I. GENERAL

1. Indian Institutes of Technology [IITs] offer several academic programs for which admission is on the basis of JEE (Advanced) 2023.

National Institutes of Technology [NITs], Indian Institute of Engineering Science and Technology [IEST], Indian Institutes of Information Technology [IIITs or Triple-I-Ts], Schools of Planning and Architecture [SPAs] and a few other technical Institutes funded fully or partially by Central or a State government [Other-GFTIs] (referred to as NIT+ or NIT+System) offer academic programs for which admission is on the basis of JEE (Main) 2023.

Eligibility Table	
Qualifying Examination	Admitting Institutes
JEE (Advanced) 2023	IITs
JEE (Main) 2023 B.E. / B. Tech. Paper	NITs, IEST, IIITs (Triple-I-Ts) and Other-GFTIs
JEE (Main) 2023 B.Arch. / B. Plan. Paper	
Qualifying in the examinations mentioned above does not guarantee admission in any of the institutes. Each institute / academic program may have additional eligibility requirements. Candidates have to meet all the eligibility requirements to obtain admission.	

The names of IITs, NITs, IEST, IIITs (Triple-I-Ts) and Other-GFTIs are listed in Annexure 1.

It is mandatory for the candidates to register through the official JoSAA 2023 online portal to obtain seats to be allocated through JoSAA 2023 in any of the IITs, NITs, IEST, IIITs (Triple-I-Ts) and Other-GFTIs. The academic programs, along with the category-wise intake capacity known as seat matrix, will be announced on the online portal, <https://josaa.nic.in/>.

The business rules stated herein will be strictly followed for allocating seats for the above referenced academic programs for the academic year 2023-24, through joint seat allocation for the IITs and the NIT+ System.

There are various provisions contained in these Business Rules which may not be reversible. The candidates are strongly advised to exercise their options carefully within the stipulated timeframe and may seek guidance through the grievance redressal mechanism provided in these rules [See point [85](#) below].

The seat allocation process follows a strict timeline. The entire process is on-line and computer operated. No exceptions are possible and therefore, candidates are strongly advised to thoroughly acquaint themselves with these Business Rules, be vigilant, keep their documents handy and make arrangements for making the requisite payments and completing the requisite formalities, well in advance. It will not be possible to entertain requests for extension of time for completing any activity.

2. A candidate chooses and applies to a series of academic programs in a certain order of preference.

In the context of seat allocation, “academic program” refers to the combination of academic program and institute. For example, a 4-year B.Tech degree in Electronics and Electrical Engineering at IIT Guwahati is referred to as an “academic program”. Another example of an academic program is a 4-year B.Tech. in Mechanical Engineering at NIT Rourkela.

A seat to the highest possible choice of academic program is allocated to the candidate considering the following factors:

- (i) The category [GEN, GEN-EWS, OBC-NCL, SC, ST, GEN-PwD, GEN-EWS-PwD, OBC-NCL-PwD, SC-PwD, ST-PwD] of the candidate.
- (ii) The position of the candidate in respective rank list(s).
- (iii) The order of preference of academic programs selected by the candidate.
- (iv) The availability of seats in different seat categories / seat quotas for which the candidate is eligible.
- (v) Other business rules as mentioned in this document.

II. ENTITIES

3. The Joint Admission Board, JEE (Advanced) 2023 [JAB 2023] conducts JEE (Advanced) 2023, and frames the policies and norms for seat allocation to IITs.

The JEE Apex Board conducts JEE (Main) 2023 and the Central Seat Allocation Board [CSAB] 2023 frames the policies and norms for seat allocation to NITs, IEST, IITs (Triple-I-Ts) and Other-GFTIs. CSAB 2023 also frames the rules and policies for seat allocation for CSAB special vacant seat filling round(s) including CSAB supernumerary counseling and CSAB NEUT counseling. National Informatics Center (NIC) will extend its technical support and expertise for providing the services of e-Counseling and Admission for the above said activities carried out by JoSAA 2023 and CSAB 2023.

No agency other than JoSAA 2023 is responsible for joint seat allocation to the seats at the IITs/NIT+System. Candidates seeking information / assistance from any agency / agent other than JoSAA 2023 shall be doing so at their own risk and cost. There is only ONE official JoSAA 2023 website, i.e., <https://josaa.nic.in/>

IV. CATEGORIZATION OF CANDIDATES

5. For the purpose of seat allocation, qualified candidates are categorized based on the presence or absence of disability and nationality. On the basis of such a categorization, each candidate is assigned a category tag as given below.

- (i) Category tag GEN: This is assigned to OCI/PIO candidates who have secured OCI/PIO card before 04.03.2021 or Indian nationals of general category who do NOT belong to GEN-EWS, OBC-NCL, SC or ST category (or who fail to produce valid GEN-EWS, OBC-NCL, SC or ST certificate) and are NOT PwD.
- (ii) Category tag GEN-PwD: This is assigned to OCI/PIO candidates who have secured OCI/PIO card before 04.03.2021 or Indian nationals of general category who do NOT belong to GEN-EWS, OBC-NCL, SC or ST category (or who fail to produce valid GEN-EWS, OBC-NCL, SC or ST certificate) and are Persons with Disabilities (PwD). Candidates must produce a valid PwD certificate to be assigned this tag. Thus, candidates belonging to the general category are divided into two mutually exclusive categories and are assigned either one of the tags GEN or GEN- PwD.

- (iii) Category tag GEN-EWS: This is assigned to Indian nationals of general category who belong to the Economically Weaker Section (EWS) and are NOT Persons with Disabilities and are NOT Persons belonging to OBC/SC/ST category. Candidates must produce a valid GEN-EWS certificate to be assigned this tag.
- (iv) Category tag GEN-EWS-PwD: This is assigned to Indian nationals of general category who belong to the Economically Weaker Section (EWS) and are Persons with Disabilities and are NOT Persons belonging to OBC/SC/ST category. Candidates must produce valid GEN-EWS and PwD certificates to be assigned this tag. Thus, candidates belonging to the economically-weaker sections of the general category are divided into two mutually exclusive categories and are assigned either one of the tags GEN-EWS or GEN-EWS-PwD.
- (v) Category tag OBC-NCL: This is assigned to Indian nationals who belong to the Non-Creamy Layer of Other Backward Classes (OBC-NCL) and are NOT Persons with Disabilities. Candidates must produce a valid OBC-NCL certificate to be assigned this tag. The backward class MUST be listed in the Central List of OBCs published by the National Commission for Backward Classes, Government of India.
- (vi) Category tag OBC-NCL-PwD: This is assigned to Indian nationals who belong to the Non-Creamy Layer of Other Backward Classes and are Persons with Disabilities. Candidates must produce valid OBC-NCL and PwD certificates to be assigned this tag. The backward class must be listed in the Central List of OBCs. Thus, candidates belonging to the Non-Creamy Layer of Other Backward Classes are divided into two mutually exclusive categories and are assigned either one of the tags OBC-NCL or OBC-NCL-PwD.
- (vii) Category tag SC: This is assigned to Indian nationals who belong to the Scheduled Castes (SC) and are NOT Persons with Disabilities. Candidates must produce a valid SC certificate to be assigned this tag.

The Scheduled Castes MUST be listed in the respective State-wise List published by the Ministry of Social Justice & Empowerment, Government of India.

- (viii) Category tag SC-PwD: This is assigned to Indian nationals who belong to Scheduled Castes and are Persons with Disabilities. Candidates must produce valid SC and PwD certificates to be assigned this tag. Thus, candidates belonging to the scheduled castes are divided into two mutually exclusive categories and are assigned either one of the tags SC or SC-PwD.
- (ix) Category tag ST: This is assigned to Indian nationals who belong to Scheduled Tribes (ST) and are NOT Persons with Disabilities. Candidates must produce a valid ST certificate to be assigned this tag. The Scheduled Tribes MUST be listed in the respective State-wise List published by the Ministry of Tribal Affairs, Government of India.
- (x) Category tag ST-PwD: This is assigned to Indian nationals who belong to Scheduled Tribes and are Persons with Disabilities. Candidates must produce valid ST and PwD certificates to be assigned this tag. Thus, candidates belonging to the scheduled tribes are divided into two mutually exclusive categories and are assigned either one of the tags ST or ST-PwD.
- (xi) For IITs: Candidates who are NOT Indian nationals (by birth or naturalized) (but not OCI/PIO card holders who have secured OCI/PIO card before 04.03.2021) are assigned **Foreign tag** for the purpose of seat allocation to IITs. These candidates are not eligible for benefits of any kind of reservation (e.g., GEN-EWS, OBC-NCL, SC, ST or PwD) and the seats allocated to them are supernumerary. There are no separate supernumerary seats or sub-category for females in the foreign national supernumerary seats.

