### Message

With its flagship initiative, National Initiative for Developing and Harnessing Innovations (NIDHI), Department of Science and Technology (DST) has been at the forefront of fostering and nurturing Science & Technology driven innovations and entrepreneurship in India. Under NIDHI, the Entrepreneur in Residence (EIR) fellowship program was conceived in 2016 with the goal to inspire our S&T qualified youth to embrace entrepreneurship as a viable career path and contribute to shaping India's future and economy.

I am delighted to note that the program has been tremendously successful in supporting new technology ideas and in encouraging technology-based entrepreneurship. In the short span of last six years, over 1075 beneficiaries supported under NIDHI EIR have generated more than 600 intellectual properties, including patents, trademarks, and copyrights. With many EIR fellowships currently in progress, we anticipate even more impressive results in the near future.

Through NIDHI-EIR, DST is nurturing a new wave of entrepreneurs who are sure to set up impactful tech-driven startups which will contribute towards our mission of an *Amanishar Bharat*. Our vision is to nurture an ecosystem where creativity flourishes, calculated risks are embraced, and setbacks are viewed as stepping stones to success. We are not just supporting individuals, we are investing in India's innovation potential and paving a way for our nation to become a global leader in technology and entrepreneurship. I hope that this compendium motivates young innovators and entrepreneurs to go for a successful startup journey in the near future.

#### FOREWORD

Over the course of five rounds, the NIDHI-Entrepreneur in Residence (EIR) program has achieved remarkable nationwide outreach, with execution partners spread across 31 cities in 15 states, supporting over 1,075 EIR Fellows from over 25 states across the country. The NIDHI EIR program has proven instrumental in nurturing innovative technology ideas and fostering tech-based entrepreneurship as a viable career path, significantly contributing to the vibrant and rapidly growing Indian startup ecosystem. To date, the program has facilitated the generation of more than 600 intellectual properties, including patents, trademarks, and copyrights, and we anticipate even more impressive results from the ongoing fellowships.

This compendium serves as a testament to the innovative spirit of our fellows and the transformative power of supportive ecosystems in driving entrepreneurship and technological advancement in India.

The success stories contained within these pages are not just a celebration of individual achievements, but a reflection of our collective stride towards a more innovative and self-reliant India. As we continue to invest in our brightest minds, we are laying the foundation for a future where Indian startups lead the way in solving global challenges through technology and innovation.

## PREFACE

The NIDHI-Entrepreneur-In-Residence (EIR) program has emerged as a catalyst in India's entrepreneurial revolution offering fellowships and vital affiliations with Technology Business Incubators (TBIs). The program's impact is significant with over 70% of NIDHI EIR fellows under the age of 30, bringing about a new era of young entrepreneurship in India.

The numbers speak volumes: 1000+ fellows from just the first four rounds have launched their own companies or LLPs, creating an impressive 3,700 jobs and developing over 1070+ prototypes. This surge of innovation is shaping the future of our nation's technology landscape, one Startup at a time.

This compendium presents 50 impactful supported entrepreneurs by DST under the NIDHI-EIR program, showcasing a part of the program's significant impact on India's entrepreneurial landscape. Each page of this compendium reflects the dreams, determination, and ingenuity of some of our EIR fellows, and the collective vision of an Atmanirbhar and technology-driven India.

Our Program Execution Partners (PEPs) for NIDHI EIR have been the backbone of this success, working tirelessly with EIR fellows to cultivate a rich pipeline of technology-based startups. Their dedication, along with the seamless coordination of our Program Management Unit at EDC, NCL Venture Centre - Pune, has been instrumental in transforming bold ideas into thriving enterprises.

I extend my heartfelt gratitude to every NIDHI EIR associated PEP, mentor, and especially to our brilliant EIR fellows: your contributions and achievements are building the foundation of tomorrow's India.

  
(Praveen Roy)

# About the NIDHI-EIR Program

---

Entrepreneurs-in- Residence (EIR) Programme under National Initiative for Developing and Harnessing Innovations (NIDHI) of Department of Science and Technology supports aspiring or budding entrepreneur of considerable potential for pursuing a promising technology business idea over a period up to 18 months with a subsistence grant up to Rs 30000 per month with a maximum cap of total support of Rs 3.6 lakh to each EIR.

