I GENERAL

1. Indian Institutes of Technology [IITs] offer several academic programs for which admission is on the basis of JEE (Advanced) 2022.

National Institutes of Technology [NITs], Indian Institute of Engineering Science and Technology, Shibpur [IEST], Indian Institutes of Information Technology [IIITs or Triple-I-Ts] and a few other technical Institutes funded fully or partially by Central or a State government [Other-GFTIs] (referred to as NIT+) offer academic programs for which admission is on the basis of JEE (Main) 2022.

Eligibility Table	
Qualifying Examination	Admitting Institutes
JEE (Advanced) 2022	IITs
JEE (Main) 2022 B.E. / B. Tech. Paper	NITs, IEST, IIITs (Triple-I-Ts) and Other-GFTIs
JEE (Main) 2022 B.Arch. / B. Plan. Paper	
Qualifying in the examinations mentioned above does not guarantee admission in any of the Institute. Each Institute / academic program has additional eligibility requirements. Candidates have to meet all the eligibility requirements to obtain admission.	

The names of IITs, NITs, IEST, IIITs (Triple-I-Ts) and Other-GFTIs are listed in Annexure 1.

It is mandatory for the candidates to register through the official JoSAA 2022 online portal to be able to obtain seats to be allocated through JoSAA 2022 in any of the IITs, NITs, IEST, IIITs (Triple-I-Ts) and Other-GFTIs. The academic programs, along with the category-wise intake capacity known as seat matrix, will be announced on the online portal, <https://josaa.nic.in/>.

The business rules stated herein will be followed for allocating seats for the above referenced academic programs for the academic year 2022-23, through joint seat allocation for the IITs and NIT+ System.

There are various provisions contained in these Business Rules which may not be reversible. The candidates are strongly advised to exercise their options carefully and may seek guidance through the grievance redressal mechanism provided in these rules [See point 84 below].

The seat allocation process follows a strict time line. The entire process is on-line and computer operated. No exceptions are possible and therefore, candidates are strongly advised to thoroughly acquaint themselves with these Business Rules, be vigilant, keep their documents handy and make arrangements for making the requisite payments, well in advance. It will not be possible to entertain requests for extension of time for adhering to a time line or for completing any activity.

2. A candidate chooses and applies to a series of academic programs in a certain order of preference.

In the context of seat allocation, “academic program” refers to the combination of academic program and Institute. For example, a 4-year B.Tech degree in Energy Science and Engineering at IIT Bombay is referred to as an “academic program”. Another example of an academic program is a 4-year B.Tech. in Mechanical Engineering at NIT Rourkela.

A seat to the highest possible choice of academic program is allocated to the candidate considering the following factors:

- (i) The category [GEN, GEN-EWS, OBC-NCL, SC, ST, GEN-PwD, GEN-EWS-PwD, OBC-NCL-PwD, SC-PwD, ST-PwD] of the candidate.
- (ii) The position of the candidate in respective rank list(s).
- (iii) The order of preference of academic programs selected by the

candidate.

- (iv) The availability of seats in different seat categories / seat quotas for which the candidate is eligible.
- (v) Other business rules as mentioned in this document.

II ENTITIES

3. The Joint Admission Board, JEE (Advanced) 2022 [JAB 2022] conducts JEE (Advanced) 2022, and frames the policies and norms for seat allocation to IITs.

The JEE Apex Board conducts JEE (Main) 2022 and the Central Seat Allocation Board [CSAB] 2022 frames the policies and norms for seat allocation to NITs, IEST, IIITs (Triple-I-Ts) and Other-GFTIs. CSAB 2022 also frames the rules and policies for seat allocation for CSAB special vacant seat filling round(s) including CSAB supernumerary counseling and CSAB NEUT counseling. The business rules and schedule for CSAB activities will be announced by CSAB at <https://csab.nic.in> in due course of time.

Joint Seat Allocation Authority [JoSAA] 2022 consists of representatives from the JAB 2022 and CSAB 2022.

National Informatics Center (NIC) will extend its technical support and expertise for providing the services of e-Counseling and Admission for the above said activities carried out by JoSAA 2022 and CSAB 2022.

No agency other than JoSAA 2022 is responsible for joint seat allocation to the seats at the IITs/NIT+. Candidates seeking information / assistance from any agency / agent other than JoSAA 2022 shall be doing so at their own risk and cost. There is only ONE official JoSAA 2022 website, viz., [same as <https://josaa.nic.in/>].

IV CATEGORIZATION OF CANDIDATES

5. For the purpose of seat allocation, qualified candidates are categorized based on the presence or absence of disability and nationality. On the basis of such a categorization, each candidate is assigned a category tag as given below.

(A) For Indian Nationals

- (i) Category tag GEN: This is assigned to Indian nationals of general category who do NOT belong to GEN-EWS, OBC-NCL, SC or ST category (or who fail to produce valid GEN-EWS, OBC-NCL, SC or ST certificate) and are NOT Persons with Disabilities.
- (ii) Category tag GEN-PwD: This is assigned to Indian nationals of general category who do NOT belong to GEN-EWS, OBC-NCL, SC or ST category (or who fail to produce valid GEN-EWS, OBC-NCL, SC or ST certificate) and are Persons with Disabilities (PwD). Candidates must produce a valid PwD certificate to be assigned this tag.
- (iii) Category tag GEN-EWS: This is assigned to Indian nationals of general category belonging to the Economically Weaker Section (EWS) and are NOT Persons with Disabilities and are NOT Persons belonging to OBC/SC/ST category. Candidates must produce a valid GEN-EWS certificate to be assigned this tag.
- (iv) Category tag GEN-EWS-PwD: This is assigned to Indian nationals of GEN-PwD category belonging to the Economically Weaker Section (EWS) and are Persons with Disabilities. Candidates must produce valid GEN-EWS and PwD certificates to be assigned this tag. Thus, candidates belonging to the economically-weaker sections of the general category are divided into two mutually exclusive categories and are assigned either one of the tags GEN-EWS or GEN- EWS-PwD.

- (v) Category tag OBC-NCL: This is assigned to Indian nationals who belong to the Non-Creamy Layer of Other Backward Classes (OBC-NCL) and are NOT Persons with Disabilities. Candidates must produce a valid OBC-NCL certificate to be assigned this tag. The backward class MUST be in the Central List of OBCs.
- (vi) Category tag OBC-NCL-PwD: This is assigned to Indian nationals who belong to the Non-Creamy Layer of Other Backward Classes and are Persons with Disabilities. Candidates must produce valid OBC-NCL and PwD certificates to be assigned this tag. The backward class must be in the Central List of OBCs. Thus, candidates belonging to the Non- Creamy Layer of Other Backward Classes are divided into two mutually exclusive categories and are assigned either one of the tags OBC-NCL or OBC-NCL-PwD.
- (vii) Category tag SC: This is assigned to Indian nationals who belong to the Scheduled Castes (SC) and are NOT Persons with Disabilities. Candidates must produce a valid SC certificate to be assigned this tag. The Scheduled Castes MUST be listed in the respective State-wise List published by the Ministry of Social Justice & Empowerment, Government of India.
- (viii) Category tag SC-PwD: This is assigned to Indian nationals who belong to Scheduled Castes and are Persons with Disabilities. Candidates must produce valid SC and PwD certificates to be assigned this tag. Thus, candidates belonging to the scheduled castes are divided into two mutually exclusive categories and are assigned either one of the tags SC or SC-PwD.
- (ix) Category tag ST: This is assigned to Indian nationals who belong to Scheduled Tribes (ST) and are NOT Persons with Disabilities. Candidates must produce a valid ST certificate to be assigned this tag. The Scheduled Tribes MUST be listed in the respective State-

wise List published by the Ministry of Tribal Affairs, Government of India.