- (xii) For NIT+System: Candidates who are NOT Indian Nationals (by birth or naturalized) (but not OCI/PIO card holders who have secured OCI/PIO card before 04.03.2021) are assigned **Foreign tag**. Such candidates are not eligible for seat allocation through JoSAA to NIT+System.
6. (A) For candidates who have qualified in JEE (Advanced) 2023 and have registered/appeared in JEE (Main) 2023, the category of the candidate as entered in the database provided by the JEE Apex Board 2023 [which conducted JEE (Main) 2023] will be considered, subject to document verification.
- (B) For OCI/PIO candidates who have not registered for JEE(Main) 2023 and qualified in JEE (Advanced) 2023, the category of the candidate as entered during JEE (Advanced) 2023 registration will be considered, subject to the fulfillment of eligibility criteria and document verification.
7. For candidates including OCI/PIO card holders who have appeared in JEE (Main) 2023 but have NOT registered for JEE (Advanced) 2023 or registered but not qualified JEE (Advanced) 2023, category tag is assigned based on the candidate's declaration in the JEE (Main) 2023 registration portal and will be subject to document verification in accordance with the rules announced by CSAB.
8. For the purpose of allocating seats for NIT+System, candidates are also assigned a state code of eligibility.
- (i) State code of eligibility means the code of the state from where the candidate has passed Class XII (or equivalent) examination. The codes of the states are same as those given in the JEE (Main) 2023 Information Bulletin. It is important to note that the state code of

eligibility does NOT depend upon the native place or the place of residence of the candidate.

For example, if a candidate appears for the Class XII examination in Delhi and is a resident of NOIDA, Uttar Pradesh, the candidate's state code of eligibility will be that of Delhi State and NOT that of Uttar Pradesh.

- (ii) If a candidate has passed Class XII (or equivalent) examination from one state but appeared for improvement from another state, the candidate's state code of eligibility will be from where the candidate first passed the Class XII (or equivalent) examination and NOT the state from where the candidate has appeared for improvement.
- (iii) For Indian nationals passing the Class XII (or equivalent) examination from an institution abroad (e.g., Nepal, Bhutan, Gulf countries, Sri Lanka, UK, US, Canada, etc.), the state code of eligibility will be determined on the basis of permanent address in India as given in the passport of the candidate. Such candidate should upload the Indian passport along with their Class XII (or equivalent) examination certificate/transcript.
- (iv) The state code of eligibility of OCI/PIO (who have secured OCI/PIO card before 04.03.2021) passing Class XII (or equivalent) examination in India is at par with Indian nationals. However, OCI/PIO passing the Class XII (or equivalent) examination from an institution abroad are eligible for Other State quota seats or All India quota seats (but NOT for Home State quota seats) in all NITs, IEST and Other-GFTIs.

V. DISTRIBUTION OF SEATS INTO PROGRAM SECTIONS

9. The total intake (i.e. number of seats) for an academic program is distributed into different Program-Sections. These are OPEN, GEN-EWS, OBC-NCL,

SC, ST, OPEN-PwD, GEN-EWS-PwD, OBC-NCL-PwD, SC-PwD, and ST-PwD.

- 10.** The category tags of candidates who are eligible for various Program-Sections are as shown in the table below:

Program-Section	Category tag(s) of eligible candidates
OPEN	GEN, GEN-EWS, OBC-NCL, SC, ST, GEN-PwD, GEN-EWS-PwD, OBC-NCL-PwD, SC-PwD, ST-PwD
GEN-EWS	GEN-EWS, GEN-EWS-PwD
OBC-NCL	OBC-NCL, OBC-NCL-PwD

Candidates with category tag “Foreign” are eligible for supernumerary seats in IITs without any other category tags (see [Section X](#)).

11. Distribution of Program seats in NIT+System

- (i) In addition to the distribution of program seats (based on categories of candidates) as described above, seats for academic programs offered by NITs, IEST Shibpur and PEC Chandigarh are distributed into Home State quota and Other States quota.

“Home State quota” is ONLY for candidates whose Home State/UT, as determined by the State Code of Eligibility, is the same as the state/UT in which the institute is located.

“Other States Quota” includes all the States and Union Territories EXCEPT the Home State [or Home Union Territory].

- (ii) The Home State Quota for Ghani Khan Choudhary Institute of Engineering and Technology Malda includes the candidates from the states of Arunachal Pradesh, Assam, Nagaland, Manipur, Meghalaya, Mizoram, Sikkim, and Tripura. Its Other States Quota is defined for candidates other than the states of Arunachal Pradesh, Assam, Nagaland, Manipur, Meghalaya, Mizoram, Sikkim, Tripura, and West Bengal. Candidates having West Bengal as state code of eligibility are not allocated seats through JoSAA/CSAB in Ghani Khan Choudhary Institute of Engineering and Technology Malda.
- (iii) Seats for academic programs offered by Assam University, Silchar, Birla Institute of Technology, and Pondicherry Engineering College, Puducherry are distributed into Home State quota and All India quota.
- (iv) In all the Institutes not mentioned above, there is only one seat quota i.e. All India quota.

Each of the above divisions of seats is also referred to as “Program-Sections” henceforth.

12. (A) There are 50% Home State seats for NIT Goa which shall be distributed in the following manner:

- i. 80% of the Home State seats are reserved for candidates from Goa.

* For states and union territories without an NIT, Home State quota will be considered in the NITs as shown below:

Andaman and Nicobar Islands	NIT Puducherry
Lakshadweep	NIT Goa
Daman and Diu	NIT Goa
Dadra and Nagar Haveli	NIT Goa
Chandigarh	NIT Delhi
Ladakh	NIT Srinagar

- 13.** Supernumerary seats for the Union Territories of Andaman & Nicobar Islands, Dadra & Nagar Haveli, Daman & Diu, and Lakshadweep islands will be in the NITs shown below:

Andaman and Nicobar Islands	NIT Durgapur
Lakshadweep	NIT Calicut
Daman and Diu	SVNIT Surat
Dadra and Nagar Haveli	SVNIT Surat

Supernumerary seat allocation for these Union Territories will be done after the joint seat allocation and seat acceptance under JoSAA and CSAB Special round for NITs, IEST, IITs, and GFTIs. The business rules and schedule for allocating these supernumerary seats will be announced subsequently by CSAB at <https://csab.nic.in>.

- 14.** The number of seats available for different candidate categories / quotas (i.e. seat matrix) will be announced in the online portal <https://josaa.nic.in>.

15. JoSAA 2023 allocates seats as per the seat matrix data provided by the participating Institutes. It is the sole responsibility of each participating institute to provide the seat matrix data taking into consideration the reservation and other policies applicable to them / decided by them. JoSAA 2023 is NOT responsible for the seat matrix data.

VIII. MULTIPLE STUDENT–SAME RANK RULE

22. In the event that there is fewer number of seats available under a particular category in an academic program than the number of candidates with the same category-wise rank seeking admission to the same program, then all those candidates will be offered seats by creating requisite number of supernumerary seats.

IX. [ONLY FOR IITs] SEAT ALLOCATION FOR DS CANDIDATES

23. Two (2) supernumerary seats are preferentially allocated in every Institute for candidates who qualify under the Defence Services (DS) category. In order to

avail the benefit of DS category, the candidate must submit the Form-DS certificate.

A DS candidate must be in the CRL to be eligible for preferential allocation under the DS category.

Candidates who are eligible for seat allocation under the DS category will also be considered under their category [viz., GEN, GEN-EWS, OBC-NCL, SC, ST, GEN-PwD, GEN-EWS-PwD, OBC-NCL-PwD, SC-PwD, and ST-PwD]. For example, if a candidate belongs to the OBC-NCL category and is also eligible for admission under the DS category, then the candidate will be considered for seat allocation in an academic program of an IIT in the following order: first for OPEN seats, followed by OBC-NCL category seats, and then for seats under DS category.

X. [ONLY FOR IITs] SEAT ALLOCATION FOR THE CANDIDATE WITH FOREIGN TAG

- 24.** For being considered for seat allocation, foreign tag candidates should be in the CRL and satisfy all the eligibility requirements meant for a GEN category candidate. Seat allocation to foreign tag candidates is carried out after the seat allocation of all Indian national candidates is completed in each round. A seat in an academic program will be allotted to a foreign tag candidate if the candidate's rank is the same or better than the closing rank of the GEN category candidate in that academic program.
- 25.** Seats to be allocated to foreign tag candidates will be supernumerary.
- 26.** The total number of supernumerary seats allotted in each IIT for foreign tag candidates, is limited to up to 10% of the total number of seats of the respective IIT, Program-wise.

XI. [Only for NITs, IEST, IITs (Triple-I-Ts) and Other-GFTIs] SEAT ALLOCATION FOR THE CANDIDATE WITH FOREIGN TAG

27. Admission of foreign tag candidates to NITs, IEST, IITs, and Other-GFTIs is not in the purview of CSAB and hence is not in the purview of JoSAA 2023.

XII. [ONLY FOR IITs] SEAT ALLOCATION TO PREPARATORY COURSES

28. The following business rules for seat allocation to preparatory courses will be applicable for every round of seat allocation.

- (A) Unfilled OPEN-PwD seats will be allocated to candidates appearing in the CRL-PwD preparatory rank list provided no more candidates in the CRL-PwD rank list have opted for it.
- (B) Unfilled GEN-EWS-PwD seats will be allocated to candidates appearing in the GEN-EWS-PwD preparatory rank list provided no more candidates in the GEN-EWS-PwD rank list have opted for it.
- (C) Unfilled OBC-NCL-PwD seats will be allocated to candidates appearing in the OBC-NCL-PwD preparatory rank list provided no more candidates in the OBC-NCL-PwD rank list have opted for it.
- (D) Unfilled SC-PwD seats will be allocated to candidates appearing in the SC-PwD preparatory rank list provided no more candidates in the SC-PwD rank list have opted for it.
- (E) Unfilled ST-PwD seats will be allocated to candidates appearing in the ST- PwD preparatory rank list provided no more candidates in the ST-PwD rank list have opted for it.
- (F) Unfilled SC seats will be allocated to candidates appearing in the SC preparatory rank list provided no more candidates in the SC rank list have opted for it.