## **Key objectives of the program are:**

- To provide guidance to these aspiring entrepreneurs from experienced, innovative and highly successful entrepreneurs on the business concept, strategy or venture and insight into specific industries or markets
- To share best practices for starting a business and broaden the professional network.
- To facilitate incubation support for developing the idea into a marketable product.
- To encourage young graduates to become entrepreneurs.

The Programme thus encourages enterprising individuals to venture out and pursue daring entrepreneurial ideas as well as enhances the quantity and quality of startups.

DST has appointed Entrepreneurship Development Center, Pune as its Program Implementation Partner (PIP) and 42 Program Execution Partners (PEP) are selected over 5 rounds to execute the programme under PIP's guidance.

The progress of the programme is continuously monitored using the website developed by PIP for program management - [www.nidhi-eir.in](http://www.nidhi-eir.in)

## NIDHI EIR: Round 4

**Chethan G S**

₹ **60**  
Lakh  
Fund raised

Manipal Universal Technology Business  
Incubator, Manipal, Karnataka

## PharmIT Solutions Pvt Ltd

### Product / service developed

PharmIT connects the pharma supply chain, managing receipts, orders, distribution, returns, and invoices. Their Medical Representative Reporting Software boosts sales teams' productivity by streamlining workflows and tracking visits.

### Achievements

- Revenue generated: ₹50 Lakh
- No of products/services sold: 30 Licenses (SaaS Model)
- Jobs created: 12
- Current TRL level: 7

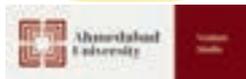

## NIDHI EIR: Round 1

**Nikki Thakrar**

₹ **60**  
Lakh  
Fund raised

Ahmedabad University Support  
Foundation, Ahmedabad, Gujarat

## Heavty Automations Pvt Ltd

### Product / service developed

Heavty Automation specializes in innovative solutions for efficient and safe goods transportation. Their flagship product, ShinUp, is a semi-automatic load carrier designed to navigate stairs effortlessly with a load capacity ranging from 100 to 500 kg

### Achievements

- Revenue generated: ₹4.7 Lakh
- IP filed: 01
- Jobs created: 4
- Current TRL level: 7

## NIDHI EIR: Round 4

**Darpan Kadu**

₹ **57**  
Lakh  
Fund raised

## Techinnovate Mobility Pvt Ltd

### Product / service developed

Techinnovate Mobility is customizing designing and developing an indigenous electric two-wheeler for daily commuters at a comparatively low cost single commuters, delivery, and service professionals

### Achievements

- Revenue generated: ₹40 Lakh
- IP filed: 9
- Jobs created: 3
- Current TRL level: 9

## NIDHI EIR: Round 4

### Meet Kalola

₹ **55**  
Lakh  
Revenue generated

## Vijigi Energy Pvt Ltd

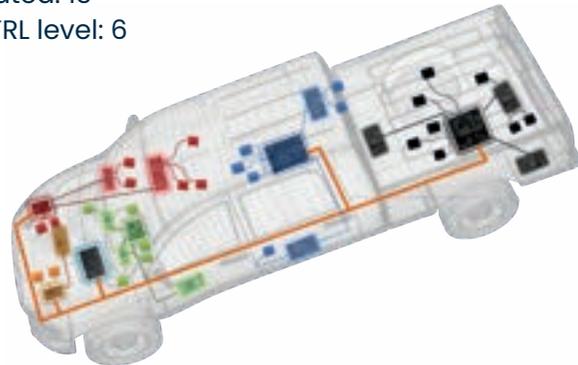

### Product / service developed

Vijigi Energy is developing integrated electrical and controls platform for zero emission vehicles that simplifies vehicle electrical architecture, reduces wiring harness complexity, enhances safety and reduces vehicle development cost.