- (x) Category tag ST-PwD: This is assigned to Indian nationals who belong to Scheduled Tribes and are Persons with Disabilities. Candidates must produce valid ST and PwD certificates to be assigned this tag. Thus, candidates belonging to the scheduled tribes are divided into two mutually exclusive categories and are assigned either one of the tags ST or ST-PwD.

(B) For Foreign Nationals

- (i) For IITs

Candidates who are NOT Indian nationals (by birth or naturalized) and/or OCI/PIO card holders AND have studied 10+2 level or equivalent in India OR abroad are assigned **Foreign tag** for the purpose of seat allocation to IITs. These candidates are not eligible for benefits of any kind of reservation (e.g., GEN-EWS, OBC-NCL, SC, ST or PwD) and the seats allocated to them are supernumerary. There are no separate supernumerary seats or sub-category for females in the foreign national supernumerary seats.

- (ii) For NITs, IEST, IIITs (Triple-I-Ts) and Other-GFTIs

Candidates who are NOT Indian Nationals (by birth or naturalized) and/or OCI/PIO card holders, irrespective of whether they have studied 10+2 level or equivalent in India or abroad, are assigned foreign tag. Such candidates are not eligible for seat allocation through JoSAA to NITs, IEST, IIITs (Triple-I-Ts) and Other-GFTIs.

- 6. (A) For candidates who have qualified in JEE (Advanced) 2022 and have appeared in JEE (Main) 2022, the category of a candidate as entered in the database provided by the JEE Apex Board 2022 [which conducted JEE (Main) 2022] will be considered in such category, subject to document

verification by the Joint Admission Board 2022.

(B) For candidates who have qualified in JEE (Advanced) 2022 and did not appear in JEE (Main) 2022 (i.e., eligible through “one-time measure”), the category of a candidate as entered during JEE (Advanced) 2022 registration will be considered in such category, subject to document verification by the Joint Admission Board 2022.

7. For candidates who have NOT registered for JEE (Advanced) 2022 or registered but not qualified JEE (Advanced) 2022, category tag is assigned based on the candidate’s declaration in the JEE (Main) 2022 registration portal and will be subject to document verification in accordance with the rules announced by CSAB.

8. For the purpose of allocating seats for NIT+, i.e. NITs, IIITs, IEST and Other-GFTIs, candidates are also assigned a state code of eligibility.

(i) State code of eligibility means the code of the state from where the candidate has passed Class XII (or equivalent) examination by virtue of which the candidate becomes eligible to appear in JEE (Main) 2022. The codes of the states are same as those given in the JEE (Main) 2022 Information Bulletin. It is important to note that the state code of eligibility does NOT depend upon the native place or the place of residence of the candidate.

For example, if a candidate appears for the Class XII examination in Delhi and is a resident of NOIDA, Uttar Pradesh, the candidate’s state code of eligibility will be that of Delhi State and NOT that of Uttar Pradesh.

(ii) If a candidate has passed Class XII (or equivalent) examination from one state but appeared for improvement from another state, the candidate’s state code of eligibility will be from where the candidate first passed the Class XII (or equivalent) examination and

NOT the state from where the candidate has appeared for improvement.

(iii) For Indian nationals passing the Class XII (or equivalent) examination from an institution abroad, the state code of eligibility will be determined on the basis of permanent address in India as given in the passport of the candidate.

V DISTRIBUTION OF SEATS INTO PROGRAM-SECTIONS

9. The total intake (i.e., number of seats) for an academic program is distributed into different Program-Sections. These are OPEN, GEN-EWS, OBC-NCL, SC, ST, OPEN-PwD, GEN-EWS-PwD, OBC-NCL-PwD, SC-PwD, and ST-PwD.

Candidates with category tag “Foreign” are eligible for supernumerary seats in IITs without any other category tags (see Section X).

11. Distribution of Program seats in NIT+ Systems

(i) In addition to the distribution of program seats (based on categories of candidates) as described above, seats for academic programs offered by NITs, IEST Shibpur and PEC Chandigarh are distributed into Home State quota and Other States quota.

“Home State quota” is ONLY for candidates whose Home State/UT, as determined by the State Code of Eligibility, is the same as the state/UT in which the institute is located.

Supernumerary seat allocation for these Union Territories will be done

after the joint seat allocation and seat acceptance under JoSAA and CSAB Special round for NITs, IEST, IITs, and GFTIs. The business rules and schedule for allocating these supernumerary seats will be announced subsequently by CSAB at <https://csab.nic.in>.

14. The number of seats available for different candidate categories / quotas (i.e., seat matrix) will be announced in the online portal <https://josaa.nic.in>.
15. JoSAA 2022 allocates seats as per the seat matrix data provided by the participating Institutes. It is the sole responsibility of each participating institute to provide the seat matrix data taking into consideration the reservation and other policies applicable to them / decided by them. JoSAA 2022 is NOT responsible for the seat matrix data.

VIII MULTIPLE STUDENT–SAME RANK RULE

22. In the event that there is fewer number of seats available under a particular category in an academic program than the number of candidates with the same category-wise rank seeking admission to the same program, then all those candidates will be offered seats by creating requisite number of supernumerary seats.

IX [ONLY FOR IITs] SEAT ALLOCATION FOR DS CANDIDATES

23. Two (2) supernumerary seats are preferentially allocated in every Institute for candidates who qualify under the Defence Services (DS) category. In order to avail the benefit of DS category, the candidate must submit the Form-DS certificate.

A DS candidate must be in the CRL to be eligible for preferential allocation under the DS category.

Candidates who are eligible for seat allocation under the DS category will also be considered under their category [viz., GEN, GEN-EWS, OBC-NCL, SC, ST, GEN-PwD, GEN-EWS-PwD, OBC-NCL-PwD, SC-PwD, and ST-PwD]. For example, if a candidate belongs to the OBC-NCL category and is also eligible for admission under the DS category, then the candidate will be considered for seat allocation in an academic program of an IIT in the following order: first for OPEN seats, followed by OBC-NCL category seats, and then for seats under DS category.

X [ONLY FOR IITs] SEAT ALLOCATION FOR THE CANDIDATE WITH FOREIGN TAG

24. For consideration for seat allocation, foreign tag candidates should be in the CRL and satisfy all the eligibility requirements meant for a GEN category candidate. Seat allocation to foreign tag candidates is carried out after the seat allocation of all Indian national candidates is completed in each round. A seat in an academic program will be allotted to a foreign tag candidate if the candidate's rank is the same or better than the closing rank of the GEN category candidate in that academic program.
25. Seats to be allocated to foreign tag candidates will be supernumerary.
26. The total number of supernumerary seats allotted in each IIT for foreign tag candidates, is limited to up to 10% of the total number of seats of the respective IIT, Program-wise.

XI [Only for NITs, IEST, IIITs (Triple-I-Ts) and Other-GFTIs]

27. Admission of foreign tag candidates to NITs, IEST, IIITs, and Other-GFTIs is not in the purview of CSAB and hence is not in the purview of JoSAA 2022.

XII [ONLY FOR IITs] SEAT ALLOCATION TO PREPARATORY COURSES

28. The following business rules for seat allocation to preparatory courses will be applicable for every round of seat allocation.
 - (A) Unfilled OPEN-PwD seats will be allocated to candidates in the CRL-PwD preparatory rank list provided no more candidates in the CRL-PwD rank list have opted for it.

