

# Maharashtra's first e-Cabinet -24<sup>th</sup> June 2025

In a landmark moment for Maharashtra's governance, the state witnessed its first ever e-Cabinet meeting on Tuesday, June 24 2025. e-Cabinet is the digital initiative, envisioned by Hon'ble Chief Minister to make cabinet meetings paperless, efficient and future-ready. The solution developed by NIC Uttarakhand was inaugurated by the Hon'ble Chief Minister of Maharashtra, **Shri Devendra Fadnavis**.

## Highlights of "e-Mantrimandal" mobile app:

1. Confidentiality of agenda preparation and distribution
2. No Last-Minute Rush for distributing Cabinet Papers
3. Green Secretariat
4. Effective Follow-up on timely Implementation of Cabinet Decisions
5. Digital Institutional Memory
6. Enabling Good Governance
7. Secure Mobile App for digital deliberation
8. AI powered quality checks to ensure high readability of documents

# National Informatics Centre, Maharashtra State

The seamless transition to e-Cabinet was the result of comprehensive pre-launch capacity-building programs for ministerial officials conducted by the National Informatics Centre (NIC), Mumbai.

Simulated sessions and scenario-based exercises further reinforced their operational readiness, thereby enabling a smooth transition to the digital governance platform.

*Chief Secretary, Maharashtra, appreciated the efforts of the e-Cabinet team from NIC Maharashtra, under the guidance of Smt. Sapna Kapoor, State Informatics Officer, and Shri Laxmikant Garje, Senior Technical Director, along with key contributions from Smt. Sunita Navare (Scientist E), Anil Rathod (Scientist D), Lahu Waghmare (Scientist D), Amodkumar Suryawanshi (Scientist C), and Gangashankar Singh (Scientist B). Shri Arun Sharma (Scientist E) from NIC Uttarakhand and senior officials from the Chief Secretary's office were also present during the launch.*
