2. Complexity of data
3. Non availability of some data(Numerators) at the Gram Panchayat level
4. Default source of data suggested by MoPR in the Xcel Sheet did not correspond with few indicators in the GP (for 77 Indicators)

# Suggestions in respect of Local Indicators & its data Points (in respect of revision, modification & addition (if any))

- Information from various Line Departments needs to be collated at the state level due to a large number of indicators and their state specific indicators
- Post that Indicators will be revised and suggestions submitted to MoPR

# Feedback on PDI Portal

1. Entry of data at every step on the PDI portal should be open for suggestion and feedback
2. Data should be supplemented to the Gram Panchayat office at every step
3. Interlinking of data with every department so that manual entry of data need not be done for all 577 indicators
4. Data for many departments is physically maintained and not digitally stored.
5. How to interlink interdepartmental data presently?
6. Instruction regarding the working of PDI portal and collaboration by various departments to be sent to CS and Secretaries of various states.