- (B) Unfilled GEN-EWS-PwD seats will be allocated to candidates in the GEN-EWS-PwD preparatory rank list provided no more candidates in the GEN-EWS-PwD rank list have opted for it.
- (C) Unfilled OBC-NCL-PwD seats will be allocated to candidates in the OBC-NCL-PwD preparatory rank list provided no more candidates in the OBC-NCL-PwD rank list have opted for it.
- (D) Unfilled SC-PwD seats will be allocated to candidates in the SC-PwD preparatory rank list provided no more candidates in the SC-PwD rank list have opted for it.
- (E) Unfilled ST-PwD seats will be allocated to candidates in the ST-PwD preparatory rank list provided no more candidates in the ST-PwD rank list have opted for it.
- (F) Unfilled SC seats will be allocated to candidates in the SC preparatory rank list provided no more candidates in the SC rank list have opted for it.
- (G) Unfilled ST seats will be allocated to candidates in the ST preparatory rank list provided no more candidates in the ST rank list have opted for it.

XIII [ONLY FOR IITs] REALLOCATION OF UNFILLED SEATS FOR AN ACADEMIC PROGRAM

29. The following rules for reallocation of seats will be applicable in every round of seat allocation AFTER seat allocation for preparatory courses.
- (A) Unfilled OPEN-PwD category seats for an academic program will be reallocated and treated as OPEN category seats for allocation.
 - (B) Unfilled GEN-EWS-PwD category seats for an academic program will be reallocated and treated as GEN-EWS category seats for allocation.
 - (C) Unfilled OBC-NCL-PwD category seats for an academic program

will be reallocated and treated as OBC-NCL category seats for allocation.

(D) Unfilled SC-PwD category seats for an academic program will be reallocated and treated as SC category seats for allocation.

(E) Unfilled ST-PwD category seats for an academic program will be reallocated and treated as ST category seats for allocation.

XIV CHANGE OF PERSONAL AND OTHER DETAILS

30. At the time of registration in the JoSAA website, candidates will NOT be allowed to change their personal details such as name, father's / mother's / guardian's name, date of birth, Class XII (or equivalent) examination board, and (birth) category. However, candidates can change their state code of eligibility, nationality, place of passing class XII (subject to conditions specified below in point 72), and gender.

XV SUPERNUMERARY SEATS FOR FEMALE CANDIDATES

31. The Ministry of Education (erstwhile Ministry of Human Resource Development), Government of India, has taken a decision to improve the gender balance in the undergraduate programs at IITs, NITs, IEST Shibpur, and some of the Triple-I-Ts to at least 20% by academic year 2020-21 by creating supernumerary seats specifically for females. In accordance with the directions of the Ministry of Education, Government of India, supernumerary seats will thus be created and offered to female candidates of Indian nationality only, for improving the gender balance in the undergraduate programs of all IITs and NITs, IEST and some of the IIITs in Joint Seat Allocation process for 2022-23.

32. The following rules will be followed while allocating supernumerary seats for females.

- (A) **Cut-off** [for IITs only]: The qualifying cut-off marks for each program of every IIT will be computed in a gender-oblivious manner.
- (B) **Creation of seat matrices for 2022**: Consider any program P (For example, IIT Bombay Electrical Engineering or NIT Rourkela Mechanical Engineering). There will be two seat pools for P, namely, Gender-Neutral (P) and Female-Only (P). The Female-Only (P) pool includes supernumerary seats, if any.
- (C) **Every IIT must have at least 20% females altogether in its UG program**: Non-female candidates will be eligible only for seats from Gender-Neutral (P) pool. Female candidates are eligible for both the pools. However, a female candidate desirous of P, first competes for a seat from Female-Only (P) pool. Only after she fails to get a seat from this pool, she will compete for a seat from Gender-Neutral (P) pool.
- (D) **The seat allocation algorithm ensures the following**:
- a. No reduction in the number of available seats for non-female candidates compared to the number of available seats for non-female candidates in 2021: As stated in the point (B) above (creation of seat matrices for 2022), the number of seats in Gender-Neutral pool of an institute (e.g. IIT Bombay) in 2022 will not be less than the number of seats in the Gender-Neutral pool in that Institute in 2021.
 - b. No-adverse effect due to a separate seat pool for female candidates: Female candidates are eligible for a seat from Female-Only pool as well as Gender-Neutral pool of a program. A female candidate will compete for a seat in Gender-Neutral pool only after she fails to get a seat from Female-Only pool. As a result, it is guaranteed that at least

one of the following properties will hold.

- i. All seats of a Program-Section of Gender-Neutral pool are occupied by non-female candidates only.
- ii. The allocation of all the seats of a Program-Section of Gender-Neutral pool and its Female-Only counterpart combined is done purely based on merit without any gender bias/preference.
- c. For IITs, undergraduate programs taken together in an institute will have at least 20% females.
- d. For NITs, IEST Shibpur and some of Triple-I-Ts, individual undergraduate programs will have at least 20% females.
- e. Under no circumstances would a female candidate be denied a seat in an academic program while allocating that seat to a non-female candidate with (a) worse rank than her, and, (b) satisfying the same eligibility criteria.

(E) Order of category and gender: While allocating a seat, the category is considered first followed by the gender. For example, consider an OBC-NCL female candidate with a valid GEN rank. Suppose she is aspirant of a seat in an academic program P, she will be first considered for a seat from the Female-Only pool of OPEN seats for program P followed by Gender-Neutral pool of OPEN seats for program P. Thereafter, she will be considered for a seat from Female-Only pool of OBC-NCL seats for program P followed by Gender-Neutral pool of OBC-NCL seats for program P. The justification for the above order is the following:

The candidate is eligible for OPEN seats. Hence, OPEN seat will be allocated to her if eligible based on merit, before her own category.

The reservation policy: The reservation policy as per the Government of India norms as existing at present will be applicable to the two pools of seats as well - Seats in Female-Only (P) pool of a program will be further split into various Program-Sections based on the categories (GEN, GEN-EWS, OBC-NCL, SC, ST, GEN-PwD, GEN-EWS-PwD, OBC-NCL-PwD, SC-PwD, ST-PwD) and state quotas (All India / Home State / Other State, as and where applicable).

In a similar manner, Gender-Neutral (P) pool will be split into Program-Sections based on the categories and state quotas (as and where applicable). Once the numbers of seats for Female-Only (P) and Gender-Neutral (P) have been computed for an academic program P as described above, they are distributed among their Program-Sections according to the prevailing business rules as follows:

- For IITs which have only All India quota, there are ten Program-Sections according to respective categories - GEN, GEN-EWS, OBC-NCL, SC, ST, and their PwD counterparts.
- For NIT+ System Institutes, there are either two types of state quotas i.e., Home State and Other State (or All India and Home State) or only one type of quota i.e., All India quota. Hence, there are maximum 20 Program-Sections defined by the state quota and candidate's categories for these institutes.

Important Note: Creation and allocation of supernumerary seats for female candidates is fundamentally different from reservation of seats for female candidates AND should NOT be mistaken for any kind of reservation for females. The following example illustrates this point:

- Suppose a program has 80 Gender-Neutral seats and 20 Female-Only seats. Further, let us assume that the top 20 rankers opting for the program are females and the next 80-rankers opting for

the program are non-females. In the current allocation scheme, the top ranking 20 females will first be allocated the 20 Female-Only seats. The non-females will be allocated the 80 Gender-Neutral seats.

- On the contrary, if the Female-Only seats were following allocation similar or equivalent to “reservations” then the top ranking 20 females would first be allocated the top 20 Gender-Neutral seats first and therefore the remaining $100-20 = 80$ Gender-Neutral seats would be allocated to non-females. The remaining 20 Female-Only seats would be then allocated to lower ranked females, thereby not allowing allocation of the program to the remaining $(100-80 = 20)$ higher ranked non-females.