- (G) Unfilled ST seats will be allocated to candidates appearing in the ST preparatory rank list provided no more candidates in the ST rank list have opted for it.

XIII. [ONLY FOR IITs] REALLOCATION OF UNFILLED SEATS FOR AN ACADEMIC PROGRAM

29. The following rules for reallocation of seats will be applicable in every round of seat allocation AFTER seat allocation for preparatory courses.

- (A) Unfilled OPEN-PwD category seats for an academic program will be reallocated and treated as OPEN category seats for allocation.
- (B) Unfilled GEN-EWS-PwD category seats for an academic program will be reallocated and treated as GEN-EWS category seats for allocation.
- (C) Unfilled OBC-NCL-PwD category seats for an academic program will be reallocated and treated as OBC-NCL category seats for allocation.
- (D) Unfilled SC-PwD category seats for an academic program will be reallocated and treated as SC category seats for allocation.
- (E) Unfilled ST-PwD category seats for an academic program will be reallocated and treated as ST category seats for allocation.

XIV. CHANGE OF PERSONAL AND OTHER DETAILS

30. At the time of registration in the JoSAA website, candidates will NOT be allowed to change their personal details such as name, father's / mother's / guardian's name, date of birth, Class XII (or equivalent) examination board, and (birth) category. However, candidates can change their state code of eligibility, nationality, year and place as well as status of passing class XII (subject to conditions specified in point 72), and gender.

XV. SUPERNUMERARY SEATS FOR FEMALE CANDIDATES

31. The Ministry of Education (erstwhile Ministry of Human Resource Development), Government of India, has taken a decision to improve the gender balance in the undergraduate programs at IITs, NITs, IEST Shibpur,

and some of the Triple-I-Ts to at least 20% by academic year 2020-21 by creating supernumerary seats specifically for females (Reference: F.No.35-8/2017-TS.III dated 30th October, 2017). In accordance with the directions of the Ministry of Education, Government of India, supernumerary seats will thus be created and offered to female candidates, in the undergraduate programs of all IITs and NITs, IEST and some of the IIITs in Joint Seat Allocation process for 2023-24. Following the decision dated February 03, 2023 passed by the Hon'ble Supreme Court of India in Writ Petition (Civil) 891 / 2021, the OCI/PIO candidates who have secured OCI/PIO card before 04.03.2021 shall be considered for the seats in the OPEN category. The OCI/PIO candidates who have secured OCI/PIO card before 04.03.2021 shall be included in the CRL, and/or CRL-PwD list as also for the Female Supernumerary seats, as applicable. The OCI/PIO candidates MUST qualify the JEE (Advanced) 2023 for IITs or JEE (Main) 2023 for NIT+System, as applicable. Foreign tag candidates are not eligible for female supernumerary seats.

32. The following rules will be followed while allocating supernumerary seats for females.

- (A) **Cut-off** [for IITs only]: The qualifying cut-off marks for each program of every IIT will be computed in a gender-oblivious manner.
- (B) **Creation of seat matrices for 2023:** Consider any program P (For example, IIT Guwahati Chemical Engineering or NIT Rourkela Mechanical Engineering). There will be two seat pools for P, namely, Gender-Neutral (P) and Female-Only (P). The Female-Only (P) pool includes supernumerary seats, if any.
- (C) **Every IIT must have at least 20% females altogether in its UG program:** Non-female candidates will be eligible only for seats from Gender-Neutral (P) pool. Female candidates are eligible for both the pools. However, a female candidate desirous of P, first competes for a

seat from Female-Only (P) pool. Only after she fails to get a seat from this pool, she will compete for a seat from Gender-Neutral (P) pool.

(D) The seat allocation algorithm ensures the following:

- a. No reduction in the number of available seats for non-female candidates compared to the number of available seats for non-female candidates in 2022: As stated in the point (B) above (creation of seat matrices for 2023), the number of seats in Gender-Neutral pool of an institute (e.g., IIT Guwahati) in 2023 will not be less than the number of seats in the Gender-Neutral pool in that Institute in 2022.
- b. No-adverse effect due to a separate seat pool for female candidates: Female candidates are eligible for a seat from Female-Only pool as well as Gender-Neutral pool of a program. A female candidate will compete for a seat in Gender-Neutral pool only after she fails to get a seat from Female-Only pool. As a result, it is guaranteed that at least one of the following properties will hold.
 - i. All seats of a Program-Section of Gender-Neutral pool are occupied by non-female candidates only.
 - ii. The allocation of all the seats of a Program-Section of Gender-Neutral pool and its Female-Only counterpart combined is done purely based on merit without any gender bias/preference.
- c. For IITs, undergraduate programs taken together in an institute will have at least 20% females.
- d. For NITs, IEST Shibpur and some of Triple-I-Ts, individual undergraduate programs will have at least 20% females.
- e. Under no circumstances would a female candidate be denied a seat in an academic program while allocating that seat to a non-female candidate with (a) lower rank than her, and, (b) satisfying the same eligibility criteria.

(E) Order of category and gender: While allocating a seat, the category is considered first followed by the gender. For example, consider an OBC-NCL female candidate with a valid GEN rank. Suppose she is aspirant of a seat in an academic program P, she will be first considered for a seat from the Female-Only pool of OPEN seats for program P followed by Gender-Neutral pool of OPEN seats for program P. Thereafter, she will be considered for a seat from Female-Only pool of OBC-NCL seats for program P followed by Gender-Neutral pool of OBC-NCL seats for program P. The justification for the above order is the following:

The candidate is eligible for OPEN seats. Hence, OPEN seat will be allocated to her if eligible based on merit, before her own category.

The reservation policy: The reservation policy as per the Government of India norms as existing at present will be applicable to the two pools of seats as well - Seats in Female-Only (P) pool of a program will be further split into various Program-Sections based on the categories (GEN, GEN-EWS, OBC-NCL, SC, ST, GEN-PwD, GEN-EWS-PwD, OBC-NCL-PwD, SC-PwD, ST-PwD) and state quotas (All India / Home State / Other State, as and where applicable).

In a similar manner, Gender-Neutral (P) pool will be split into Program-Sections based on the categories and state quotas (as and where applicable). Once the numbers of seats for Female-Only (P) and Gender-Neutral (P) have been computed for an academic program P as described above, they are distributed among their Program-Sections according to the prevailing business rules as follows:

- For IITs which have only All India quota, there are ten Program-Sections according to respective categories - GEN, GEN-EWS, OBC-NCL, SC, ST, and their PwD counterparts.

- For NIT+ System Institutes, there are either two types of state quotas i.e. Home State and Other State (or All India and Home State) or only one type of quota i.e. All India quota. Hence, there are maximum 20 Program-Sections defined by the state quota and candidate's categories for these institutes.

Important Note: Creation and allocation of supernumerary seats for female candidates is fundamentally different from reservation of seats for female candidates **AND** should **NOT** be mistaken for any kind of reservation for females. The following example illustrates this point:

- Suppose a program has 80 Gender-Neutral seats and 20 Female-Only seats. Further, let us assume that the top 20 rankers opting for the program are females and the next 80-rankers opting for the program are non-females. In the current allocation scheme, the top ranking 20 females will first be allocated the 20 Female-Only seats. The non-females will be allocated the 80 Gender-Neutral seats.
- On the contrary, if the Female-Only seats were following allocation similar or equivalent to “reservations” then the top ranking 20 females would first be allocated the top 20 Gender-Neutral seats first and therefore the remaining $80-20 = 60$ Gender-Neutral seats would be allocated to non-females. The remaining 20 Female-Only seats would be then allocated to lower ranked females, thereby not allowing allocation of the program to the remaining $(100-80 = 20)$ higher ranked non-females.

33. Clear separation of Gender-Neutral and Female-Only verticals: Any seat left vacant in Female-Only pool will not be allocated to any non-female candidate. The justification for this rule is the following: In this case, all seats from Gender-Neutral (P) will be occupied by non-female candidates and hence the property (as given in 32.D.b.ii) above holds for them. Female-

Only (P) seats are meant for females only and include supernumerary seats that are specifically created for improving gender ratio beyond the actual intake/capacity in P. Thus, making any Female-Only seats available to non-females is not possible by principle.

XVI. UPGRADATION OF PROGRAM-SECTION AFTER THE FIRST ROUND OF SEAT ALLOCATION

34. As indicated in [Section VI](#), candidates may become eligible for seat allocation in more than one Program-Section depending upon their category tag and rank lists in which they appear. If the allocated seat is not in the first Program-Section, in subsequent rounds (if any) of seat allocation, candidates will be automatically considered for upgradation of Program-Section.

Meaning of “upgradation of Program-Section”: Suppose a candidate with the category tag SC has been allocated a seat under the Program-Section SC. Also, suppose that this candidate appears in two rank lists: CRL and SC. The candidate will be offered a seat in the Program-Section OPEN in subsequent rounds (if any) if eligible by merit.

35. The academic program / Institute allocated to a candidate will NOT change because of upgradation of Program-Section.

XVII. REGISTRATION AND FILLING-IN OF CHOICES OF ACADEMIC PROGRAMS

36. For registration and filling-in of choices of academic programs in various Institutes, candidates should login to the <https://josaa.nic.in> using one of following credentials:

- i. JEE (Main) 2023 Application Number and password for all candidates who had registered for JEE (Main) 2023.
- ii. JEE (Advanced) 2023 login-id and password for foreign nationals and OCI/PIO card holders who have not registered for JEE (Main) 2023.