### Achievements

- Fund raised: ₹16.5 Lakh
- IP filed: 1 Patent and 1 Trademark
- Awards & Recognitions: Winner: Evangelise, Dec 2023
- Jobs created: 13
- Current TRL level: 6

## NIDHI EIR: Round 4

**Sudha Ramesh  
Karbari**

₹ **50**  
Lakh  
Fund raised

## Arkashine Innovations Pvt Ltd

Arka.Shine  
Innovation in agriculture

### Product / service developed

SoilSaathi is a IOT and AI-integrated product that delivers reliable, effortless, and accurate soil analysis directly on the farm. This portable device, designed like a backpack, allows the entire miniature testing lab to be easily transported to remote and challenging locations where traditional soil testing labs are inaccessible

### Achievements

- IP filed: 7
- Jobs created: 2
- Current TRL level: 6

## NIDHI EIR: Round 2

**Sarath Kumar**

₹ **50**

Lakh

Revenue generated

PSG College of Technology  
Science & technology  
Entrepreneurial Park,  
Coimbatore, Tamil Nadu

## PSITRON Technologies PVT LTD

### Product / service developed

Psitron Technologies has developed CLICK, which is a quick and long-lasting autonomous maintenance IoT device which enables a smarter way to validate and collect Maintenance data digitally. This collected audit data not only provides complete Total Productive Maintenance (TPM) analytics but also enables to make smart decisions for future TPM activities

### Achievements

- No of products/services sold: 500+ services
- Jobs created: 7
- Current TRL level: 7

## NIDHI EIR: Round 3

**Kanak  
Kawadiwale**

₹ **40**  
Lakh  
Fund raised

Society for Innovation &  
Entrepreneurship-SINE, IIT  
Bombay, Maharashtra

## Arishti CyberTech Pvt Ltd

### Product / service developed

Arishti CyberTech has developed MessageMe which is a first ever consent based messaging platform for sensitive communications with ultimate traceability, monitoring and controlling capabilities.

### Achievements

- Fund raised: ₹2.5 Lakh
- IP filed: 1 Patent filed, 1 granted trademark
- Awards & Recognitions: Winner at RBIH FinXcelerator Cohort 2023, AICTE Innovation Award 2021; IIC NIC Winner under Ministry of Education, GoI. ISO 27001
- No of products/services sold: 3 large enterprises onboarded
- Jobs created: 15
- Current TRL level: 8

## NIDHI EIR: Round 4

**Swetha Manian**

₹ **44**  
Lakh  
Fund raised

Society for Innovation &  
Entrepreneurship-SINE, IIT  
Bombay, Maharashtra

## WeatherCast Solutions Pvt Ltd

### Product / service developed

WeatherCast Solutions has developed neural network model that accurately forecasts weather for any location up to 48-hours in advance, incorporates data from our IoT based automatic weather station VIYAT. VIYAT is capable of recording various in-situ meteorological and microphysical parameters. Forecast is made available on a user-friendly dashboard and via app.

### Achievements

- IP filed: 01
- No of products/services sold: 14
- Jobs created: 8
- Current TRL level: 9

## NIDHI EIR: Round 5

**Atharva Naik**

₹ **37**  
Lakh  
Fund raised

## FlyLab Solutions Pvt Ltd

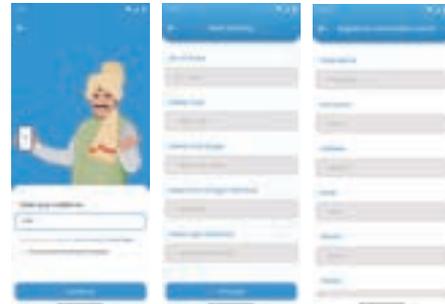

### Product / service developed

Drones Service Platform – “DroneDekho”, transforming the drone landscape by catering end to end drone solutions under one umbrella. DroneDekho unifies the fragmented drone ecosystem, offering comprehensive solutions addressing water wastage, labor shortages, & uneven pesticide spraying in agriculture. Empowering micro-entrepreneurs and directly impacting farmers with transformative drone technology

### Achievements

- Fund raised: ₹34 Lakh
- IP filed: 2 Trademarks filed
- Awards & Recognitions: Winners of Maharashtra Startup Yatra-2022; 1st prize at the GITAM Youth Conclave 2023
- Jobs created: 10
- Current TRL level: 9