33. **Clear separation of Gender-Neutral and Female-Only verticals:** Any seat left vacant in Female-Only pool will not be allocated to any non-female candidate. The justification for this rule is the following: In this case, all seats from Gender-Neutral (P) will be occupied by non-female candidates and hence the property (as given in 30.iv.b.2) above holds for them. Female-Only (P) seats are meant for females only and include supernumerary seats that are specifically created for improving gender ratio beyond the actual intake/capacity in P. Thus, making any Female-Only seats available to non-females is not possible by principle.

XVI UPGRADATION OF PROGRAM-SECTION AFTER THE FIRST ROUND OF SEAT ALLOCATION

34. As indicated in Section VI, candidates may become eligible for seat allocation in more than one Program-Section depending upon their category tag and rank lists in which they appear. If the allocated seat is not in the first Program-Section, in subsequent rounds (if any) of seat

allocation, candidates will be automatically considered for upgradation of Program-Section.

Meaning of “upgradation of Program-Section”: Suppose a candidate with the category tag SC has been allocated a seat under the Program-Section SC. Also, suppose that this candidate appears in two rank lists: CRL and SC. The candidate will be offered a seat in the Program-Section OPEN in subsequent rounds (if any) if eligible by merit.

35. The academic program / Institute allocated to a candidate will NOT change because of upgradation of Program-Section.

XVII REGISTRATION AND FILLING-IN OF CHOICES OF ACADEMIC PROGRAMS

36. For registration and filling-in of choices of academic programs in various Institutes, candidates should login to the <https://josaa.nic.in> using one of following credentials:
 - i. JEE (Main) 2022 Application Number and password for candidates who have appeared in JEE (Main) 2022.
 - ii. JEE (Main) 2021 Application Number and password for candidates eligible through “one-time measure” and did not appear in JEE (Main) 2022.
 - iii. JEE (Advanced) 2022 login-id and password for foreign nationals who did not appear in JEE (Main) 2022.

The detailed instructions will be provided on JoSAA 2022 portal.

37. Filling-in of choices on the online portal is free of cost, i.e., candidates are NOT required to pay any fee.

38. A candidate may be eligible for seat allocation based on one, two, three or all four examinations, viz., JEE (Advanced) 2022, JEE (Main) 2022 B.E. / B. Tech. Paper, JEE (Main) 2022 B.Arch. Paper, and JEE (Main) 2022 B.Plan. Paper. Even for candidates who are eligible to participate in the Joint Seat Allocation based on any two, any three or all four of the above examinations, only ONE seat from among the choices filled-in is made available. Hence, it is important for candidates to carefully prioritize the academic programs while filling-in the choices, while bearing in mind that only the choices filled in would be made available for seat allocation.
39. Candidates are given a 10-day window to fill-in their choices which includes 2 mock seat allocations [see the timeline in Annexure 3]. This 10-day window will NOT be extended under any circumstances. Requests in this matter shall not be entertained. During this period, each candidate must fill choices carefully – the candidate must select only those academic programs in the choices which the candidate is willing to join and prioritize them in order of preference of course/institute.

Candidates are advised to visit the Institute website for fee structure and fee waiver related rules applicable for Individual Institutes. JoSAA 2022 and CSAB 2022 shall not be responsible for fee structure and fee waiver related rules applicable for Individual Institutions.

Candidates are advised to take advantage of the mock seat allocations and choose ALL academic programs that they are willing to join in the order of preference.

40. Candidates MUST “lock” their choices on/before the last day of choice filling. If candidates do NOT lock their choices, last saved choices will be locked automatically upon reaching the deadline for choice filling. Once

locked, the choices filled by a candidate cannot be edited. If a candidate wishes to edit their choices after locking but before the choice filling deadline, they can do so by first submitting a request to unlock in the online JoSAA portal. An OTP will be sent to the registered mobile and email, which can be used to validate the unlock request. Once validated, candidate's choices will be unlocked.

Candidates will NOT be allowed to edit their choice list after the deadline for choice filling, i.e., candidates CANNOT change the order of their choices OR add any more course/s in OR delete any course/s from their choice list after the deadline for choice filling. Candidates are strongly discouraged from sharing their login information with others.

XVIII PROVISIONAL OFFER OF SEAT AND ITS CONFIRMATION

41. It is the candidate's responsibility to login to the JoSAA portal and check if a seat is allocated in a given round of seat allocation. Schedule of JoSAA activities is available in Annexure 3 of this document. If the candidate is allocated a seat, following steps of "Online Reporting" are required to be carried out, in order to accept the allocated seat before the last date/time specified for the given round, i.e., the round in which seat is allocated. Please refer to Annexure 3 for the timeline. The allocated seat will then be either confirmed / cancelled on completion of document verification.

A candidate who has been allocated a seat needs to download the "Initial Seat Allotment Intimation Slip" which has information regarding the Seat Allotment and steps to be followed for seat confirmation by the candidate.

Step 1: Accept the Seat

The candidate needs to accept the seat allocated and opt for any one of the options 'Freeze', 'Slide' or 'Float' for the choice of academic program for subsequent round(s), if any, of joint seat

allocation (see section XX).

Step 2: Upload the documents

The candidate must upload all the required documents (as per Annexure 3) on the JoSAA portal.

Step 3: Pay the Seat Acceptance Fee

The candidate MUST pay the seat acceptance fee for continuing with the JoSAA process till the end to avail the seat in IITs or NIT+ system. The documents uploaded by the candidate cannot be verified unless the candidate pays the seat acceptance fee. Admission fee varies across the Institutes/category of candidates and is different from seat acceptance fee. At the time of seat acceptance, candidates have to remit the seat acceptance fee only in the round in which the seat is allotted for the first time.

Non-payment of the fee is one of the ways to reject the offered / allocated seat and will be treated as a rejection. In such a situation, the candidate will no longer be able to participate in the seat allocation process in the subsequent rounds. [See point 44 and 45 below]

Seat Acceptance Fee

Rs. 15,000 for candidates with the category tag SC, ST, GEN-PwD, GEN-EWS-PwD, OBC-NCL-PwD, SC-PwD or ST-PwD and Rs. 35,000 for all other candidates (the fee includes Rs. 3,000 JoSAA processing charges). The seat acceptance fee excluding JoSAA processing charges will be adjusted against the admission fee.

Candidates should remit seat acceptance fee using UPI / Net Banking / Debit card / Credit card or State Bank of India e-challan.

Step 4: Respond to queries (if any)

At the time of document verification, if the document verification officer raises any query, the candidate must respond in online mode (through candidate portal) within the stipulated time. Failure to respond to the query(ies) may lead to cancellation of the allotted seat and ***the candidate may no longer be able to participate in the JoSAA 2022 process.*** It is the responsibility of the candidate to check the online portal at regular intervals of time and respond to queries (if any) without fail within the stipulated time.

Candidates MUST complete all the above steps before their details are forwarded to the reporting authorities for verification and provisional allocation of the seat.

Document verification is done ONLY for those candidates who have successfully paid the seat acceptance fee.

Failure to complete all the steps of “Online Reporting” for seat acceptance will be considered as rejection of the offer and the candidate would have forfeited the eligibility for admissions to any of the institutes through JoSAA 2022 and will not be able to participate in the seat allocation process in the subsequent rounds, if any.

42. Seat will be confirmed by IITs / NIT+ System Institutes only after successful verification of the uploaded documents and ensuring that the candidate meets all the eligibility criteria. If all the documents are found to be valid and all the eligibility criteria are met by the candidate, the allocated seat will be provisionally confirmed and the candidate will be notified on the online JoSAA 2022 portal.