The detailed instructions will be provided on JoSAA 2023 portal.

- 37.** Filling-in of choices on the online portal is free of cost, i.e. candidates are NOT required to pay any fee.
- 38.** A candidate may be eligible for seat allocation based on one, two, three or all four examinations, viz., JEE (Advanced) 2023, JEE (Main) 2023 B.E. / B. Tech. Paper, JEE (Main) 2023 B.Arch. Paper, and JEE (Main) 2023 B.Plan. Paper. Even for candidates who are eligible to participate in the Joint Seat Allocation based on any two, any three or all four of the above examinations, only ONE seat from among the choices filled-in is made available. Hence, it is important for candidates to carefully prioritize the academic programs while filling-in the choices, while bearing in mind that only the choices filled in would be made available for seat allocation.
- 39.** Candidates are given a 10-day window to fill-in their choices which includes 2 mock seat allocations [see the timeline in [Annexure 3](#)]. This 10-day window will NOT be extended under any circumstances. Requests in this matter shall not be entertained. During this period, each candidate must fill choices carefully – the candidate must select only those academic programs in the choices which the candidate is willing to join and prioritize them in order of preference of course/institute.

Candidates are advised to visit the Institute website for fee structure and fee waiver related rules applicable for Individual Institutes. JoSAA 2023 and CSAB 2023 shall not be responsible for fee structure and fee waiver related rules applicable for Individual Institutions.

Candidates are advised to take advantage of the mock seat allocations and choose ALL academic programs that they are willing to join in the order of preference.

40. Candidates MUST “lock” their choices on/before the last day of choice filling. If candidates do NOT lock their choices, last saved choices will be locked automatically upon reaching the deadline for choice filling. Once locked, the choices filled by a candidate cannot be edited. If a candidate wishes to edit their choices after locking but before the choice filling deadline, they can do so by first submitting a request to unlock in the online JoSAA portal. An OTP will be sent to the registered mobile and email, which can be used to validate the unlock request. Once validated, candidate’s choices will be unlocked for editing.

Candidates will NOT be allowed to edit their choice list after the deadline for choice filling, i.e. candidates CANNOT change the order of their choices OR add any more course/s in OR delete any course/s from their choice list after the deadline for choice filling.

Candidates are strongly discouraged from sharing their login information with others.

XVIII. PROVISIONAL OFFER OF SEAT AND ITS CONFIRMATION

41. It is the candidate’s responsibility to login to the JoSAA portal and check if a seat is allocated in a given round of seat allocation. Schedule of JoSAA activities is available in [Annexure 3](#) of this document. If the candidate is allocated a seat, steps of “Online Reporting” mentioned in point 42 MUST be completed, in order to accept the allocated seat before the last date/time specified for the given round, i.e. the round in which seat is allocated. Please refer to [Annexure 3](#) for the timeline. The allocated seat will then be either confirmed / cancelled on completion of document verification. **Failing to complete ALL the steps of "Online Reporting", within the specified timeline of the same round of JoSAA [see Annexure 3 for the round-wise**

timelines], will lead to cancellation of allocated seat and the candidate will be out of further JoSAA rounds, if any.

42. A candidate who has been allocated a seat needs to download the “Initial Seat Allotment Intimation Slip” which has information regarding the Seat Allotment and steps to be followed for seat confirmation by the candidate.

Step 1: Accept the Seat

The candidate needs to accept the seat allocated and opt for any one of the options ‘Freeze’, ‘Slide’ or ‘Float’ for the choice of academic program for subsequent round(s), if any, of joint seat allocation (see [section XX](#)).

Step 2: Upload the documents

The candidate MUST upload all the required documents (as per [Annexure 3](#)) on the JoSAA portal.

Step 3: Pay the Seat Acceptance Fee

The candidate MUST pay the seat acceptance fee for continuing with the JoSAA process till the end to avail the seat in IITs or NIT+ System. The documents uploaded by the candidate cannot be verified unless the candidate pays the seat acceptance fee. Admission fee varies across the Institutes/category of candidates and is different from seat acceptance fee. At the time of seat acceptance, candidates have to remit the seat acceptance fee only in the round in which the seat is allotted for the first time.

Non-payment of the seat acceptance fee is one of the ways to reject the offered / allocated seat and will be treated as a rejection. In such a situation, the candidate will no longer be able to participate in the seat allocation process in the subsequent rounds. [See points 44 and 45 below]

Seat Acceptance Fee

Rs. 20,000 for candidates with the category tag SC, ST, GEN-PwD, GEN-EWS-PwD, OBC-NCL-PwD, SC-PwD or ST-PwD and Rs. 40,000 for all other candidates (the fee includes Rs. 4,000 JoSAA processing charges). The seat acceptance fee excluding JoSAA processing charges of Rs. 4,000 will be adjusted against the admission fee.

Candidates should remit seat acceptance fee using Debit card / UPI / Credit card / Net Banking / E-Challan [See Chapter XXII below].

Step 4: Respond to queries (if any)

At the time of document verification, if the document verification officer raises any query, the candidate must respond in online mode (through candidate portal) within the stipulated time. Failure to respond to the query(ies) on time will lead to cancellation of the allotted seat and **the candidate will no longer be able to participate in the JoSAA 2023 process**. It is the responsibility of the candidate to check the online portal at regular intervals of time and respond to queries (if any) without fail within the stipulated time.

Candidates MUST complete all the above steps before their details are forwarded to the reporting authorities for verification and provisional allocation of the seat.

Document verification is done ONLY for those candidates who have successfully paid the seat acceptance fee.

Failure to complete all the steps of “Online Reporting” for seat acceptance will be considered as rejection of the offer and the candidate would have forfeited the eligibility for admissions to any of the institutes through JoSAA 2023 and will not be able to participate in the seat allocation process in the subsequent rounds, if any.

43. Seat will be confirmed by IITs / NIT+ System Institutes only after successful verification of the uploaded documents and ensuring that the candidate meets all the eligibility criteria. If all the documents are found to be valid and all the eligibility criteria are met by the candidate, the allocated seat will be provisionally confirmed and the candidate will be notified on the online JoSAA 2023 portal.

If all the documents are found to be valid and the eligibility criteria are met by the candidate, a “Provisional Seat Allotment letter” will be available for download on the online portal. Provisional Acceptance means that the candidate has accepted the offer, but the final acceptance is contingent on successful verification of certificates by, and on joining, the provisionally allotted institute and payment of the balance institute fee, if any.

In case of any discrepancies in the uploaded documents, query(ies) may be raised and will be notified to the candidate on the online portal. Candidate must respond to the query(ies) (by uploading new/modified document(s), if required) within the last date/time specified for the given round [see [Annexure 3](#) for the timeline]. The candidates are advised to check the online portal regularly for queries, if any. Additional query(ies) may be raised in case discrepancy(ies) still persist(s). In such cases, the candidate must respond to the additional query(ies) within the last date/time specified for the given round [see [Annexure 3](#) for the timeline]. The allocated seat will be confirmed or cancelled based on the validity of the document(s) uploaded in response to the query(ies) and candidate meeting the eligibility criteria.

Failure to reply to the query(ies) raised would lead to seat cancellation and will be considered as rejection of the offer and the candidate would have forfeited the eligibility for admissions to any of the institutes through JoSAA 2023.

Candidates are thus advised to pay the seat acceptance fee on the first day of the respective round itself and not wait for the last day, so that their documents may be verified, leaving sufficient time for the candidate to properly respond to the queries / additional queries, if any, of the reporting officer.

44. Seat will be cancelled if, at any time, any of the documents / certificates is/are found to be invalid / fraudulent and/or the candidate does not meet all / any of the eligibility norms.

45. Option to reject (or not accept) the allocated seat: Candidates who want to reject the allocated seat can do so by NOT completing the steps for “Online Reporting” (point 42) including not remitting the seat acceptance fee.

46. Candidates who reject allocated seat CANNOT participate any more in Joint Seat Allocation for the ensuing academic year 2023-24.

If a candidate rejects a seat by not completing all the steps of “Online Reporting” given in point 42, the allotted seat will be cancelled AND the candidate shall be excluded from the JoSAA process, which means the candidate shall not be considered for subsequent rounds (if any) of seat allocation. Thus, the candidate would have forfeited the eligibility for admissions to any of the institutes through JoSAA 2023.

XIX. VERIFICATION

47. A. Requirement of independent re-verification

If a candidate, who accepts a seat in NIT+ System by “Online Reporting” in a particular round of seat allocation, is subsequently allocated a seat in an IIT for the first time in further rounds of seat allocation (if any), then the documents and the eligibility criteria of such candidates will be verified AGAIN by the IITs. In such cases, candidate is advised to login on the online JoSAA portal to check if any query(ies) has(ve) been raised.

Candidate is required to respond online against the queries raised within the last date/time specified for the given round [see [Annexure 3](#) for the timeline]. The candidate would be notified of the decision regarding the provisional seat confirmation after successful verification of the uploaded documents and meeting eligibility conditions and confirmation of the payment status for seat acceptance fee.

