

ASSAM

PROCESS OF BPDP

- Independent planning process for the preparation of the BPDP.
- Field level exercises will provide the basis for preparation of the BPDP.
- Pre GPDP Exercise
- Post GPDP Exercise. In the post GPDP exercise:
 1. Consolidation and analysis of Gaon Panchayat Development Plans to identify the gaps and schemes to fill up the gaps through BPDP.
 2. Consolidation and analysis of antodaya gaps and data to fill up the gaps through BPDP.
 3. Analysis of secondary data given by the line departments for the preparation of BPDP.
 4. Grading of problem and issues highlighted in the GPDP for preparation of BPDP.
 5. Interventions to address problems, issues and needs identified for BPDP.
 6. Identification of programmes for the implementation of interventions/schemes under BPDP.

PROCESS OF DPDP

- Independent planning process for the preparation of the DPDP.
- Field level exercises will provide the basis for preparation of the DPDP.
- Pre GPDP Exercise
- Post GPDP Exercise. In the post GPDP exercise:
 1. Consolidation and analysis of Gaon Panchayat Development Plans and BPDP to identify the gaps and schemes to fill up the gaps through DPDP.
 2. Consolidation and analysis of antodaya gaps and data to fill up the gaps through DPDP.
 3. Analysis of secondary data given by the line departments for the preparation of DPDP.
 4. Grading of problem and issues highlighted in the BPDP for preparation of DPDP.
 5. Interventions to address problems, issues and needs identified for DPDP.
 6. Identification of programmes for the implementation of interventions/schemes under DPDP.

Recommendation from States on Draft Report on Project Driven BPDP and DPDP

- ❖ Devolution of 3F in full spirit.
- ❖ Engagement of Block Co-ordinator.
- ❖ Strengthening District Planning Committee.
- ❖ Young Educated fellow should be included in the planning team.

Thank You