If all the documents are found to be valid and the eligibility criteria are met by the candidate, a “Provisional Seat Allotment letter” will be available for download on the online portal. Provisional Acceptance means that the candidate has accepted the offer, but the final acceptance is contingent on successful verification of certificates by, and on joining, the provisionally allotted institute and payment of the balance institute fee, if any.

In case of any discrepancies in the uploaded documents, query(ies) may be raised and will be notified to the candidate on the online portal. Candidate must respond to the query(ies) (by uploading new/modified document(s), if required) within the last date/time specified for the given round [see Annexure 3 for the timeline]. The candidates are advised to check the online portal regularly for queries, if any. Additional query(ies) may be raised in case discrepancy(ies) still persist(s). In such cases, the candidate must respond to the additional query(ies) within the last date/time specified for the given round [see Annexure 3 for the timeline]. The allocated seat will be confirmed or cancelled based on the validity of the document(s) uploaded in response to the query(ies) and candidate meeting the eligibility criteria.

Failure to reply to the query(ies) raised would lead to seat cancellation and will be considered as rejection of the offer and the candidate would have forfeited the eligibility for admissions to any of the institutes through JoSAA 2022.

43. Seat will be cancelled if, at any time, any of the documents / certificates is/are found to be invalid / fraudulent and/or the candidate does not meet all / any of the eligibility norms.

44. Option to reject (or not accept) the allocated seat: Candidates who want to reject the allocated seat can do so by NOT completing the steps for “Online Reporting” (point 42) including not remitting the seat acceptance fee.
45. Candidates who reject allocated seat CANNOT participate any more in Joint Seat Allocation for the ensuing academic year 2022-23.
If a candidate rejects a seat by not completing all the steps of “Online Reporting” given in point 42, the allotted seat will be cancelled AND the candidate shall be excluded from the JoSAA process, which means the candidate shall not be considered for subsequent rounds (if any) of seat allocation. Thus, the candidate would have forfeited the eligibility for admissions to any of the institutes through JoSAA 2022.

XIX VERIFICATION

46. A. Requirement of independent re-verification

If a candidate, who accepts a seat in NIT+ system by “Online Reporting” in a particular round of seat allocation, is subsequently allocated a seat in an IIT for the first time in further rounds of seat allocation (if any), then the documents and the eligibility criteria of such candidates will be verified again by the IITs. In such cases, candidate is advised to login on the online JoSAA portal to check if any query(ies) has(ve) been raised. Candidate is required to respond online against the queries raised within the last date/time specified for the given round [see Annexure 3 for the timeline]. The candidate would be notified of the decision regarding the provisional seat confirmation after successful verification of the uploaded documents and meeting eligibility conditions and confirmation of the payment status for seat acceptance fee.

Similarly, if a candidate, who accepts a seat in IITs by “Online Reporting”

in a particular round of seat allocation, is subsequently allocated a seat in the NIT+ system for the first time in further rounds of seat allocation (if any) then the documents and the eligibility criteria of such candidates will be verified again by the NIT+ system. In such cases, candidate is advised to login on the online JoSAA portal to check if any query(ies) has(ve) been raised. Candidate is required to respond online against the queries raised within the last date/time specified for the given round [see Annexure 3 for the timeline]. The candidate would be notified of the decision regarding provisional seat confirmation after successful verification of the uploaded documents and meeting the eligibility conditions and confirmation of the payment status for seat acceptance fee.

It is the responsibility of the Candidate to regularly check the online portal and respond online against the queries raised within the last date/time specified for the given round [see Annexure 3 for the timeline]. **Failure to meaningfully and successfully respond to the query(ies) raised will be treated as rejection of the allocated seat and would lead to seat cancellation and the candidate will be excluded from the JoSAA 2022 process.** Thus, the candidate will forfeit the eligibility for admissions to any of the institutes through JoSAA 2022. No further/extra seat acceptance fee has to be paid in case of dual verification.

Seat allocation in an IIT in subsequent round(s) (if any) automatically cancels the earlier accepted seat in an NIT+ system. Similarly, Seat allocation in NIT+ system in subsequent round(s) (if any) automatically cancels the earlier accepted seat in an IIT. Thus, in the above situation, the candidate is not required to cancel the earlier seat; doing so would be treated as a rejection of the seat and the candidate would be excluded from the JoSAA 2022 process.

No independent re-verification is required for candidates who are allocated seats ONLY in IITs in ALL rounds of seat allocation. Similarly, no re-verification is required for candidates who are allocated seats ONLY in NIT+ system in ALL rounds of seat allocation.

B. Physical verification for PwD Candidates (only for IITs)

All JEE (Advanced) 2022 qualified PwD candidates, seeking to get a seat in IITs through JoSAA, are required to visit any of the IITs for physical verification along with a copy of the PwD certificate(s). Following procedures will be adopted for physical verification of JEE (Advanced) 2022 qualified PwD candidates:

- (i) Physical verification process starts from the first day of JoSAA 2022 choice filling, i.e., September 12th, 2022, and continues through the counseling rounds of JoSAA 2022.
- (ii) All JEE (Advanced) 2022 qualified PwD candidates are required to complete this process latest by the end of the counseling round in which they are allocated a seat (if any). Failure to successfully complete this process shall result in the allocated seat being cancelled.
- (iii) Before candidates come for physical verification, they are required to register on the JoSAA 2022 portal.
- (iv) Candidates are required to choose any one IIT (for physical verification), date, as well as time (FN/AN) using the link available on the JoSAA 2022 portal **two days** before appearing for physical verification.
- (v) The verification can be done in one of the following two intervals:
 - a. Interval 1: During the Choice filling period (September 12th to 21st, 2022).

- b. Interval 2: During the actual counseling rounds: Each candidate seeking to get the benefit of the PwD category is required to complete this process latest by the end of the counseling round in which they are allocated a seat (if any).
- (vi) It is candidate's responsibility to plan their travel such that the physical verification is completed by the last day of the counseling round in which they are allocated a seat (if any) [Please see Annexure 3 for JoSAA 2022 Timeline]. **No exceptions shall be made in this regard.**

C. Physical Verification for PwD Candidates (only for NIT+ System)

All those PwD candidates who did not qualify JEE (Advanced) 2022, but have JEE (Main) 2022 ranks and seek to get a seat in NIT+ System through JoSAA, are required to visit one of the reporting centers of their choice for physical verification along with a copy of the PwD certificate(s). Following procedures will be adopted for physical verification of these PwD candidates:

- (i) Physical verification process starts from the first day of JoSAA 2022 choice filling, i.e., September 12th, 2022, and continues through the counseling rounds of JoSAA 2022.
- (ii) All JEE (Main) 2022 qualified PwD candidates are required to complete this process latest by the end of the counseling round in which they are allocated a seat (if any). Failure to successfully complete this process shall result in the allocated seat being cancelled.
- (iii) Before candidates come for physical verification, they are required to register **two days before** on the JoSAA 2022 portal.
- (iv) Candidates are required to choose one reporting center in NIT+ System (for physical verification), date, as well as time (FN/AN)

using the link available on the JoSAA 2022 portal before appearing for physical verification.

- (v) The verification can be done in **one** of the following two intervals:
 - a. Interval 1: During the Choice filling period (September 12th to 21st, 2022).
 - b. Interval 2: During the actual counseling rounds: Each candidate seeking to get the benefit of the PwD category is required to complete this process latest by the end of the counseling round in which they are allocated a seat (if any).
- (vi) It is the candidate's responsibility to plan their travel such that the physical verification is completed by the last day of the counseling round in which they are allocated a seat (if any) [Please see Annexure 3 for JoSAA 2022 Timeline]. **No exceptions shall be made in this regard.**

XX FREEZE, FLOAT, AND SLIDE OPTIONS

47. At the time of accepting the seat online, a candidate has to opt for any one of the options i.e., 'Freeze', 'Float' or 'Slide' for the choice of academic program for subsequent round(s), if any, of joint seat allocation. In case if the candidate has been allocated seat as per the candidate's first choice, above option will not be available and the only option available will be freeze. In such a situation, the candidate may either accept, and Freeze the offered seat, or may reject the offered seat. Non choosing of Freeze option in this case will be considered as rejection of the offered seat and the candidate will not be considered for seat allocation in the further rounds (if any).