Similarly, if a candidate, who accepts a seat in IITs by “Online Reporting” in a particular round of seat allocation, is subsequently allocated a seat in the NIT+System for the first time in further rounds of seat allocation (if any) then the documents and the eligibility criteria of such candidates will be verified AGAIN by the NIT+ System. In such cases, candidate is advised to login on the online JoSAA portal to check if any query(ies) has(ve) been raised. Candidate is required to respond online against the queries raised within the last date/time specified for the given round [see [Annexure 3](#) for the timeline]. The candidate would be notified of the decision regarding provisional seat confirmation after successful verification of the uploaded documents and meeting the eligibility conditions and confirmation of the payment status for seat acceptance fee.

It is the responsibility of the Candidate to regularly check the online portal and respond online against the queries raised within the last date/time specified for the given round [see [Annexure 3](#) for the timeline]. **Failure to meaningfully and successfully respond to the query(ies) raised within the stipulated timeline, will be treated as rejection of the allocated seat and would lead to seat cancellation and the candidate will be excluded from the JoSAA 2023 process.** Thus, the candidate will forfeit the eligibility for admissions to any of the institutes through JoSAA 2023. No further/extra seat acceptance fee has to be paid in case of dual verification.

Seat allocation in an IIT in subsequent round(s) (if any) automatically cancels the earlier accepted seat in an NIT+System. Similarly, Seat allocation in NIT+System in subsequent round(s) (if any) automatically cancels the earlier accepted seat in an IIT. Thus, in the above situation, **the candidate is NOT required to cancel the earlier seat; doing so would be treated as a rejection of the seat and the candidate would be excluded from the JoSAA 2023 process.**

No independent re-verification is required for candidates who are allocated seats ONLY in IITs in ALL rounds of seat allocation. Similarly, no re-verification is required for candidates who are allocated seats ONLY in NIT+System in ALL rounds of seat allocation.

B. Physical verification for PwD Candidates (only for IITs)

All JEE (Advanced) 2023 qualified PwD candidates, seeking to get a seat in IITs through JoSAA, are required to visit any of the IITs for physical verification along with a copy of the PwD certificate(s). Following procedures will be adopted for physical verification of JEE (Advanced) 2023 qualified PwD candidates:

- (i) Physical verification process starts from the first day of JoSAA 2023 choice filling, i.e. June 19, 2023, and continues through the counseling rounds of JoSAA 2023.
- (ii) All JEE (Advanced) 2023 qualified PwD candidates are required to complete this process latest by the end of the counseling round in which they are allocated a seat (if any). Failure to successfully complete this process shall result in the allocated seat being cancelled.

- (iv) Candidates are required to choose any one IIT (for physical verification), date, as well as time (FN/AN) using the link available on

the JoSAA 2023 portal **two days** before appearing for physical verification.

- (v) The verification can be done in **one** of the following two intervals:
 - a. Interval 1: During the Choice filling period (June 19 to 28, 2023).
 - b. Interval 2: During the actual counseling rounds: Each candidate seeking to get the benefit of the PwD category is required to complete this process latest by the end of the counseling round in which they are allocated a seat (if any).
- (vi) It is candidate's responsibility to plan their travel such that the physical verification is completed by the last day of the counseling round in which they are allocated a seat (if any) [Please see [Annexure 3](#) for JoSAA 2023 Timeline]. **No exceptions shall be made in this regard.**

C. Physical Verification for PwD Candidates (only for NIT+System)

All those PwD candidates who did not qualify JEE (Advanced) 2023, but have JEE (Main) 2023 ranks and seek to get a seat in NIT+System through JoSAA, are required to visit one of the reporting centers of their choice for physical verification along with a copy of the PwD certificate(s). Following procedures will be adopted for physical verification of these PwD candidates:

- (i) Physical verification process starts from the first day of JoSAA 2023 choice filling, i.e. June 19, 2023, and continues through the counseling rounds of JoSAA 2023.
- (ii) All JEE (Main) 2023 qualified PwD candidates are required to complete this process latest by the end of the counseling round in which they are allocated a seat (if any). Failure to successfully complete this process shall result in the allocated seat being cancelled.
- (iii) Before candidates come for physical verification, they are required to register **two days before** on the JoSAA 2023 portal.
- (iv) Candidates are required to choose one reporting center in NIT+ System (for physical verification), date, as well as time (FN/AN) using the link

available on the JoSAA 2023 portal before appearing for physical verification.

- (v) The verification can be done in **one** of the following two intervals:
- a. Interval 1: During the Choice filling period (June 19 to 28, 2023).
 - b. Interval 2: During the actual counseling rounds: Each candidate seeking to get the benefit of the PwD category is required to complete this process latest by the end of the counseling round in which they are allocated a seat (if any).
- (vi) It is the candidate's responsibility to plan their travel such that the physical verification is completed by the last day of the counseling round in which they are allocated a seat (if any) [Please see [Annexure 3](#) for JoSAA 2023 Timeline]. **No exceptions shall be made in this regard.**

D. Physical verification for Persons with less than 40% disability and having difficulty in writing (only for IITs)

All JEE (Advanced) 2023 qualified **Persons with less than 40% disability and having difficulty in writing** candidates, seeking to get a seat in IITs through JoSAA, are required to visit any of the IITs for physical verification along with a copy of the certificate required for DISABILITY AND HAVING DIFFICULTY IN WRITING (**Refer to the JEE (Advanced) 2023 Information Brochure, ANNEXURE II: Certificate for person with specified disability covered under the definition of Section 2 (s) of the RPwD Act, 2016 but not covered under the definition of Section 2(r) of the said Act, i.e. persons having less than 40% disability and having difficulty in writing**). Following procedures will be adopted for physical verification of JEE (Advanced) 2023 qualified **Persons with less than 40% disability and having difficulty in writing** candidates:

- (i) Physical verification process starts from the first day of JoSAA 2023 choice filling, i.e. June 19, 2023, and continues through the counseling rounds of JoSAA 2023.
- (ii) All JEE (Advanced) 2023 qualified **Persons with less than 40% disability and having difficulty in writing** candidates are required to complete this process latest by the end of the counseling round in which they are allocated a seat (if any). Failure to successfully complete this process shall result in the allocated seat being cancelled.
- (iii) Before candidates come for physical verification, they are required to register on the JoSAA 2023 portal.
- (iv) Candidates are required to choose any one IIT (for physical verification), date, as well as time (FN/AN) using the link available on the JoSAA 2023 portal **two days** before appearing for physical verification.
- (v) The verification can be done in **one** of the following two intervals:
 - a. Interval 1: During the Choice filling period (June 19 to 28, 2023).
 - b. Interval 2: During the actual counseling rounds: Each **Persons with less than 40% disability and having difficulty in writing** candidate seeking to get the allotted seat is required to complete this process latest by the end of the counseling round in which they are allocated a seat (if any).
- (vi) It is candidate's responsibility to plan their travel such that the physical verification is completed by the last day of the counseling round in which they are allocated a seat (if any) [Please see [Annexure 3](#) for JoSAA 2023 Timeline]. **No exceptions shall be made in this regard.**

E. Physical Verification for Persons with less than 40% disability and having difficulty in writing (only for NIT+ System)

All those **Persons with less than 40% disability and having difficulty in writing** candidates who did not qualify JEE (Advanced) 2023, but have JEE

(Main) 2023 ranks and seek to get a seat in NIT+System through JoSAA, are required to visit one of the reporting centers of their choice for physical verification along with a copy of the certificate required for **DISABILITY AND HAVING DIFFICULTY IN WRITING (Refer to the JEE (Main) 2023 Information Bulletin and its ANNEXURE IV: Certificate for person with a disability under RPwD Act, 2016 having less than 40% disability and having difficulty in writing)**. Following procedures will be adopted for physical verification of these **Persons with less than 40% disability and having difficulty in writing** candidates:

- (i) Physical verification process starts from the first day of JoSAA 2023 choice filling, i.e. June 19, 2023, and continues through the counseling rounds of JoSAA 2023.
- (ii) All JEE (Main) 2023 qualified **Persons with less than 40% disability and having difficulty in writing** candidates are required to complete this process latest by the end of the counseling round in which they are allocated a seat (if any). Failure to successfully complete this process shall result in the allocated seat being cancelled.
- (iii) Before candidates come for physical verification, they are required to register on the JoSAA 2023 portal. Candidates are required to choose one reporting center in NIT+ System (for physical verification), date, as well as time (FN/AN) using the link available on the JoSAA 2023 portal before appearing for physical verification.
- (iv) The verification can be done in **one** of the following two intervals:
 - a. Interval 1: During the Choice filling period (June 19 to 28, 2023).
 - b. Interval 2: During the actual counseling rounds: Each **Persons with less than 40% disability and having difficulty in writing** candidate seeking to get the allotted seat is required to complete this process latest by the end of the counseling round in which they are allocated a seat (if any).

- (v) It is the candidate's responsibility to plan their travel such that the physical verification is completed by the last day of the counseling round in which they are allocated a seat (if any) [Please see [Annexure 3](#) for JoSAA 2023 Timeline]. **No exceptions shall be made in this regard.**

If it is found at any stage that a candidate has availed the services of a scribe and / or availed the compensatory time, but does not possess the requisite extent of disability, and/or does not have difficulty in writing, that warrants the use of a scribe and / or grant of compensatory time, the candidate will be excluded from the process of admission. In case such a candidate has already been admitted to any IIT/NIT+System, the admission of the candidate will be cancelled.