## NIDHI EIR: Round 4

**Rupali Gupta**

₹ **37**  
Lakh  
Fund raised

## Kstri Innovations Pvt Ltd

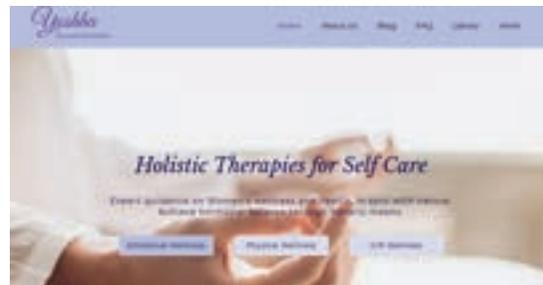

### Product / service developed

Kstri Innovations has developed a mobile app platform (brand Yoshha) that provides guidance through menopause for menopausal women at the age of 40+ years, and maintenance of cognitive health with early stage screening of cognitive decline.

### Achievements

- IP filed: 1 patent, 1 Trademark
- Awards & Recognitions: 2023 Amrit Grand Challenge- Jan care
- Jobs created: 7
- Current TRL level: 3

## NIDHI EIR: Round 5

**Divasjoti  
Parashar**

₹ **35**  
Lakh  
Fund raised

Atal Incubation Centre  
(AIC ISB), Indian School Of  
Business, Mohali, Punjab

## Quintinno Labs Private Limited

### Product / service developed

Quintinno Labs is developing a compact and portable power bank for electric cars. Designed to fit in the trunks of individual cars, it provides a quick top-up of 35-40 km anytime and anywhere.

### Achievements

- IP filed: 2 Patents
- Awards & Recognitions: Emergent Ventures Grant, May, 2023
- Jobs created: 2
- Current TRL level: 5

## NIDHI EIR: Round 5

**Akshya Shree**

₹ **35**  
Lakh  
Revenue generated

## Tad Udyog Pvt Ltd

### Product / service developed

We are a bamboo innovation company. We create a value chain connecting communities in the growing bamboo region and urban consumers through bamboo products. We provide machinery and upskilling support to the artisan communities and clusters. Thereafter, we design and manufacture products that suit the requirements of a modern-day consumer

### Achievements

- Fund raised: ₹28 Lakh
- IP filed: 1 Patents
- Awards & Recognitions: Emerging women entrepreneur' India SME Forum – 2023; Winner WTI Awards 2022 by NITI AAYOG Incubated with NDBI, Ahmedabad; Honouree Forbes Asia 30U30 Class of 2021 – April 2021
- Jobs created: 1, 350+ artisans onboarded
- Current TRL level: 4

## NIDHI EIR: Round 4

### Sameer Pitale

₹ **32**  
Lakh  
Fund raised

## Rowido LLP

### Product / service developed

Rowido has developed a product that detects weather change and provides disease prediction to farmers. The crop diseases are predicted and the real time insect paste monitoring can be done to undertake data-based controlling measure.

### Achievements

- IP filed: 3 trademarks
- Jobs created: 12
- Current TRL level: 4

## NIDHI EIR: Round 5

### Ananda Kumar Mishra

₹ **30**  
Lakh  
Fund raised

Atal Incubation Centre  
(AIC ISB), Indian School Of  
Business, Mohali, Punjab

## Cowbit Technologies Pvt Ltd

### Product / service developed

Cowbit Technologies is engaged in IoT technology implementation for cattle health monitoring system benefiting dairy farmers & cattle welfare through mobile apps and alerts. The smart neck collars developed by Cowbit monitors dairy cows and gathers temperature, rumination, activity & other behaviour data.

### Achievements

- Revenue generated: ₹12 Lakh
- IP filed: 1
- No of products/services sold: 37
- Jobs created: 27
- Current TRL level: 3

**NIDHI EIR: Round 2**

**Jitendra  
Chaudhury**

₹ **30**  
Lakh  
Fund raised

IIM Calcutta  
Innovation Park,  
Kolkata, West Bengal

## **New Unnat India Techno Solutions & Innovation Pvt Ltd**

### **Product / service developed**

The company has designed and developed a very low-cost water purifier and cooler, SHUDDHAM, specifically for the rural and economically weak communities of the country who cannot afford two separate products for water purification and cooling

