Dated: 03rd October, 2022

Dear Madam/Sir,

This is in reference to the letter of even number dated 27 April 2022 (Annexure I) regarding the workshop on eGramSwaraj (eGS) and Government e-Marketplace (GeM) Integration on 12-13 May 2022. State wise progress on the various activities to be carried out post the workshop may be seen at Annexure II.

2. In this regard, it is informed that the progress and adoption of eGS and GeM interface is not as per the desired schedule. Substantial efforts are required to be made by to onboard this interface. It is pertinent to mention here that this is an additional facility provided to the Panchayats and hence willing Panchayats need to be encouraged to adopt this new feature which will further bolster transparency in procurement by Panchayati Raj Institutions (PRIs)

3. In the light of above, a refresher training/workshop is being planned on 18 Oct 2022 in New Delhi to sensitize and train the State PMU teams who can act as a master trainer to roll out the initiative at the grass roots level. It is therefore requested to share the details of maximum 2 team members (As per format in Annexure III) who would attend the workshop at mohit.gupta20@nic.in. Please note that travel and accommodation may be borne by the State under appropriate budgets available with the State Department. Also, the participants may bring their own laptops for hands on training session. It is requested to ensure participation in this workshop as this will pave the way for Panchayats across the nation to be able to access GeM for their procurement, further strengthening the Digital India program as envisaged by the Hon'ble Prime Minister.