XX. FREEZE, FLOAT, AND SLIDE OPTIONS

- 48.** At the time of accepting the seat online, a candidate has to opt for any one of the options i.e. 'Freeze', 'Float' or 'Slide' for the choice of academic program for subsequent round(s), if any, of joint seat allocation. In case the candidate has been allocated seat as per the candidate's first choice, above option will not be available and the only option available will be *Freeze*. In such a situation, the candidate may either accept, and Freeze the offered seat, or may reject the offered seat. Non choosing of Freeze option in this case will be considered as rejection of the offered seat and the candidate will not be considered for seat allocation in the further rounds (if any).

(A) Freeze:

Choosing the option "*Freeze*" means that the candidate accepts the offered seat and indicates that the candidate is content with the allocated academic program and that the candidate does not want to participate in further

rounds of seat allocation while retaining the same seat. Such candidates will NOT be considered in subsequent rounds of JoSAA 2023 (if any). Their chosen seat shall remain allocated to them and shall be provisionally confirmed, subject to successful completion of the steps mentioned in [Section XVIII](#) above.

(B) Float:

Choosing the option “*Float*” means that the candidate accepts the offered seat and indicates that, if admission to an academic program of higher preference in *any Institute* is offered in subsequent rounds of seat allocation, the candidate will accept it. Else, the candidate will continue with the currently accepted academic program. Such candidates will be considered in subsequent rounds of JoSAA 2023 (if any).

(C) Slide:

Choosing the option “*Slide*” means that the candidate accepts the offered seat and indicates that, if admission to an academic program of higher preference is offered *within the same Institute* in subsequent rounds of seat allocation, the candidate will accept it. Such candidates will be considered in subsequent rounds of JoSAA 2023 (if any).

For candidates who choose the float or slide option, allocation of a seat in an academic program of the candidate’s higher preference would automatically result in the forfeiture of the seat accepted by the candidate in the earlier round. Such candidates are only required to accept or reject the academic program of higher preference offered as a result of the float or slide option. In case such candidate rejects or cancels the seat offered as a result of float or slide, then the candidate would no longer be entitled to any seat and would not be permitted to participate any further in JoSAA 2023.

(Candidates are thus advised to fill in their list of choices carefully and exercise the options of Freeze, Float and Slide even more carefully).

49. Slide and float options will be available to only those candidates who are NOT offered admission to their first choice in their choice-list.
50. Slide and float options are NOT available in the last round of JoSAA 2023.
51. A candidate can change from float to slide/freeze and slide to freeze in the online portal during all rounds of Seat Allocation EXCEPT the last round.
52. If a candidate opts Freeze against a seat, the option cannot be changed in the subsequent rounds under any circumstances. Communication on this matter shall NOT be entertained.
53. During the seat allotment period of a particular round of seat allocation, if there is a change in the credentials of a candidate due to failure in producing valid certificate of category GEN-EWS/OBC-NCL/PwD/DS/OCI/PIO (OCI certificate/PIO card issued before 04-03-2021 (*Reference: Decision dated February 03, 2023 passed by the Hon'ble Supreme Court of India in Writ Petition (Civil) No. 891/2021*) or state code of eligibility or declaration of gender and the allotted seat gets cancelled, then the candidate will be considered for seat allocation in subsequent round(s) (if any) as per the updated credentials. In such cases, the candidate must report again online for accepting the freshly allocated seat, if any.

(For IITs Only): If a foreign candidate fails to produce a valid proof of foreign nationality (i.e. foreign passport or citizenship certificate) any seat allocated to them will be cancelled. However, if they have a valid 10+2 or equivalent passing certificate from India or from abroad, such candidates will be considered for seat allocation in the subsequent round(s) under GEN category of seat allocation (if any) for IITs based on updated credentials, provided they meet the JEE (Main) 2023 cut-off marks for qualifying for JEE (Advanced) 2023. Such candidate MUST submit a proof of Indian Nationality failing which the candidate will be out of the seat allocation process for IITs.

XXI.REPORTING AT THE ADMITTING INSTITUTE

54. [For IITs] At the conclusion of joint seat allocation and seat acceptance, candidates will have to report at the admitting institute, complete all the admission formalities of the Institute including payment of Institute fees, get the admission confirmed and begin the academic session. At the time of the reporting at the admitting institute, all the certificates will be re-checked by the admitting Institute and the admission will be cancelled if these fail to meet the requirements as per the prevailing norms. Such candidate having already successfully accepted a seat in JoSAA 2023 would not be eligible for appearing in JEE (Advanced) 2024.

[For NIT+ System] The physical reporting at admitting Institute will be done after the completion of CSAB Special Rounds. Candidates allocated a seat in the NIT+ System are advised to refer to the CSAB website (<https://csab.nic.in>) for the schedule of Physical Reporting.

55. Additionally, (for IITs), at the time of reporting at the admitting institute, biometric verification shall be done against the biometric data captured at the time of the exam. The admission will be cancelled if any candidate fails the biometric verification.

Reporting schedules and the mode of reporting at the admitting Institute will be appropriately announced on the website <https://josaa.nic.in>.

XXII.REMITTANCE OF SEAT ACCEPTANCE FEE

56. For payment of seat acceptance fee, candidates should either use Net Banking or Debit card or UPI or Credit card facilities available on JoSAA portal or use e-challan of State Bank of India downloaded from the JoSAA portal.

An e-challan is similar in purpose to a challan used in a bank to deposit money. It will have all the details filled in by the online portal and will

have two identical parts (i.e. the challan will be in duplicate). One copy will be retained by the bank. Candidate retains another copy for candidate's own record. Using e-challan, candidates can physically pay the seat acceptance fee in any branch of State Bank of India.

Candidates are strongly advised to make the payment well within time, as the seat may get cancelled due to non-payment of seat acceptance fee within the stipulated time period. Such cancellation is not reversible and no requests would be entertained, as the entire process is computerized.

57. Candidates have to remit seat acceptance fee only once. Thus, candidates who are allocated another seat in subsequent rounds of JoSAA 2023 (if any) [because they chose the float or slide option] do NOT have to pay seat acceptance fee again.

58. Seat acceptance fee, once paid, is not refundable. However, if a candidate later validly withdraws from the seat allocation process, then the seat acceptance fee paid will be refunded after deducting the JoSAA withdrawal processing charges of Rs. 7000. If a candidate's seat is cancelled due to not meeting the eligibility criteria or due to unresolved discrepancy(ies) in the uploaded document(s), then the seat acceptance fee paid will be refunded after deducting the JoSAA processing charges of Rs. 4000.

XXIII.REMITTANCE OF PARTIAL ADMISSION FEE [For NIT+ System only]

59. At the end of the 6th round of JoSAA 2023, candidates having a provisionally allocated seat (allocated in any round of JoSAA 2023 and which has not been cancelled or withdrawn) in NIT+System are required to pay the Partial Admission Fee (PAF) from their JoSAA portal (Please see [Annexure 3](#) for the timeline), Non-payment of the partial admission fee will be treated as a rejection of the offered / allocated seat. Candidates are

thus strongly advised to be vigilant and make the payment well within the stipulated time.

- 60.** Partial Admission Fee (PAF): Rs. 16,000 for candidates with the category tag SC, ST, GEN-PwD, GEN- EWS-PwD, OBC-NCL-PwD, SC-PwD or ST-PwD, and Rs. 36,000 for all other candidates. The partial admission fee will be adjusted against the Institute admission fee. Partial Admission Fee, once paid, is not refundable.
- 61.** For payment of PAF, candidates should either use Debit card or UPI or Credit card or Net Banking facilities available on JoSAA portal or e-challan of State Bank of India downloaded from the JoSAA portal for making physical payment.
- 62.** If a candidate fails to pay PAF (Please see [Annexure 3](#) for the timeline), the candidate will forfeit the provisionally allotted seat. The vacant seat thus created will be made available to the candidates in CSAB 2023 Special rounds. In such cases, the Seat Acceptance Fee paid shall be refunded to these candidates, after deducting a processing fee of Rs. 7000.

XXIV. WITHDRAW OPTION

- 63.** A candidate, who has already accepted a seat in one of the IITs allotted by JoSAA 2023, can withdraw the seat by reporting online and following the steps contained in point 66. This option is available starting from the 2nd round and up to the second last round of seat allocation, i.e. before the last round of seat allocation (i.e. if JoSAA conducts a total of six rounds of seat allocation, candidates can withdraw up until fifth round of seat acceptance period end, i.e. till July 24, 2023 (1700 Hrs. IST). Please see [Annexure 3](#) for the timeline) only for IIT seats. For NIT+ System, the candidate can withdraw the seat by reporting online and following the steps contained in point 66 up to the final round of online seat allocation.

64. If a candidate withdraws a seat, the candidate's allotted seat will be cancelled and offered to another candidate in a subsequent round of counselling. The candidate withdrawing shall be excluded from the JoSAA process, which means the candidate shall not be considered for subsequent rounds of seat allocation (if any).

Seat acceptance fee will be refunded to these candidates after deducting the withdrawal processing charges of Rs. 7000. Thus the candidate will forfeit the eligibility for admissions to any of the institutes through JoSAA 2023.

65. There is no option of withdrawing an accepted/allotted seat after the commencement of last round of seat allocation (for IITs only). Special Rounds for vacant seats (if any) of NIT+System are not offered through JoSAA 2023. Candidates are advised to visit the CSAB official website (<https://csab.nic.in>) for information on the Special Rounds for the NIT+ System.

66. The following is the process for withdrawal of an accepted / allotted seat:

Step 1: The candidate must login to the JoSAA portal and submit a request for withdrawal by submitting a duly signed declaration form ([Annexure 8](#)).