### **Achievements**

- Revenue generated: ₹23 Lakh
- IP filed: 4 Patents ,1 Trademark
- Awards & Recognitions: Karma Veer Chakra Award By ICONGO and United Nation in November 2019; Ek Lavya Award In Nation Project Competition, March 2019; Vision 2030 award at IIT Bombay
- No of products/services sold: 25
- Jobs created: 5
- Current TRL level: 9

## NIDHI EIR: Round 4

**Akash Gupta**

₹ **30**  
Lakh  
Revenue generated

Incubation Centre IIT  
Patna, Bihta, Bihar

## Bevarc Construction Pvt Ltd

### Product / service developed

Bevarc Construction is providing one stop solution in the civil domine like, facilitating the customers in the areas of construction of building, purchasing of raw material, helping contractor & labor/mason, engineers, house plan designs & designers for the Govt Sector, Private sectors and publics.

### Achievements

- Fund raised: ₹10 Lakh
- IP filed: Trademark filed
- Jobs created: 5
- Current TRL level: 7

## NIDHI EIR: Round 4

**Vipin KV**

₹ **27**  
Lakh  
Revenue generated

## Autogenbot LLP

### Product / service developed

The company has developed manually operated / automatically guided electric vehicles which can carry heavy loads (produce) such that the tedious labor-intensive tasks can be done at a faster rate with target spraying. The products can be used in orchid agriculture for spraying, and image recognition spraying which can effectively reduce 50% of pesticide cost

### Achievements

- Jobs created: 4
- Current TRL level: 8

## NIDHI EIR: Round 5

**Alladi Harish**

₹ **23**  
Lakh  
Fund raised

## Anjamma Healthcare Pvt Ltd

### Product / service developed

Anjamma Healthcare is developing an innovative, non-invasive medical device that accurately detects and predicts blood glucose levels using advanced AI and ML technologies with high-sensitivity, non-harmful sensors. Additionally, the device features an integrated chatbot for doctor consultations via an app and an emergency communication system connecting patients, doctors, and family members.

### Achievements

- IP filed: 2 Patents
- Awards & Recognitions: Dessert hack Winner
- Jobs created: 20
- Current TRL level: 3

## NIDHI EIR: Round 1

**Nikita Lalwani**

₹ **22**  
Lakh  
Fund raised

## CCtech Health & Env Pvt Ltd

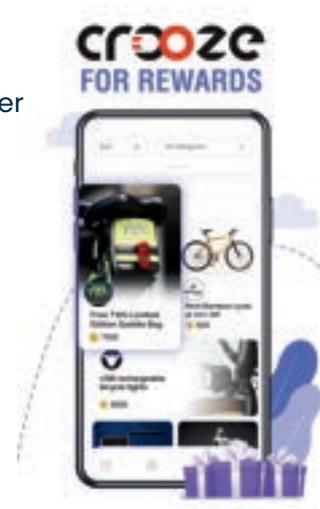

**crooze**

### Product / service developed

Crooze App which acts as a companion in the journey of cycling/running/walking, empowering users to achieve their fitness goals like never before with Rewards and Recognition; Gamification and Challenges; Community Support, and Content to Grow.

### Achievements

- Revenue generated: ₹15 Lakh
- No of products/services sold: 35000 Downloads & 50+ Partner
- Awards & Recognitions: Mahindra Rise Sustainability Champion Award 2023
- Jobs created: 4
- Current TRL level: 7

NIDHI EIR: Round 4

Nitin Tiwary

₹ **21**  
Lakh  
Fund raised

## AR Village Technologies Pvt Ltd

### Product / service developed

The company is providing the Virtual Reality based different surgical, dental and clinical modules to MBBS students, para medical staffs, nurses, and doctors. User can use VR device i.e Oculus Quest 2 to access the VR based 3D simulation and practice different medical procedures multiple times.

### Achievements

- IP filed: 1 Trademark
- No of products/services sold: 2
- Awards & Recognitions: Top 20 XR startups in XR Hackathon by Meta & Meity.
- Jobs created: 3
- Current TRL level: 6

Incubation Centre IIT  
Patna, Bihta, Bihar

## NIDHI EIR: Round 5

**Harshit Garg**

₹ **20**

Lakh

Revenue generated

## Leap10x Pvt Ltd

### Product / service developed

Leap10x, an Engagement & Learning platform, to enable learners to enjoy learning experiences that look and feel like the social media apps using whatsapp and AI, especially for frontline and blue collar workers. The training is also available in regional languages.

