# Services Offered by NIC Maharashtra State Centre

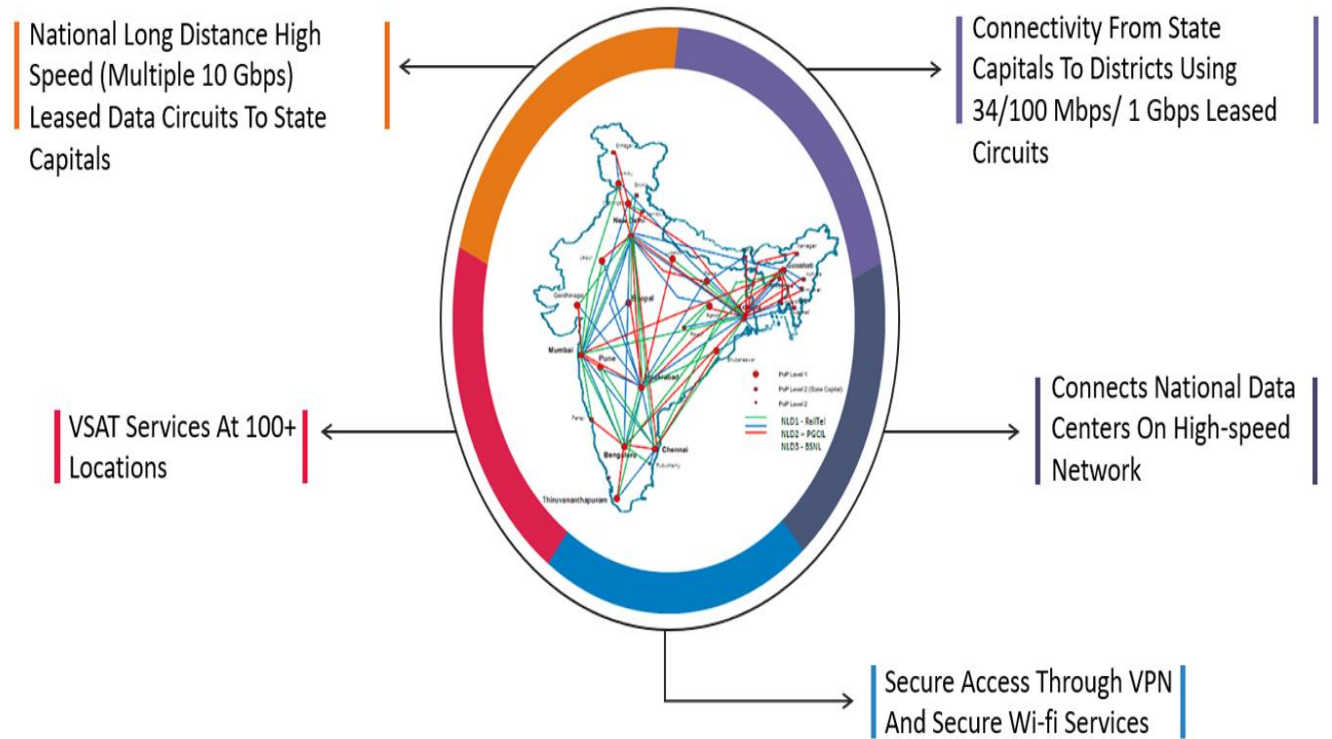

# NETWORK SERVICES - NATIONAL KNOWLEDGE NETWORK (NKN)/NICNET

NKN/NICNET networking services provides a more adaptive infrastructure.

NIC Maharashtra State Centre and all the 36 NIC District Centers in Maharashtra are connected through 1Gbps/100 Mbps/34 Mbps links through NKN/NICET approved service providers.

81 research & educational institutes are connected to NKN and it caters the Internet Gateway Services to NKN/NICNET users in Maharashtra as well as other States.

NIC launched National Cloud Services under MeghRaj as a Government of India Cloud Initiative in Hyderabad in 2008, followed by Pune in 2010, Delhi in 2011 and Bhubaneswar in 2018.

The foundation stone for Data Centre in North Eastern Region (NEDC) was laid at Guwahati, Assam in the year 2021.

NIC has established Mini Cloud in 13 States/UTs to cater to the local Government Cloud hosting needs.

NIC Mumbai has setup a Mini Cloud at Belapur Office for providing Hosting Services to Government Departments of Maharashtra. Mini Cloud spans over the latest ICT infrastructure with state of art technology and is secure by design with 24X7 support to meet the growing needs of Digital India initiatives.