Step 2: An OTP will be sent to the candidate's mobile number and email ID. The candidate shall use this OTP to confirm that the candidate wants to withdraw from seat allocation process. The candidate also confirms that this would result in cancellation of allocated seat and will not be considered for subsequent rounds of seat allocation (if any).

Step 3: The uploaded document in Step 1 will be verified by the reporting officer. Based on the verification, one of the following scenarios will happen:

1. Reporting officer will accept the request. The candidate's withdrawal request is accepted.
 2. Reporting officer will reject the request based on the uploaded documentation and/or query response (see below). The candidate's withdrawal request is rejected.
 3. Reporting officer raises a query to obtain additional documentation and/or to re-confirm that the candidate is interested to withdraw. The candidate will be required to respond to the query before the end of the query response period (see [Annexure 3](#)). Reporting officer will either accept or reject based on the query response, or raise another query, and the above process will be repeated.
- The candidate can see the approved/rejected status of the withdrawal request on the JoSAA portal and download the approval/rejection letter. If withdrawal application is rejected, the candidate can submit the request again before the end of the fifth round of counseling with proper documentation.
 - The candidate will have the option to cancel a submitted withdrawal request through the online JoSAA portal, if they wish to do so, but only before the request is accepted by the reporting officer. An OTP will be sent to the candidate's mobile number and email ID, for cancelling the withdrawal request. The candidate shall use this OTP to confirm that she/he wants to cancel the withdrawal request from seat allocation process.

(Candidates are advised to keep their login credentials, i.e. login Id and password, strictly confidential to avoid any misuse).

67. The CSAB 2023 special vacant seat filling round(s), (including CSAB supernumerary counseling and CSAB NEUT counseling), will be conducted after the end of JoSAA 2023 through CSAB 2023 website, <https://csab.nic.in> and in accordance with the rules set out therein.

Candidates seeking information/assistance from any agency / agent other than CSAB 2023 shall be doing so at their own risk and cost.

XXV.EXIT OPTION FROM SEAT ALLOCATION PROCESS

- 68.** A candidate, who has NOT been allotted a seat in JoSAA 2023, can EXIT from the seat allocation process through the JoSAA portal starting from the 2nd round and up to the second last round of seat allocation, i.e. before the last round of seat allocation. Since JoSAA 2023 conducts a total of six rounds of seat allocation, candidates can exit until during the fifth round of seat acceptance period. Please see [Annexure 3](#) for the timeline. Thus, the candidate will forfeit the eligibility for admission to any of the institutes through JoSAA 2023.
- 69.** Candidates who have exercised exit option will NOT be considered for subsequent rounds of seat allotment (if any). Thus, the candidate will forfeit the eligibility for admissions to any of the institutes through JoSAA 2023.
- 70.** There is no option of exit from seat allocation process after the commencement of last round of seat allocation (for IITs only).
- 71.** The following is the process for Exit option from the seat allocation process of JoSAA 2023:
- Step 1: The candidate must login to the JoSAA portal and create a request for EXIT.
- Step 2: An OTP will be sent to the candidate's mobile number and email ID. The candidate will have to enter this OTP to confirm that the candidate wants to EXIT from the seat allocation process. The candidate also confirms once the candidates has used the exit option the candidate will be out of the JoSAA process and will not be considered for subsequent rounds of seat allocation (if any).

Step3: On submitting the appropriate responses on the check boxes, and clicking on Submit, the candidate confirms that he/she has exited from the seat allocation process, which shall then be processed online and the candidate shall then exit.

(Candidates are advised to keep their log-in credential, i.e. login Id and password, strictly confidential to avoid any misuse).

XXVI.CHANGE OF CLASS XII PASSING STATUS FOR REGISTERED CANDIDATES

72. It is possible that the Class XII passing status of a candidate is revised [due to re-totaling, re-evaluation, etc.] by the Class XII examination board AFTER the first round of joint seat allocation begins. The following business rules apply consequent to such a revision of passing status only during the seat allocation/ allotment:

- (A) Due to revision of passing status, if a candidate becomes ineligible because of not satisfying the “Performance in Class XII (or equivalent) examination” requirement [[Annexure 2\(a\)](#) for IITs and [Annexure 2\(b\)](#) for NITs/IIEST/Triple-I-Ts/Other-GFTIs], then the candidate will be made ineligible at the time of seat acceptance / document verification, or even at a later stage. Offered / confirmed seat of such candidates shall accordingly stand cancelled.
- (B) Due to revision of passing status, if a candidate satisfies the “Performance in Class XII (or equivalent) examination” requirement [[Annexure 2\(a\)](#) for IITs and [Annexure 2\(b\)](#) for NITs/IIEST/IIITs/Other-GFTIs] and becomes eligible for admission, then such a candidate has to approach the organizing institute (IIT Guwahati) with the revised passing certificate. The candidate will be considered for seat allocation only in subsequent rounds (if any). The

allocated seat (if any) shall be the same as what the candidate would have got on the basis of revised passing status to begin with. To ensure this, a supernumerary seat will be created, if needed.

- (C) If a candidate, who was eligible, continues to be eligible even after revision of Class XII passing status, there will not be any change in seat allocation.

XXVII.DOCUMENT VALIDITY / VERIFICATION

73. During the process of document verification, if there is any mismatch between the document uploaded earlier by the candidate [JEE (Main) 2023 registration site for NIT+System and JEE (Advanced) 2023 registration site for IITs] and the document uploaded by the candidate on the JoSAA portal, and the same is found to be due to willful forgery / act of cheating, the offer of admission will be withdrawn and the candidate shall be debarred from further rounds of seat allocation. Thus, the candidate will forfeit the eligibility for admissions to any of the institutes through JoSAA 2023. The decision of JoSAA on this issue shall be final and binding.

74. It is the responsibility of the candidate to keep the valid certificate or document ready and upload the same at the time of application / registration. All the certificates / documents will be verified at the time of online reporting and thereafter physically, at the time of reporting at the admitting Institute. For candidates whose category document is found to be invalid OR who do not produce a (valid) category document [as per the format given on JoSAA web portal], the category tag will be changed (for the purpose of seat allocation) as shown below. Additionally, in the case of PwD candidates, the admission under PwD category may be cancelled if the candidate's physical examination is not successful, even though such candidate possesses a PwD certificate.

Category Tag		Reason
Assigned	Changed to	
GEN-PwD*	GEN	Invalid PwD certificate
GEN-EWS	GEN	Invalid EWS certificate

**Performance in Class XII (or equivalent) examination
(Applicable only for candidates seeking admission to IITs)**

- The Candidates must satisfy **at least one of the following two criteria** with Physics, Chemistry and Mathematics as compulsory subjects in the year of first appearance in the Class XII (or equivalent examination):
 1. Must have secured at least 75% aggregate marks in the Class XII (or equivalent) Board examination. The aggregate marks for SC, ST and PwD candidates should be at least 65%.
 2. Must be within the category-wise top 20 percentile of successful candidates in their respective Class XII (or equivalent) board examination.

The percentile calculation will be done for all the required subjects, in a single academic year only. Therefore, candidates appearing for improvement in Board examinations can EITHER appear in one or more subjects and secure 75% aggregate marks (65% for SC, ST and PwD) after improvement, OR, appear for improvement in ALL subjects to be in top 20 percentile (see Section titled “Regarding the cut-off marks for the top 20 percentile”) of the corresponding academic year.

- The marks scored in the following five subjects will be considered for calculating the aggregate marks and the cut-off marks for fulfilling the top 20 percentile criterion.
 - i. Physics
 - ii. Chemistry
 - iii. Mathematics
 - iv. A language (if the candidate has taken more than one language, then the language with the higher marks will be considered)

- v. Any subject other than the above four (the subject with the highest marks will be considered).
- For calculation of the total marks for five subjects, if the marks awarded in a subject is NOT out of 100, then the marks will be scaled (up or down) to 100 so that the total aggregate marks is out of 500.
 - If a Board awards only letter grades without providing an equivalent percentage of marks on the grade sheet, the candidate should obtain a certificate from the Board specifying the equivalent marks and submit it at the time of acceptance of the allocated seat. In case such a certificate is not provided, the decision taken by the Joint Implementation Committee of JEE (Advanced) 2023 will be final.
 - For candidates who appeared in the Class XII (or equivalent) Board examination for the first time in 2022 and reappeared in ALL subjects (for whatsoever reason) in 2023, the best of the two performances will be considered.
 - If a Board gives aggregate marks considering both Class XI and Class XII examinations (in the 10+2 system), then only Class XII marks will be considered. If a Board gives aggregate marks considering the results of all three years of a 3-year diploma or courses of equivalent duration, then the marks scored only in the final year will be considered. Similarly, for Boards which follow a semester system, the marks scored in the final two semesters will be considered.
 - In case any of the subjects Physics, Chemistry, Mathematics and Language are not evaluated in the final year (e.g., in a 3-year diploma course), then the marks for the same subject from the previous year/s will be used for calculating percentage of aggregate marks.
 - If a Board does not give marks scored in individual subjects but gives only the aggregate marks, then the aggregate marks given by the Board will be considered as such.

- The above will also apply correspondingly to those candidates who first appeared for their Class XII examination in 2021 but the examination Board of Class XII (or equivalent) declared the results for the academic year 2020-21 on or after October 25, 2021.

