note: In case of clause 1.1(b) above, the warranty obligations for additional period of two (2) years over and above the warranty period as specified in the bidding documents shall be applicable.

*Satisfactory operation means Certificate issued by the Employer certifying the operation without any adverse remark.

OR

1.1(c) **Indigenous conductor manufacturer not meeting the qualification requirements stipulated at para 1.1(a) & 1.1(b) above can submit bid as:-**

(i) A Qualified Licensee of a Qualified Manufacturer (Licensor) meeting the requirement stipulated at para 1.1(a) (Requirements specific to Licensor-Licensee route are given under Para 1.3 below), or

(ii) A Joint Venture of two firms (Requirements specific to Joint Ventures are as per Standard bidding document).

Provided that:-

The Indigenous conductor manufacturer is a manufacturer of conductor for the last five years & has manufactured, tested and supplied at least one thousand (1000) km of ACSR/ AAAC/ ACAR/ AACSR conductor having at least same or more number of strands as that of the conductor being offered in the package during last five (5) years as on the date of bid opening mentioned above.

Note: In case of Clause 1.1(c) above, indigenous conductor manufacturers participating as a Qualified Licensee or as a partner in JV with Qualified manufacturer shall provide warranty obligations for additional period of two (2) years over and above the warranty period as specified in the bidding documents shall be applicable.

1.2 Erection Criteria for bidder:-

- a) The bidder should have successfully completed the stringing of Composite Carbon Core High Temperature Low Sag (HTLS) conductor of 132 kV or higher voltage class transmission line cumulatively not less than "12.5 Km." of route length within the last five (5) years or "25.0 Km." of route length within the last ten (10) years and the line should be in satisfactory operation for minimum one (01) year as on the date of bid opening.

OR

The bidder should have successfully completed the stringing of ACSR conductor of 220 kV or higher voltage class transmission line cumulatively not less than "25.0 Km." of route length within the last five (5) years or "50.0 Km." of route length within the last ten (10) years and the line should be in satisfactory operation for minimum one (01) year as on the date of bid opening. The bidder shall have the certified master installer of Composite Carbon Core HTLS conductor.

1.3 Requirements specific to Licensor-Licensee route:-

In case of bid by an Indigenous conductor manufacturer as a Qualified Licensee of a Qualified Manufacturer (Licensor) meeting the qualification requirements set forth in para 1.1(a), the Licensee should meet the following conditions:

- i) Qualified Licensee shall have adequate design infrastructure and manufacturing facility and capacity and procedures including quality control.
- ii) A Qualified Licensee of a Qualified Manufacturer shall comply with all of the following requirements and furnish a joint undertaking by the licensor along with the bidder in its bid.
- a) Any design undertaken by the Licensee shall be approved by the Licensor.
- b) Manufacturing by the Licensee shall be done with the approval of the Licensor under a quality assurance programme approved and monitored by the Licensor.
- c) In addition to the Contract Performance Security to be furnished by the bidder, the Licensor shall furnish back up performance security in the form of bank guarantee for 5 % of the CIF/ Ex-works cost of the Composite Carbon Core HTLS conductor as per format provided in the bid documents for successful performance of Composite Carbon Core HTLS conductor to be manufactured and supplied by the Licensee under the contract.
- d) Licensor must guarantee sequential and timely supply of materials and submission of technical information and data as desired by the Employer so as to meet the overall construction schedule and
- e) The agreement between Licensee and Licensor (copy to be submitted along with the bid) shall be valid for a period of at least five (5) years after the guarantee period of equipment and materials under supply is over.

In case bidder is a holding company, the technical experience referred to in clause 1.1 above shall be of that holding company only (i.e. excluding its subsidiary/group companies). In case bidder is a subsidiary of a holding company, the technical experience referred to in clause 1.1 above shall be of that subsidiary company only (i.e. excluding its holding companies).

1.4 The bidder shall submit documentary evidence in support of qualification requirement stipulated above.

The warranty obligations for bidder for additional period over and above the warranty period as specified in Clause 1.1 (a), 1.1(b) and 1.1 (c) are to be included in the bidding documents.

1.5 The bidder must comply the GTP of various items along with vendor name for supply of items in case of bought out items from the approved vendor in PTCUL and an undertaking to this effect must be submitted with the bid. All items should be type tested during last five (5) years.

2.0 Financial Qualifying Requirement

1 Minimum Average Annual Turnover:- The minimum average annual turnover of the tenderer **for the best three years (36 months) out of the last five years** should not be less than **Rs. 45.00 Crores**.

2 Access to Finances:- 'NIL' (As the completion period is below one year).

For Financial Qualification Criteria, Joint Venture Partners shall jointly / collectively meet 100% of Financial Qualification Requirement (FQR) of the respective tender.

Note: The balance sheet and all other financial documents attested/certified by CAs to substantiate fulfillment of FQR should be with UDIN failing which the tender will be summarily rejected without any further reference.

B. E.P.F. Registration certificate is mandatory to be submitted with the technical bid (part-I).

The other details, terms & conditions are given in tender documents.

Under signed reserves the right to reject the offer of one or all the tenderers without assigning the reason thereof.

E-Tenders will be received and opened on the dates as mentioned above. In case the above date is holiday, the tenders will be received & opened on the next working day at same time. This office is not responsible if the tender documents are delayed in transit or are not made available by the Postal Department / Courier. The under signed reserve the right to reject any or all tenders without assigning any reason thereof and no claim on this account shall be acceptable. The tenders received after the date & time as mentioned above shall not be considered. All other details and terms & conditions are available in tender document.