(A) Freeze:

Choosing the option "*Freeze*" means that the candidate accepts the offered seat and indicates that the candidate is content with the allocated academic program and that the candidate does not want to

participate in further rounds of seat allocation while retaining the same seat. Such candidates will NOT be considered in subsequent rounds of JoSAA 2022 (if any). Their chosen seat shall remain allocated to them and shall be provisionally confirmed, subject to successful completion of Section XVIII above.

(B) Float:

Choosing the option “*Float*” means that the candidate accepts the offered seat and indicates that, if admission to an academic program of higher preference in *any Institute* is offered in subsequent rounds of seat allocation, the candidate will accept it. Else, the candidate will continue with the currently accepted academic program. Such candidates will be considered in subsequent rounds of JoSAA 2022 (if any).

(C) Slide:

Choosing the option “*Slide*” means that the candidate accepts the offered seat and indicates that, if admission to an academic program of higher preference is offered *within the same Institute* in subsequent rounds of seat allocation, the candidate will accept it. Such candidates will be considered in subsequent rounds of JoSAA 2022 (if any).

For candidates who choose the float or slide option, allocation of a seat in an academic program of the candidate’s higher preference would automatically result in the forfeiture of the seat accepted by the candidate in the earlier round. Such candidates are only required to accept or reject the academic program of higher preference offered as a result of the float or slide option. In case such candidate rejects or cancels the seat offered as a result of float or slide, then the candidate would no longer be entitled to any seat and would not be permitted to participate any further in JoSAA 2022.

(Candidates are advised to keep their login credentials, i.e., login Id and password, strictly confidential at all times, to avoid any misuse).

48. Slide and float options will be available to only those candidates who are NOT offered admission to their first choice in their choice-list.
49. Slide and float options are NOT available in the last round of JoSAA 2022.
50. A candidate can change from float to slide/freeze and slide to freeze in the online portal during all rounds of Seat Allocation EXCEPT the last round.
51. If a candidate opts freeze against a seat, the option cannot be changed under any circumstances. Communication on this matter shall NOT be entertained.
52. During the seat allotment period of a particular round of seat allocation, if there is a change in the credentials of a candidate due to failure in producing valid certificate of category GEN-EWS/OBC-NCL/PwD/DS/OCI/PIO or state code of eligibility or declaration of gender and the allotted seat gets cancelled, then the candidate will be considered for seat allocation in subsequent round(s) (if any) as per the updated credentials. In such cases, the candidate must report again online for accepting the freshly allocated seat, if any.

(For IITs Only): If a foreign candidate fails to produce a valid proof of foreign nationality (i.e., foreign passport or citizenship certificate or OCI/PIO card) any seat allocated to them will be cancelled. However, if they have a valid 10+2 or equivalent passing certificate from India or

from abroad, such candidates will be considered for seat allocation in the subsequent round(s) under GEN category of seat allocation (if any) for IITs based on updated credentials, provided they meet the JEE (Main) 2022 cut-off marks for qualifying for JEE (Advanced) 2022.

XXI REPORTING AT THE ADMITTING INSTITUTE

53. At the conclusion of joint seat allocation and seat acceptance, candidates will have to report at the admitting institute, complete all the admission formalities of the Institute including payment of Institute fees, get the admission confirmed and begin the academic session. At the time of the reporting at the admitting institute, all the certificates will be re-checked by the admitting Institute and the admission will be cancelled if these fail to meet the requirements as per the prevailing norms. Such candidate having already successfully accepted a seat in JoSAA 2022 would not be eligible for appearing in JEE (Advanced) 2023.

54. Additionally (for IITs), at the time of reporting at the admitting institute, biometric verification shall be done against the biometric data captured at the time of the exam. The admission will be cancelled if any candidate fails the biometric verification.

Reporting schedules and the mode of reporting at the admitting Institute will be appropriately announced on the website <https://josaa.nic.in>.

XXII REMITTANCE OF SEAT ACCEPTANCE FEE

55. For payment of seat acceptance fee, candidates should either use UPI or Net Banking or Debit card or Credit card facilities available on JoSAA portal or use e-challan of State Bank of India downloaded from the JoSAA portal.

An e-challan is similar in purpose to a challan used in a bank to deposit money. It will have all the details filled in by the online portal and will have two identical parts (i.e., the challan will be in duplicate). One copy will be retained by the bank. Candidate retains another copy for candidate's own record. Using e-challan, candidates can physically pay the seat acceptance fee in any branch of State Bank of India.

Candidates are strongly advised to make the payment on time, as the seat may get cancelled due to non-payment of seat acceptance fee within the stipulated time period. Such cancellation is not reversible and no requests would be entertained, as the entire process is computerized.

56. Candidates have to remit seat acceptance fee only once. Thus, candidates who are allocated another seat in subsequent rounds of JoSAA 2022 (if any) [because they chose the float or slide option] do NOT have to pay seat acceptance fee again.
57. Seat acceptance fee, once paid, is not refundable. However, if a candidate later validly withdraws, then the fee paid will be refunded after deducting the JoSAA withdrawal processing charges of Rs. 6000. If a candidate's seat is cancelled due to not meeting the eligibility criteria or due to unresolved discrepancy(ies) in the uploaded document(s), then the fee paid will be refunded after deducting the JoSAA processing charges of Rs. 3000.

XXIII REMITTANCE OF PARTIAL ADMISSION FEE [For NIT+ system only]

58. At the end of the 6th round of JoSAA 2022, candidates having a provisionally allocated seat (allocated in any round of JoSAA 2022 and which has not been cancelled or withdrawn) in NIT+ system are

required to pay the Partial Admission Fee (PAF) from their JoSAA portal. Non-payment of the partial admission fee will be treated as a rejection of the offered / allocated seat. Candidates are thus strongly advised to be vigilant and make the payment within the stipulated time.

59. Partial Admission Fee: Rs. 20,000 for candidates with the category tag SC, ST, GEN-PwD, GEN- EWS-PwD, OBC-NCL-PwD, SC-PwD or ST-PwD, and Rs. 40,000 for all other candidates. The partial admission fee will be adjusted against the Institute admission fee. Partial Admission Fee, once paid, is not refundable.
60. For payment of PAF, candidates should either use UPI or Net Banking or Debit card or Credit card facilities available on JoSAA portal or use e-challan of State Bank of India downloaded from the JoSAA portal for making physical payment.
61. If a candidate fails to pay PAF (Please see Annexure 3 for the timeline), the candidate will forfeit the provisionally allotted seat. The vacant seat thus created will be made available to the candidates in CSAB 2022 Special rounds. In such cases, the Seat Acceptance Fee paid shall be refunded to these candidates, after deducting a processing fee of Rs. 6000.

XXIV WITHDRAW OPTION

62. A candidate, who has already accepted a seat in one of the IITs allotted by JoSAA 2022, can withdraw the seat by reporting online and following the steps contained in point 66 below. This option is available starting from the 2nd round and up to the second last round of seat allocation,

i.e., before the last round of seat allocation (i.e., if JoSAA conducts a total of six rounds of seat allocation, candidates can withdraw up until during fifth round of seat acceptance period. Please see Annexure 3 for the timeline) only for IIT seats. For NIT+ system, the candidate can withdraw the seat by reporting online and following the steps contained in point 66 below up to the final round of online seat allocation.

