Grama Sabha resolution on 24th April 2022

We recognize that people are at the centre of sustainable development and, we commit to work together to promote sustained and inclusive economic growth, social development and environmental protection and thereby to benefit all.

We reaffirm the importance of freedom, peace and security, good governance and the rule of law, respect for all human rights, including the right to development and the right to an adequate standard of living, right to health, including the right to food.

We recognize that gender equality and women's empowerment are basic for sustainable development and our common future.

We believe in providing equal opportunities for all, and the protection, survival and development of children to their full potential. We emphasize that sustainable development must be inclusive and people-centred, benefitting and involving all people, including women, youth and children, persons with disabilities, smallholder and subsistence farmers, fisherfolk and those working in small and medium-sized enterprises, and will strive to improve the standard of living and empowerment of the poor and vulnerable groups.

We acknowledge that climate change is a cross-cutting persistent and looming crisis, and understand that the scale and gravity of the negative impacts of climate change affect all. Planet Earth and its ecosystems are our home and we commit to restore the health and integrity of the "Mother Earth".

https://meetingsonline.panchayatsankalpresolution.in/OWAP_COF/CKB-JM8D-2UC3-D8M5-8M6-D68-12CF-38U-110K

We will mobilize the full potential and ensure the equal contribution of both women and men. We stress the importance of the active participation of young people in decision-making processes, as the issues we are addressing have a deep impact on their lives and as the contribution of children and youth is vital to the achievement of sustainable development. We call upon for a broad alliance of people, all government departments, Non-governmental Organisations, Institutions, civil society and the private sector, to partner with us, all working together for this. Today, we take the Sankalp to redouble our efforts and initiate immediate action on Theme(s)

1. Theme 1 : Poverty free and enhanced livelihoods village
2. Theme 2: Healthy village
3. Theme 3: Child friendly village

We express our determination to achieve for our village all the 9 Themes, renew our commitment to sustainable development and to ensuring the promotion of an economically, socially and environmentally sustainable future for our planet and for present and future generations.
