In the case of SC/ST candidates, for all the above courses there will be no requirement for minimum percentage of marks in the aggregate in the qualifying examinations except that they must have passed the qualifying examination and appeared in the concerned Entrance Test. Further, for OBC and PWD candidates, there will be a relaxation of 5% marks in aggregate in the qualifying examination in minimum eligibility requirements in comparison to general candidates.

3.3 NOTES RELATED TO MINIMUM ELIGIBILITY REQUIREMENT

- (i) Candidate shall be admitted in a course according to merit drawn on the basis of aggregate marks secured in the Entrance Test conducted by NTA provided he/she fulfils the minimum eligibility criteria and minimum qualifying marks in the Entrance Test. Minimum qualifying marks in an Entrance Test shall be determined as follows:
- **For Candidates belonging to General/ OBC categories:** Not less than 35% of the marks obtained by the topper of the concerned categories in the concerned Entrance Test;
 - **For Candidates belonging to SC/ ST categories:** Not less than 25% of the marks obtained by the topper of the concerned categories in the concerned Entrance Test
- (ii) Candidates appearing in the Final Year of the Qualifying Examination may also apply and appear in the Test. However, the candidate will be required to produce the original mark sheet of the qualifying examination at the time of counseling for getting admission.

Further, the candidates who are called for counseling for provisional admission in a course, but they are not able to produce the mark sheet of the qualifying examination(s) with minimum eligibility requirements at the time of counselling may also be allowed to take conditional admission. **However, the conditional admission will be on the condition that (a) such candidates give an undertaking that they will produce the original mark sheet of the qualifying examination with minimum eligibility requirement latest by 31st December, 2021. (b) It is evident from the mark sheet(s) of the previous examination(s) relating to the course of qualifying degree that the candidate has secured at least stipulated minimum percentage of aggregate marks (for example 50%) in the previous examination(s) (except final year examination/final year semester examination(s) of the qualifying degree. (This will not be necessary for SC/ST candidates). If they fail to produce the requisite mark sheet by 31st December, 2021 their admission will be treated as cancelled and they will not claim for refund of fee paid for conditional admission.**

- (iv) If the applicant has passed the qualifying examination where grades are awarded and:

 - (b) where the Grade Sheet itself mentions the equivalent percentage of marks from grade points, or the formula for such conversion, the candidate should get both sides of the Degree/Grade Sheet photocopied showing the equivalent percentage of marks/conversion formula.
- (v) **“Aggregate percentage of marks” will also include grace marks awarded to a candidate.** The percentage of marks in the aggregate will be computed as evidenced from the final marksheet of the qualifying examination. However, in case of graduate examinations, where the final marksheet is of two or more types based on only Honours subject or all the subjects studied in three years, the aggregate shall be computed on the basis of total marks secured in all the subjects studied in three years. For example, in case of students passing BA (Hons.)/B.Sc. (Hons.) from BHU, in earlier years the final marksheets were of two types viz., based on only 1000 marks or on 1800 marks. In such cases, the aggregate shall be computed based on total of 1800 marks rather than on 1000 marks.

Further, where final marksheet is based on only Hons subject but the candidate has studied other subsidiary/similar subjects also during the study of course, the marks of these subjects will also be included for computation of aggregate percentage. Still further, in case of any ambiguity/interpretational difficulties, the decision of the University will be final.

- (x) If an applicant is inadvertently allowed to appear at the Entrance Test who otherwise does not fulfill the minimum eligibility requirements, he/she cannot, at a later date, use that as a right to claim that he/she meets the eligibility requirements.

The University reserves the right to cancel/refuse admission at any point of time if it is found that:

- (i) Minimum eligibility requirements are not fulfilled.
- (ii) False documentation has been done, or, facts have been suppressed.
- (iii) Any other similar valid reason.

- (xi) Candidates admitted to any Course in this University shall not be eligible to pursue simultaneously any other full-time Course in this or in any other University/Institution.
- (xii) **A candidate can apply for any number of courses for which he/she is eligible, provided the Entrance Tests conducted by NTA are on different dates (please refer to the Entrance Test Schedule).**