63. If a candidate withdraws a seat, the candidate's allotted seat will be cancelled and offered to another candidate in a subsequent round of counselling. The candidate withdrawing shall be excluded from the JoSAA process, which means the candidate shall not be considered for subsequent rounds of seat allocation (if any).

Seat acceptance fee will be refunded to these candidates after deducting the withdrawal processing charges of Rs. 6000. Thus the candidate will forfeit the eligibility for admissions to any of the institutes through JoSAA 2022.

64. There is no option of withdrawing an accepted/allotted seat after the commencement of last round of seat allocation (for IITs only). Special rounds of admission to NIT+ System are not offered through JoSAA 2022. Candidates are advised to visit the CSAB official website (<https://csab.nic.in>) for Information on the special rounds of admission to NIT+ system.
65. The following is the process for withdrawal of an accepted / allotted seat:
Step 1: The candidate must login to the JoSAA portal and submit a request for withdrawal by submitting a duly signed declaration form (Annexure 8).
Step 2: An OTP will be sent to the candidate's mobile number and email

ID. The candidate shall use this OTP to confirm that the candidate wants to withdraw from seat allocation process. The candidate also confirms that this would result in cancellation of allocated seat and will not be considered for subsequent rounds of seat allocation (if any).

Step 3: The uploaded document in Step 1 will be verified by the reporting officer. Based on the verification, one of the following scenarios will happen:

1. Reporting officer will accept the request. The candidate's withdrawal request is accepted.
 2. Reporting officer will reject the request based on the uploaded documentation and/or query response (see below). The candidate's withdrawal request is rejected.
 3. Reporting officer raises a query to obtain additional documentation and/or to re-confirm that the candidate is interested to withdraw. The candidate will be required to respond to the query before the end of the query response period (see Annexure 3). Reporting officer will either accept or reject based on the query response, or raise another query, and the above process will be repeated.
- The candidate can see the approved/rejected status of the withdrawal request on the JoSAA portal and download the approval/rejection letter. If withdrawal application is rejected, the candidate can submit the request again before the end of the fifth round of counseling with proper documentation.
 - The candidate will have the option to cancel a submitted withdrawal request through the online JoSAA portal, if they wish to do so, but only before the request is accepted by the reporting officer. An OTP will be sent to the candidate's mobile number and email ID, for cancelling the

withdrawal request. The candidate shall use this OTP to confirm that the he/she wants to cancel the withdraw request from seat allocation process.

(Candidates are advised to keep their login credentials, i.e., login Id and password, strictly confidential to avoid any misuse).

66. The CSAB 2022 special vacant seat filling round(s), (including CSAB supernumerary counseling and CSAB NEUT counseling), will be conducted after the end of JoSAA 2022 through CSAB 2022 website, <https://csab.nic.in> and in accordance with the rules set out therein. Candidates seeking information/assistance from any agency / agent other than CSAB 2022 shall be doing so at their own risk and cost.

XXV EXIT OPTION FROM SEAT ALLOCATION PROCESS

67. A candidate, who has NOT been allotted a seat in JoSAA 2022, can EXIT from the seat allocation process through the JoSAA portal starting from the 2nd round and up to the second last round of seat allocation, i.e. before the last round of seat allocation. Since JoSAA 2022 conducts a total of six rounds of seat allocation, candidates can exit until during the fifth round of seat acceptance period. Please see Annexure 3 for the timeline. Thus, the candidate will forfeit the eligibility for admission to any of the institutes through JoSAA 2022.
68. Candidates who have exercised exit option will NOT be considered for subsequent rounds of seat allotment (if any). Thus, the candidate will forfeit the eligibility for admissions to any of the institutes through JoSAA 2022.
69. There is no option of exit from seat allocation process after the

commencement of last round of seat allocation (for IITs only).

70. The following is the process for Exit option from the seat allocation process of JoSAA 2022:

Step 1: The candidate must login to the JoSAA portal and create a request for EXIT.

Step 2: An OTP will be sent to the candidate's mobile number and email ID. The candidate will have to enter this OTP to confirm that the candidate wants to EXIT from the seat allocation process. The candidate also confirms once the candidate has used the exit option the candidate will be out of the JoSAA process and will not be considered for subsequent rounds of seat allocation (if any).

Step 3: On submitting the appropriate responses on the check boxes, and clicking on Submit, the candidate confirms that he/she has exited from the seat allocation process, which shall then be processed online and the candidate shall then exit.

(Candidates are advised to keep their log-in credential, i.e., login Id and password, strictly confidential to avoid any misuse).

XXVI CHANGE OF CLASS XII PASSING STATUS

71. It is possible that the Class XII passing status of a candidate is revised [due to re-totaling, re-evaluation, etc.] by the Class XII examination board AFTER the first round of joint seat allocation begins. The following business rules apply consequent to such a revision of passing status only during the seat allocation/ allotment:

(A) Due to revision of passing status, if a candidate becomes ineligible because of not satisfying the "Performance in Class XII (or equivalent) examination" requirement [Annexure 2(a) for IITs and Annexure 2(b) for NITs/IEST/Triple-I-Ts/Other-GFTIs], then the

- candidate will be made ineligible at the time of seat acceptance / document verification, or even at a later stage. Offered / confirmed seat of such candidates shall accordingly stand cancelled.
- (B) Due to revision of passing status, if a candidate satisfies the “Performance in Class XII (or equivalent) examination” requirement [Annexure 2(a) for IITs and Annexure 2(b) for NITs/IEST/IITs/Other-GFTIs] and becomes eligible for admission, then such a candidate has to approach the organizing institute with the revised passing certificate. The candidate will be considered for seat allocation only in subsequent rounds (if any). The allocated seat (if any) shall be the same as what the candidate would have got on the basis of revised passing status to begin with. To ensure this, a supernumerary seat will be created, if needed.
- (C) If a candidate, who was eligible, continues to be eligible even after revision of Class XII passing status, there will not be any change in seat allocation.

XXVII DOCUMENT VALIDITY / VERIFICATION

72. During the process of document verification, if there is any mismatch between the document uploaded earlier by the candidate [JEE (Main) 2022 registration site for NIT+ system and JEE (Advanced) 2022 registration site for IITs] and the document uploaded by the candidate on the JoSAA portal, and the same is found to be due to willful forgery / act of cheating, the offer of admission will be withdrawn and the candidate shall be debarred from further rounds of seat allocation. Thus, the candidate will forfeit the eligibility for admissions to any of the institutes through JoSAA 2022. The decision of JoSAA on this issue shall be final and binding.

73. It is the responsibility of the candidate to keep the valid certificate or document ready and upload at the time application / registration. All the certificates / documents will be verified at the time of online reporting and thereafter physically, at the time of reporting at the admitting Institute. For candidates whose category document is found to be invalid OR who do not produce a (valid) category document [as per the format given on JoSAA web portal], the category tag will be changed (for the purpose of seat allocation) as shown below. Additionally, in the case of PwD candidates, the admission under PwD category may be cancelled if the candidate's physical examination is not successful, even though such candidate possesses a valid PwD certificate.