### Achievements

- No of products/services sold: 4 marquee clients
- Awards & Recognitions: Selected for People Matter Hr Tech Conference as startup partner 2024
- Current TRL level: 7

IIM Udaipur Incubation  
Center, Udaipur,  
Rajasthan

## NIDHI EIR: Round 4

**Sachin Korla**

₹ **15**  
Lakh  
Revenue generated

## Udyam Well Pvt. Ltd

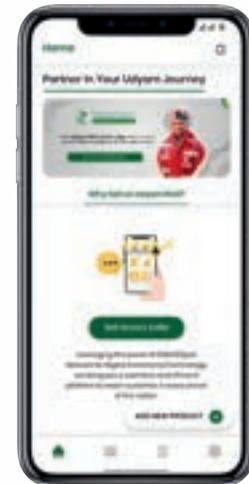

### Product / service developed

UdyamWell bridges the gap between rural producers and urban consumers with an ONDC-enabled digital platform which provides market access, personalized training, and continuous support to enhance product quality and marketing strategies, ensuring fair pricing and sustainable growth for small businesses.

### Achievements

- Fund raised: ₹6 Lakh
- IP filed: 1 trademark
- No of products/services sold: 30
- Awards & Recognitions: SBI Foundation's Sahyog and Pitchfest -2023
- Jobs created: 6
- Current TRL level: 6

## NIDHI EIR: Round 4

**Aditya Dave**

₹ **15**  
Lakh  
Revenue generated

## Cibos Techno Solutions Pvt Ltd

### Product / service developed

Cibos Techno Solutions has developed DC Electronic Low Voltage technology for off-grid refrigeration, heating systems as well as specific technologies around food and last-mile delivery services. It aims to redefine the street food experience by developing and manufacturing ergonomic and user-centric smart and solar street food carts.

### Achievements

- Fund raised: ₹12 Lakh
- IP filed: 2 patents
- Awards & Recognitions: Only Startup from India selected for accelerator @ Watson Institute, USA; Winner at Techstars Startup Weekend Youth Edition Rajkot.
- Current TRL level: 8

Innovation and Incubation  
Centre, Pandit Deendayal  
Petroleum University  
Gandhinagar Gujarat

## NIDHI EIR: Round 4

**Jeet Rajesh  
Jhaveri**

₹ **13**  
Lakh  
Revenue generated

## VR Upchar Pvt Ltd

MedicoXR<sup>TM</sup>  
Extended Reality For Medical

### Product / service developed

VR Upchar (Brand Name: Medico XR) provides an Extended Reality (XR) solution in healthcare which includes XR therapeutics, patient education, risk-free surgical simulation platforms, customized solutions to institutions and aligning technology with their unique needs.

### Achievements

- Fund raised: ₹10 Lakh
- IP filed: 2 Trademark
- No of products/services sold: 13
- Awards & Recognitions: Winner of "Healthathon 2022" Organized by IIHMR Startups and "Build for the Metaverse" AR/VR Innovation Challenge Organized by AIC-MUJ.
- Jobs created: 6
- Current TRL level: 9

# Acknowledgement

---

We extend our heartfelt gratitude to DST for entrusting Venture Center as the Program Implementation Partner for the NIDHI-EIR initiative. The NIDHI-EIR team at Venture Center has closely collaborated with DST and the 42 Program Execution Partners to successfully implement this program across the nation.

This book highlights the significant impact of the program across various metrics, including program reach, funds raised, intellectual property created, prototypes developed, and employment and revenue generated. We are proud to showcase the valuable contributions this program has made to the startup ecosystem.

We sincerely appreciate DST's unwavering commitment to nurturing the Indian startup ecosystem through its diverse initiatives. We eagerly anticipate seeing some of these EIR fellows evolve into unicorns in the near future. We wish all the EIRs a successful and fulfilling entrepreneurial journey ahead.
