Log In	Presently only Rural Development is available in the drop down menu	Panchayati Raj is the separate department in Jharkhand that is not available in the drop down menu
Help Desk	Available	Help Desk was not working
Manage Work Flow – Freeze the Award Type and Entity Type	Information on Award Type and Entity Type is being populated in one step but the freezing process took one by one for each award type.	Is it technically possible to freeze all award type in one step like it gets populated in one step.
Work flow Vs Manage Questionnaire	Questionnaire other than thematic areas are available	How to deal with award other than thematic that get not published while manage questionnaire
Data entry i.e. Population	Provision to enter data on total population, male and female is available	May we add formula in the backend i.e. (total-male=female)