Category Tag		Reason
Assigned	Changed to	
GEN-PwD*	GEN	Invalid PwD certificate
GEN-EWS	GEN	Invalid EWS certificate
GEN-EWS-PwD	GEN-PwD	Invalid EWS certificate but valid PwD certificate

OBC-NCL-PwD*	GEN	Both PwD and OBC-NCL certificates are invalid
SC-PwD*	SC	Invalid PwD certificate but valid SC certificate
SC-PwD	GEN-PwD	Valid PwD certificate but invalid SC certificate
SC-PwD*	GEN	Both PwD and SC certificates are invalid
ST-PwD*	ST	Invalid PwD certificate but valid ST certificate
ST-PwD	GEN-PwD	Valid PwD certificate but invalid ST certificate
ST-PwD*	GEN	Both PwD and ST certificates are invalid
OBC-NCL	GEN	Invalid OBC-NCL certificate
SC	GEN	Invalid SC certificate
ST	GEN	Invalid ST certificate

*Change of category tag from PwD to Non-PwD may be permitted only if the candidate has not availed the benefit of Compensatory time and/or the Services of Scribe in JEE (Advanced) 2022 and/or JEE (Main) 2022. If the candidate had availed the benefit of Compensatory time and/or the Services of Scribe in JEE (Advanced) 2022 and/or JEE (Main) 2022, then the candidature shall be cancelled.

74. If the documents are found to be invalid for reasons other than willful forgery / act of cheating, then the following rules will be applied in addition to the change of category tag or gender or nationality:

(A) If the GEN-EWS, OBC-NCL, SC, ST, PwD or DS certificate is found to be invalid or not produced **AND** the candidate satisfies all other requirements **AND** the seat is allocated in the OPEN category, then the offer of admission will be provisionally confirmed.

(B) If the OBC-NCL certificate is found to be invalid or not produced during the reporting period of that particular round when a seat is allocated **AND** the candidate satisfies all other requirements **AND** the seat is allocated in OBC-NCL category, then

(i) Allocated seat will be cancelled.

(ii) The candidate will be considered for seat allocation as a GEN candidate in the subsequent round(s) of seat allocation (if any), provided all other criteria are satisfied [e.g., present in the respective rank list, etc.].

The rule as stated above in (B) for OBC-NCL will be applied similarly if the GEN-EWS, DS, SC or ST certificate is found to be invalid or not produced during the reporting period of that particular round. [Please see XIV above].

(C) If the PwD certificate is found to be invalid or not produced during the reporting period of that particular round when a seat is allocated or the candidate did not appear for physical

verification **AND** the candidate satisfies all other requirements **AND** the seat is allocated under the PwD category, then

- i. Allocated seat will be cancelled.
- ii. The candidate will be considered for seat allocation in the subsequent round(s) of seat allocation (if any), in the candidate's respective (birth) category (viz., GEN, GEN-EWS, OBC-NCL, SC or ST), provided the candidate has not availed Compensatory Time and/or Scribe in JEE (Main) 2022 and/or JEE (Advanced) 2022 and all other criteria are satisfied [e.g., present in the respective rank list, etc.]. If the facility of scribe and/or compensatory time has been availed, and/or the candidate does not satisfy other criteria, then such candidate shall no longer be permitted to participate in JoSAA 2022.

(D) If a female candidate wrongly declares the gender as male and is allotted a seat in an academic program where female candidates are restricted, the allotted seat will be cancelled. Similarly, if a male candidate wrongly declares the gender as female and is allotted a Female-Only seat, the allotted seat will be cancelled. Such candidates will be considered for seat allocation in the subsequent round(s) of seat allocation (if any), by changing the gender.

(E) (For IITs Only): If a foreign candidate fails to produce **valid proof of foreign nationality** (i.e., foreign passport or citizenship certificate or OCI/PIO card), any seat allocated to the candidate will be cancelled. Such candidate will be considered for seat allocation in the subsequent round(s) of seat allocation (if any) for IITs under

OPEN category of seats, provided they meet all other eligibility criteria for Indian Nationals including satisfying the JEE (Main) 2022 cut-off marks for qualifying for JEE (Advanced) 2022 in GEN category. Such candidate MUST submit a proof of Indian Nationality failing which the candidate will be out of the seat allocation process for IITs.

(F) (For IITs Only): If a foreign candidate who has declared that the candidate has done **class XII or equivalent abroad** but fails to produce a valid pass certificate of passing class XII or equivalent from abroad, any seat allocated to the candidate will be cancelled. Such candidate will be considered for seat allocation in the subsequent round(s) of seat allocation (if any) provided they can produce a valid certificate of passing class XII or equivalent in India and meet all other eligibility criteria including satisfying the JEE (Main) 2022 cut-off marks for qualifying for JEE (Advanced) 2022 in GEN category failing which the candidate will be out of the seat allocation process for IITs.

75. [For NIT + System only] The following rules will be applied if there is an error in the state code of eligibility:

(A) The state code of eligibility will be corrected in the JoSAA 2022 database.

(B) Retention / cancellation of seat will be as determined by the following table:

Eligibility	Allocated seat quota	Action
Other state quota	Other state quota	Seat will NOT be cancelled
Other state quota	Home state quota	Seat will be cancelled
Home state quota	Other state quota	Seat will be cancelled
All India quota	Home state quota	Seat will be cancelled

(C) Candidate will be considered for seat allocation in subsequent

round(s) of seat allocation (if any), provided all other requirements are satisfied.

XXVIII ELIGIBILITY TO APPEAR IN JEE (ADVANCED) IN SUBSEQUENT YEARS [For IITs only]

76. Candidates who reject their seat during the first five (5) rounds or withdraw from allocated seat, by completing all formalities specified herein, can appear for JEE (Advanced) 2023 provided they meet all other eligibility requirements for JEE (Advanced) 2023.

77. Candidates who

(A) accept the allocated seat in any IIT by reporting online but later do not withdraw their seat become ineligible for JEE (Advanced) in subsequent years or;

(B) accept the allocated seat by reporting at the admitting institute (in case seat is allocated in the last round), irrespective of whether they pay the fee of the admitting institute, attend classes or not;

become ineligible for JEE (Advanced) in subsequent years.

78. The candidates whose admission is cancelled after being admitted to the admitting institute, for any reason whatsoever, become ineligible to appear to JEE (Advanced) in subsequent years.

79. The candidates who paid seat acceptance fee in 2022 but had their seat cancelled (for whatever reason) before the last round of seat allotment for IITs, during the joint seat allocation in 2022, are eligible to appear in JEE (Advanced) 2023, provided the candidate also fulfills all other eligibility criteria as would be laid down in eligibility conditions for JEE (Advanced) 2023.

80. Candidates who produce forged documents or indulge in acts of cheating are debarred from appearing in JEE (Advanced) next [and subsequent] year(s). These candidates if caught at any stage, would be deregistered from the seat and the degree, if awarded, would be cancelled.
81. Candidates who are admitted to a preparatory course in any of the IITs in the academic year 2022-23 for the first time can appear in JEE (Advanced) 2023 provided they meet all the other eligibility requirements.

XXIX CHANGE OF NATIONALITY

82. **At the Time of Registration for JoSAA**

(A) During online registration, if a candidate modifies the nationality from Indian to Foreign (including OCI/PIO card holders) at the time of registration to JoSAA the following business rules apply.

1. The candidate will not be able to apply for NIT/Triple-IITs/IIEST/Other-GFTIs.
2. The candidate will have to produce passport/certificate of nationality at the time of online reporting, failing which the allotted seat will be cancelled.
3. The candidate will not get the benefit of birth-category even if the candidate has declared one.
4. The candidate will be treated as GEN category candidate. The candidate will not get the benefit given to persons with disability (PwD) even if the candidate's category was PwD.
5. The female candidate will not get the benefit of female supernumerary seats.
6. If the candidate does not have JEE (Advanced) CRL rank, the

candidate will not be able to fill-in choices and participate in the joint seat allocation further.

(B) During online registration, if a candidate modifies the nationality from Foreign (including OCI/PIO card holders) to Indian at the time of registration to JoSAA the following business rules apply.