For eligibility criteria foreign candidates and OCI/PIO may follow the link <https://jeeadv.ac.in/foreign.html>

1.1. Regarding the cut-off marks for the top 20 percentile

- The category-wise cut-off marks for the top 20 percentile are calculated based on the marks scored by the successful candidates who appeared in their respective boards for all the required subjects, in the particular year.
- The cut-off marks for PwD candidates will be the same as the lowest of the cut-off marks for GEN, GEN-EWS, OBC-NCL, SC and ST categories.
- It is clarified that top 20 percentile cut-off for the academic year 2022–23 will be considered against the successful candidates who appeared in the Class XII (or equivalent) examination in 2023.
- Similarly, top 20 percentile cut-off for the academic year 2021–22 will be considered against the successful candidates who appeared in the Class XII (or equivalent) examination in 2022.
- Candidates who appeared in Class XII (or equivalent) examination for the first time in 2022 and wish to (or have to) reappear in 2023 with the objective to qualify through top 20 percentile cut-off criteria, must reappear in all the subjects. For such candidates, top 20 percentile cut-off for 2023 will be considered.
- In case a Board does not provide information about the cut-off for the top 20 percentile, the candidate will have to produce a certificate from the respective Board stating that he/she falls within

the top 20 percentile of successful candidates. If the candidate fails to do so, then the cut-off marks, in the respective categories, for the Central Board of Secondary Education will be used.

- The above will also apply correspondingly to those candidates who first appeared for their Class XII examination in 2021 but the examination Board of Class XII (or equivalent) declared the results for the academic year 2020-21 on or after October 25, 2021.

1.2. Regarding the aggregate marks of 75% (or 65% for SC, ST and PwD)

- The aggregate marks scored by the candidate in the 2023 Class XII (or equivalent) Board examination will be considered for candidates who will appear in the Class XII examination in 2023.
- The aggregate marks scored by the candidate in the 2022 Class XII (or equivalent) Board examination will be considered provided the candidate does not reappear in the Class XII (or equivalent) examination in 2023 in any of the subjects.
- If a candidate had appeared in his/her Class XII (or equivalent) in 2022 and wishes to improve his/her aggregate marks to meet the “aggregate marks of 75% (or 65% for SC, ST and PwD) criterion”, he/she can reappear for any number of subjects he/she wishes for improvement. The percentage marks in this situation will be calculated by considering the marks obtained in 2022 or 2023, whichever is higher, in the respective subjects, in his/her two attempts in 2022 and 2023.

The above will also apply correspondingly for the candidates who first appeared for their Class XII examination in 2021 but the examination Board of Class XII (or equivalent) declared the results for the academic year 2020 - 21 on or after October 25, 2021

**Performance in Class XII (or equivalent) examination
(Applicable only for candidates seeking admission to NITs, Triple-I-Ts,
IIEST Shibpur and other GFTIs)**

- The Candidates must satisfy **at least one of the following two criteria** in the year of first appearance in the Class XII (or equivalent examination) in the year 2021, 2022 or 2023:

1. Must have secured at least 75% aggregate marks in the Class XII (or equivalent) Board examination. The aggregate marks for SC, ST and PwD candidates should be at least 65%.
2. Must be within the category-wise top 20 percentile of successful candidates in their respective Class XII (or equivalent) board examination.

The percentile calculation will be done for all the required subjects, in a single academic year only. Therefore, candidates appearing for improvement in Board examinations can EITHER appear in one or more subjects and secure 75% aggregate marks (65% for SC, ST and PwD) after improvement, OR, appear for improvement in ALL subjects to be in top 20 percentile (see Section titled “Regarding the cut-off marks for the top 20 percentile”) of the corresponding academic year.

- The marks scored in the following five subjects will be considered for calculating the aggregate marks and the cut-off marks. Candidates must also pass each of the following subjects in Class XII (or equivalent) in the years 2021, 2022, or 2023 to qualify for admission to the NIT+ System:
 - For B.E./B.Tech. programmes
 - i. Physics
 - ii. Any one of Chemistry, Biology, Biotechnology, Technical Vocation subject

- iii. Mathematics
 - iv. A language (if the candidate has taken more than one language, then the language with the higher marks will be considered)
 - v. Any subject other than the above four (the subject with the highest marks will be considered).
- For B. Plan. programme:
 - i. Mathematics
 - ii. Other four subjects (the subject with the highest marks will be considered).
 - For B. Arch. programme:
 - i. Physics
 - ii. Chemistry
 - iii. Mathematics
 - iv. Other two subjects (the subject with the highest marks will be considered).
- For calculation of the total marks for five subjects, if the marks awarded in a subject is NOT out of 100, then the marks will be scaled (up or down) to 100 so that the total aggregate marks is out of 500.
 - If a Board awards only letter grades without providing an equivalent percentage of marks on the grade sheet, the candidate should obtain a certificate from the Board specifying the equivalent marks and submit it at the time of acceptance of the allocated seat. In case such a certificate is not provided, the decision taken by the CSAB 2023 will be final.
 - For candidates who appeared in the Class XII (or equivalent) Board examination for the first time in 2021 and reappeared in ALL subjects (for whatsoever reason) in 2022 or 2023, the best of the three performances will be considered. Similarly, for candidates who appeared in the Class XII (or equivalent) Board examination for the first time in 2022 and reappeared in ALL subjects (for whatsoever reason) in 2023,

the best of the two performances will be considered.

- If a Board gives aggregate marks considering both Class XI and Class XII examinations (in the 10+2 system), then only Class XII marks will be considered. If a Board gives aggregate marks considering the results of all three years of a 3-year diploma or courses of equivalent duration, then the marks scored only in the final year will be considered. Similarly, for Boards which follow a semester system, the marks scored in the final two semesters will be considered.
- In case any of the subjects (e.g., Physics, Chemistry, Mathematics or Language) are not evaluated in the final year (e.g., in a 3-year diploma course), then the marks for the same subject from the previous year/s will be used for calculating percentage of aggregate marks.
- If a Board does not give marks scored in individual subjects but gives only the aggregate marks, then the aggregate marks given by the Board will be considered as such.
- The above will also apply correspondingly to those candidates who first appeared for their Class XII examination in 2020 but the examination Board of Class XII (or equivalent) declared the results for the academic year 2019-20 on or after October 05, 2020.

1.3. Regarding the cut-off marks for the top 20 percentile

- The category-wise cut-off marks for the top 20 percentile are calculated based on the marks scored by the successful candidates who appeared in their respective boards, in the particular year.
- The cut-off marks for PwD candidates will be the same as the lowest of the cut-off marks for GEN, GEN-EWS, OBC-NCL, SC and ST categories.
- It is clarified that top 20 percentile cut-off for the academic year 2022–23 will be considered against the successful candidates who appeared in the Class XII (or equivalent) examination in 2023.

- Similarly, top 20 percentile cut-off for the academic year 2020-21 and 2021–22 will be considered against the successful candidates who appeared in the Class XII (or equivalent) examination in 2021 or 2022, respectively.
- Candidates who appeared in Class XII (or equivalent) examination for the first time in 2022 and wish to (or have to) reappear in 2023 with the objective to qualify through top 20 percentile cut-off criteria, must reappear in all the subjects. For such candidates, top 20 percentile cut-off for 2023 will be considered.
- In case a Board does not provide information about the cut-off for the top 20 percentile, the candidate will have to produce a certificate from the respective Board stating that he/she falls within the top 20 percentile of successful candidates. If the candidate fails to do so, then the cut-off marks, in the respective categories, for the Central Board of Secondary Education will be used.
- The above will also apply correspondingly to those candidates who first appeared for their Class XII examination in 2020 but the examination Board of Class XII (or equivalent) declared the results for the academic year 2019-20 on or after October 05, 2020.

1.4. Regarding the aggregate marks of 75% (or 65% for SC, ST and PwD)

- The aggregate marks scored by the candidate in the 2023 Class XII (or equivalent) Board examination will be considered for candidates who will appear in the Class XII examination in 2023.
- The aggregate marks scored by the candidate in the 2022 Class XII (or equivalent) Board examination will be considered provided the candidate does not reappear in the Class XII (or equivalent) examination in 2023 in any of the subjects. Similarly, the aggregate marks scored by the

candidate in the 2021 Class XII (or equivalent) Board examination will be considered provided the candidate does not reappear in the Class XII (or equivalent) examination in 2022 or 2023 in any of the subjects.

- If a candidate had appeared in his/her Class XII (or equivalent) in 2022 and wishes to improve his/her aggregate marks to meet the “aggregate marks of 75% (or 65% for SC, ST and PwD) criterion”, he/she can reappear for any number of subjects he/she wishes for improvement. The percentage marks in this situation will be calculated by considering the marks obtained in 2022 or 2023, whichever is higher, in the respective subjects, in his/her two attempts in 2022 and 2023.
- If a candidate had appeared in his/her Class XII (or equivalent) in 2021 and appeared in improvement examination to improve his/her aggregate marks to meet the “aggregate marks of 75% (or 65% for SC, ST and PwD) criterion”, he/she can reappear for any number of subjects he/she wishes for improvement. The percentage marks in this situation will be calculated by considering the marks obtained in 2021 or 2022, whichever is higher, in the respective subjects, in his/her two attempts in 2021 and 2022.
- The above will also apply correspondingly to those candidates who first appeared for their Class XII examination in 2020 but the examination Board of Class XII (or equivalent) declared the results for the academic year 2019-20 on or after October 05, 2020.
