

Structure of Faculty Entrepreneurship Development Programme (FEDP)

Faculty Entrepreneurship Development Programme (FEDP) is designed to train and develop professionals in entrepreneurship development so that they can act as resource persons in training, teaching, guiding and motivating young S&T persons to take up entrepreneurship as a career choice. Through each FEDP, 50 faculty members of Science and Technology Institutions, Polytechnics and Entrepreneurship Development Organizations are trained for duration of 2 weeks.

FEDPs provide inputs on process and practice of entrepreneurship development, communication and inter-personal skills, creativity, problem solving, achievement motivation, resources available and all aspects of entrepreneurship. Training methodology includes case studies, group discussion, simulation exercises, field visits and classroom lectures.

Programme Objective: Faculty Development Programme (FEDP) aims at equipping teachers/trainers with skills and knowledge that are essential for inculcating entrepreneurial values in students, guiding and monitoring their progress towards entrepreneurial career.

Who can conduct? : Institutes / organization engaged in entrepreneurship education/training having experience in the field of entrepreneurship development. The organization should have in-house training expertise for conducting entrepreneurship development related activities.

Target Group: In each FEDP 50 Teachers of Science & Technology Colleges/Institutions, trainers from organizations engaged in entrepreneurship development are trained through a structured training programme of 2 weeks duration.

Duration: 2 weeks
